

WHERE ARE THE SNAPPERS FROM?

BORN IN THE USA (AND BEYOND)

DIRECTIONS: One of the great things about going to a Snappers game is that the roster is made up of players from all over the United States. Often, there are even players from around the world! Use the map to answer the questions below.

Take a look at the Snappers roster and place marks on the states that American players come from and then answer the following questions.

1. What state had the most players on the 2019 Snappers roster?
2. Which American-born Snappers player had to travel the farthest to play in Beloit, FL?
3. The Snappers players all hope to play in the Major Leagues for the Oakland Athletics. How many players are from California, where the Athletics are located?
4. How many Snappers players are from another country?
5. Including the United States, how many different countries are the Snappers from?
