Ordering and Payment Info

Delivery

Food and beverage orders will be delivered to your suite 30 minutes prior to gates opening. Food will remain in the room for the duration of the event unless otherwise requested. Food and beverage orders can be held and delivered at a different time if requested in advance.

Event Day Ordering

During an event, orders may be placed from your suite. Service is available until the 5th inning, after which no food orders may be placed. Please note that day of event orders supplement pre-orders and should not replace them. Most beverages are available for re-order during an event.

Cancellations

No charges will be assessed to suite holders for food or beverage orders that are canceled 48 hours in advance or more. Cancellations must be in writing and confirmed by River City Concessions to be valid. All other cancellations will be assessed a charge of up to 100% of the total order value including fees and taxes. If the event is canceled, you will not be charged unless the gate was opened before the event was canceled and your order was consumed.

Liability

Please note that you are responsible for damages you or your guests inflict on property and equipment provided as part of our service. All food service equipment is property of River City Concessions and may be removed from your service area only by authorized personnel. Glass is not permitted on the balcony or beyond the suite at any time for any reason. Please seek an attendant for assistance.

Service

An experienced suite attendant will service your suite. This attendant will ensure your food and beverage order is complete and assist you with any event day orders or other special requests. Should you require a dedicated attendant or bartender who will assist only your suite, one may be requested for an additional fee. Please see fee section for more information.

Alcohol

In accordance with California Law, River City Concessions is the only licensed permit holder authorized to possess, sell, deliver, or serve beer, wine, or spirits at Sutter Health Park. Alcoholic beverages may only be obtained by River City Concessions and may not be brought in or removed from the suites area. Any items found on the premises not supplied by River City Concessions will be confiscated and destroyed.

Alcoholic beverage service will cease at the first pitch of the 8th inning and 30 minutes prior to the end of all other events, or management discretion. Alcohol service guidelines for special events will be determined on an event-by-event basis. It is the responsibility of the suite holder to ensure that no minors or intoxicated persons consume alcoholic beverages in their suite. River City Concessions and Sutter Health Park staff reserve the right to check for proper identification and refuse or terminate service at any time. From time to time, Sutter Health Park will host an event that prohibits the sale and consumption of alcoholic beverages. During these events, all suite guests must adhere to this policy.

Payments & Fees

Taxes

Food, alcohol, non-alcoholic beverages, and administrative fees are subject to local sales tax.

Service Charge

An 18% service charge is added to each food and beverage order. This service charge is not a tip or gratuity for the benefit of employees. Any additional suite attendant gratuities for exceptional service occur at your discretion. If any optional gratuities are given, only your suite attendant will receive this amount.

Additional Fees
