

Video Ribbon Boards are a primary focal point at every RockHounds game.

The boards display your logo, enhanced and supported by graphics, alternating with the line score of the game, player information and more.

The boards remain in operation from gates opening until the last fan leaves the ballpark.

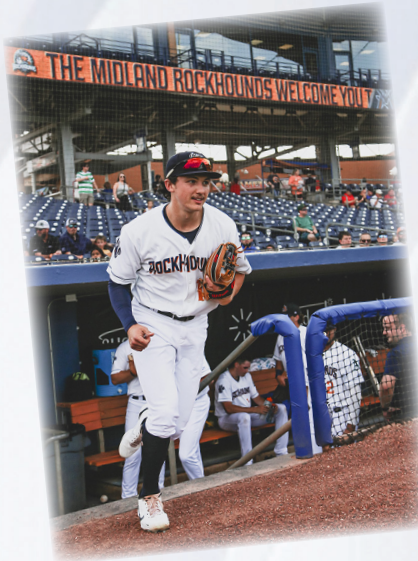

Video Ribbon Boards are located on the first base (96' long) and third base (113' long) sides of the stadium.

Video Ribbon Boards

\$25,000 per year
(Two-year commitment)

\$20,000 per year
(Three-year commitment)

Your logo appears along with the following Video Ribbon Board content:

During Play ("Static") Line score and player stats & information.

Between Pitches / Batters Creative graphics along with player stats & information.

Other Game-enhancing graphics ("Get Loud" ... "Nice Catch!" .. "Home Run!" ... etc.)

The Video Ribbon Boards remain in operation from gates opening until the last fans leave the ballpark.
