Dear Educator,

The Everett AquaSox would like to invite your school and elementary students to participate in the 2024 Hit a Home Run in Reading program presented by Sound Transit. Last year, more than 20,000 local students participated in this FREE, incentive- based program and read an outstanding number of hours, pages, and books. Together we can encourage teamwork in your classroom, support independent reading as a foundation for life-long learning, renew enthusiasm for reading close to the summer months, and provide fun incentives for your students.

We would be happy to schedule a staff or PTA meeting to further explain or answer any questions. The AquaSox thank you for your commitment to literacy; we look forward to working with you this year!

To make signing up a breeze, we've included the participation form with this letter! You can drop by, mail, email or fax the participation form back to us with the options listed below:

Your contact will be our Community Relations Director, Nellie Kemp
