*The RockHounds Charity Classic benefits the Scott Seator Foundation, honoring our late Director of Communications.*

We lost Scott in 1996, at age 27, following a courageous two-year battle with a rare form of cancer.

The Seator Foundation (which is part of the Permian Basin Area Foundation) is the keystone of the RockHounds' efforts in the community, annually donating thousands of dollars to West Texas children's charities.

Scott's legacy was built on his remarkable ability to capture the imagination of kids. His boundless energy and amazing enthusiasm launched the program now known as Scoring In Schools (originally Juice The Moose's Grand Slam Program). Today, Scoring In Schools continues that legacy, reaching thousands of kids each year.

*Thanks to your support, this tournament ...  
and the perpetual foundation in his honor ... continue Scott's legacy.*
