

Sacramento River Cats (2-2) at Las Vegas Aviators (3-1)

RHP Keaton Winn (no record, ---) vs. RHP Jason Alexander (no record, ---)

GAME 5 | AWAY GAME 2 | WEDNESDAY, APRIL 2, 2025 | 6:35 P.M. | LAS VEGAS BALLPARK | LAS VEGAS, NV

YESTERDAY'S GAME: It was a day to forget for the **Sacramento River Cats**, allowing 14 runs on 15 hits in a loss to the Las Vegas Aviators, 14-2... **OF Hunter Bishop** drove in a run on a double while IF Brett Auerbach had an RBI to extend his RBI streak...**RHP Carson Ragsdale** took the loss, retiring each of the first five he faced before allowing the next five to reach...Sacramento's bullpen had its consecutive inning scoreless streak snapped at 15.1 combined innings to start the season.

TODAY'S STARTER: **RHP Keaton Winn** heads out to the bump for the first time in 2025, lining up for what will be his first Triple-A outing since he tossed 3.0 shutout frames at El Paso on Aug. 25, 2023...Winn's last full season at Triple-A was 2023, going 0-6 with a 4.81 ERA (31 er, 58.0 ip) with 55 strikeouts...That same season was when Winn made his MLB debut, first doing so on June 13 at St. Louis (NL) where he earned a save with only one run allowed over 4.0 innings...He pitched in just 12 games during 2024 before shutting down for the season, and he struggled to a 9.88 ERA (30 er, 27.1 ip) on the road in seven games.

BOOM P.O.W.: IF **Brett Auerbach** claimed the first Pacific Coast League weekly honor for a River Cat this season as on Monday he was named the PCL Player of the Week...Over the course of the first series Auerbach was 5-for-11 (.455) with four extra base hits, two of which were homers over the first two games while the other two were a pair of doubles on Sunday... In addition to driving in a run in each of the three games (four RBI total), Auerbach generated a triple slash line of .500/1.182/1.682 while striking out only once...Last season the River Cats had four weekly honors, as both IF **Tyler Fitzgerald** (May 27, 2024) and OF **Luis Matos** (June 17, 2024), were PCL Players of the Week while both **RHP Mason Black** (April 15, 2024) and **RHP Tommy Romero** (June 10, 2024) were tabbed as a PCL Pitcher of the Week...This is Auerbach's first Triple-A weekly award, though he was once named the Eastern League Player of the Week while a member of the Richmond Flying Squirrels (Double-A) for the week of Aug. 7, 2022.

WE'RE SO (AUER)BACH: IF **Brett Auerbach** may have seen his three-game hit streak come to an end with an 0-for-4 effort, he extended his RBI streak to four games (five total) after he grounded into a force out with the bases loaded... So far, four of his five hits have gone for extra bases, and he has smashed the longest Sacramento homer of the year at 418 with an exit velocity of 106.2 mph in his final at-bat against Albuquerque last Saturday...He became the first River Cat to homer in consecutive games in 2025, a feat that was accomplished a total of 19 times by 11 different River Cats (though none were Auerbach)...On Friday night he became the second straight Brett to homer in a season opener, as he followed in the steps of IF **Brett Wisely** who did so last year against the Salt Lake Bees...The similarities extend beyond the name, as both homers were the first of their respective campaigns, and both were the

winning run as the 2025 River Cats earned an 8-0 shutout while Wisely's 2024 blast came in walk-off fashion during the bottom of the ninth.

MESS WITH THE BULL(PEN): **Sacramento River Cats relievers** saw their combined scoreless streak come to an end in yesterday's contest...Entering the game the span stood at 14.1 innings, and though they extended it to 15.1 frames, it came to an end against **RHP Tristan Beck** with a Daniel Susac RBI single in the third.

WALKATHON: The **Sacramento River Cats** issued a total of 14 free passes last night, which was their most walks issued in a single game since they gave out a franchise record 16 on April 18, 2023 at home against Round Rock...In fact, the River Cats had a trio of games over a 16-day span in which they handed out 14 walks or more... Relievers issued 11 of the walks, marking just the fifth time since 2005 that River Cats relievers did so...The last such instance came in that same April 18, 2023 conetst against the Express.

