# WHAT THEY'RE SAYING...

The Fond du Lac Dock Spiders Rooftop provided a fantastic experience for my real estate team and their families! It was a great way to enjoy the game while still allowing socialization amongst the entire group. Everyone loved the all you can eat food & drinks, the service was great, and it was a gorgeous setting. The value we received with this package was excellent and communication during booking was very good. We will definitely make this an annual outing!

**JASON ZELLNER**  
ZELLNER REAL ESTATE

I've had the opportunity to work with the Fond du Lac Dock Spiders on several occasions over the years and they have provided consistently outstanding experiences across multiple group spaces—including the Rooftop, Suites, and group ticket areas. Their attention to detail, top-tier customer service, and commitment to quality stand out every time. The staff is genuinely friendly, proactive, and focused on making the experience seamless from booking through game day. Whether hosting clients, non-profit groups, or family outings, the process is always easy, efficient, and executed exactly as promised. The Dock Spiders deliver a reliable, high-quality group experience that keeps us coming back year after year.
