Inland Empire 66ers (12-25) AT RANCHO CUCAMONGA QUAKES (22-14)

RHP Barrett Kent (1-5, 4.41 ERA) vs. RHP Patrick Copen (3-2, 5.40 ERA)

TODAY'S GAME: Welcome to LoanMart Field, as your first-place Quakes continue a 12-game home stand, with game six of a six-game set against the Inland Empire 66ers (LAA). Earlier today, little leaguers were treated to a FREE U.S. Bank Youth Clinic, with free baseball instruction and autographs from players and coaches. After the game, kids will "Run the Bases", thanks to San Antonio Regional Hospital. The Quakes will take Monday off, then continue the home stand on Tuesday, hosting Modesto (SEA) for six straight. Tickets are available at rcquakes.com.

VS THE 66ERS: Today's game is the 12th of 24 head-to-head meetings between the two clubs and the sixth of 12 at home. The Quakes are currently 8-3 against the 66ers in 2024, with the first six games taking place at San Manuel. Last year, the Quakes went 6-9 at LoanMart Field, 14-13 overall against the 66ers.

LAST GAME: The Inland Empire "struck back" on Star Wars Night, setting more season-highs in a 12-3 win over Rancho Cucamonga on Saturday night. One night after setting a season-best with 12 runs, but blowing a nine-run lead, the 66ers scored 12 more and recorded a new season-high with 19 hits, as well as a new high in margin of victory (nine). Anthony Scull and Imanol Vargas had three hits each, while the 66ers clubbed three home runs for the second straight game. Rancho starter Waylin Santana (0-1) allowed five runs on eight hits over just 2.2 innings in the loss. 66ers' starter Andre Sanchez (1-2) allowed two runs in five innings, getting the win. Rancho's Wilman Diaz had three of their nine hits and an RBI to lead the offense. The Quakes still have a chance for a series-win today, as a win would give them four of six in the series, and their fifth series victory in seven overall this year.

DE PAULA, DA BOMB: The Quakes have gotten some serious production from Josue De Paula this series, as he homered in three straight games, including a two-homer game Friday night, the first of his career. That streak unfortunately came to an end on Saturday, as he was slowed, going 0-for-3 with a walk. De Paula had not hit a single home run in 24 games prior to this current streak, but now has four on the year. De Paula is the highest ranking Dodgers' prospect on the Rancho roster, with MLB Pipeline naming him number three, behind only outfielder Andy Pages and catcher Dalton Rushing.

ROSTER MOVES: The Quakes made a number of roster moves on the 12-game road trip. The final move came on Sunday, when they added RHP Waylin Santana to the active roster. He took the roster spot of RHP Carlos Duran, who went on the Development List earlier in the week.

PATRICK COPEN: Right-hander Patrick Copen makes his seventh start and eighth appearance of the year, his third against the 66ers. In his last outing, he dominated, going a career-best seven innings of shutout baseball, allowing just three hits in a win on Tuesday over the Sixers in the opening game of this series. He's now 2-0 against the 66ers this year, allowing just one run over ten innings. Copen has allowed just five hits over 12 scoreless innings in his last two combined starts. He was drafted by the Dodgers in the seventh round of the 2023 draft out of Marshall.

BARRETT KENT: Right-hander Barrett Kent makes his eighth start of the year and his third against the Quakes. In his last start, he took the loss on Tuesday night in the series-opener, allowing four runs on five hits over 4.1 innings. In two games against Rancho, he's allowed nine runs on ten hits over 7.2 innings, going 0-2. Kent was drafted by the Angels in the eighth round of the 2023 draft out of Pottsboro High School in Pottsboro, Texas.