VAMOS VILLAR: IF **David Villar** returns to the Sacramento River Cats after clearing through waivers and being outrighted to Sacramento... Villar enters the season either in or knocking on the door of numerous top-10 offensive career categories for the River Cats including: games played (265, 12th), at-bats (993, 14th), plate appearances (1,182, 10th), runs scored (191, 7th), home runs (60, 3rd), RBI (210, 6th), and total bases (507, 10th)...He sits just five home runs away from tying OF **Chris Carter** for Sacramento's all-time lead, while he is just three behind OF **Chris Shaw** for second place.

JAKE HAD A LITTLE LAMB: IF **Jake Lamb** is leading the team in the early going at the dish, logging a hit in all four games he's played while going 6-for-15 (.400) with two runs scored, two doubles, a walk and two strikeouts...The 14-year MLB veteran is looking improve on his Triple-A season last year in which he batted .264 (84-for-356) for the Indianapolis Indians (PIT) over 98 games with 48 runs scored, seven homers, and 55 RBI.

OFF TO SEE THE WHISENHUNT: **LHP Carson Whisenhunt** notched nine punchouts without a walk on Sunday, which was one off of his Triple-A career high of 10 that he did twice last season, the last of which came in his final outing of the season against Sugar Land on Sept. 22, 2024... Of his nine strikeouts, eight came from his changeup...It marked the seventh time since the start 2021 that a PCL pitcher has tallied eight or more strikeouts with a changeup, three of which belong to Cesar Valdez in the 2022 season...Gavin Stone also accomplished the feat twice (2022, 2023), as has Whisenhunt (also: 9/22/24 vs. SUG)...Additionally, his nine strikeouts without a walk were the most by a River Cat since today's starter and fellow Carson **RHP Carson Ragsdale** had 11 without a walk against the same Albuquerque squad on Aug. 10, 2024.

THIS DAY IN BASEBALL HISTORY

April 2, 1996

Due to renovations in the Coliseum, the Oakland Athletics play their season opener in Las Vegas, NV, losing to the Toronto Blue Jays, 9-6, in front of only 7,296 fans at Cashman Field.

NUMBER OF THE DAY

.500

With a loss today, the **Sacramento River Cats** would drop below the .500 mark...It would be their first time sub-.500 since they ended the 2023 season with a 67-82 record...In 2024 the River Cats had a low-water mark of 5-5.

ADVANCED PITCHING STATS*

TBF: Total Batters Faced

Total Batters Faced measures the total number of plate appearances hitters have made against him.

HR/9: Home Run Rate

Home Rune Rate measures how many home runs a pitcher averages over nine innings. Of course, not many pitchers throw nine innings all at once anymore, but this is a way of standardizing the statistic so it's on an easy-to-understand scale like many other pitcher statistics which are scaled to 27 outs.

K% & BB%: Strikeout Rate and Walk Rate

Strikeout rate (K%) and walk rate (BB%) measure how often a pitcher walks or strikes out a player per plate appearance. They're measured in percentage form, so it's easy to compare between players and years.

AVG: Batting Average

Batting average is the rate of hits per at bat, calculated as hits/at bats.

BABIP: Batting Average on Balls In Play

Batting Average on Balls In Play (BABIP) measures how often a ball in play goes for a hit. Typically around 30% of all balls in play fall for hits, but there are several variables that can affect BABIP rates for individual players, such as defense, luck, and talent level. Hitters have more control over their BABIP than pitchers do.

LOB%: Left On Base Percentage

Left on Base Percentage (LOB%) measures the percentage of base runners that a pitcher strands on base over the course of a season. This stat does not use the left on base numbers reported in box scores, but instead is calculated using a pitcher's actual hits, walks, and runs allowed results.

xFIP: Expected Fielding Independent Pitching

Fielding Independent Pitching measures what a player's ERA would look like over a given period of time if the pitcher were to have experienced league average results on balls in play and league average timing. xFIP Normalizes a pitcher's home runs allowed based on their fly ball rate rather than simply using the raw number of home runs allowed. (Due to no constant in Minor League Baseball, the xFIP statistic is aproximate)
