**2021 SEASON TICKET  
HOLDER MANUAL**

# DEAR VALUED SEASON TICKET HOLDER,

I am thrilled to be able to say that baseball is back at Chickasaw Bricktown Ballpark!

Your continued support of this organization through the ups and downs of last year serves as a reminder to me and the rest of the front office staff that Oklahoma City is home to the best fans in baseball! I am honored to borrow the words of former Dodgers broadcaster Vin Scully and, for the first time in 2021, say "It's Time for Dodger Baseball!" in Oklahoma City.

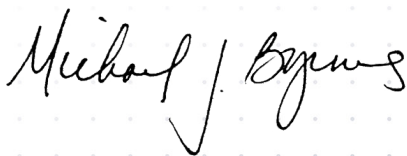

While there was no baseball in Oklahoma City, we did get to see many of our former players take the field with the Los Angeles Dodgers in 2020 and win the franchise's first World Series since 1988! For those of you who may not know, eight of the nine players on the field for the final out had played in Oklahoma City. What a joy it was to watch some of the fan-favorites like Edwin Ríos, Cody Bellinger, Walker Buehler, Julio Urías, Corey Seager, and so many others be instrumental in the success of our Major League affiliate.

I would like to take this moment to share that the health and safety of every guest returning to Chickasaw Bricktown Ballpark is the Oklahoma City Dodgers' top priority. We are committed to creating a safe environment for you to enjoy exciting, family-friendly entertainment at an affordable price. In order to ensure the safest possible experience, our team is acting on guidance from the national, state and local agencies and we strive to go above and beyond any minimum measures required to operate Chickasaw Bricktown Ballpark. You can find a full list of our updated health and safety policies at [www.okcdodgers.com/safety](http://www.okcdodgers.com/safety).

As an OKC Dodgers Season Ticket Holder, you will continue to enjoy fantastic fireworks shows after each Friday night game, guaranteed giveaways and more! Stay tuned for more details about specific theme nights, entertainment acts and other promotions that may happen as we work toward operating at full capacity.

Please take a moment to check out all of the amazing benefits that come with being one of our valued season ticket holders. If you have any questions, please don't hesitate to contact me at [michael.byrnes@okcdodgers.com](mailto:michael.byrnes@okcdodgers.com) and let me know how we can best serve you.

We've counted down the days until the Dodgers returned to the ballpark and wait with baited breath to see the players of the now reigning World Series Champions on our field. Opening Day is quickly approaching and I'm honored to welcome you back to your summer home!

Michael Byrnes  
President/General Manager

## BALLPARK HEALTH & SAFETY POLICIES

The Oklahoma City Dodgers are entirely committed to creating a safe environment to enjoy exciting, family-friendly entertainment at an affordable price.

The Dodgers are leaning on guidance from the national, state and local agencies to ensure the safest possible environment. We strive to go above and beyond any minimum measures required of us to operate our facility. Chickasaw Bricktown Ballpark plays a huge role in the Oklahoma City community and we are excited to be part of the move toward normalcy.

The Dodgers have implemented a variety of health and safety measures to ensure that Chickasaw Bricktown Ballpark is a safe venue for events. This includes, but is not limited to:

- *If guests are not feeling well, they are asked to not attend a game or event at Chickasaw Bricktown Ballpark.*
- *Guests are required to wear a face covering, over their nose and mouth, to protect themselves and others at all times, except when actively eating or drinking.*
- *Fans will be required to stand six feet from other guests not in their party. This includes concession lines, restrooms, and all common areas of the ballpark.*
- *Condiments and similar items available at the concession stands will be distributed in pre-packaged servings.*
- *Signage encouraging social distancing and other health practices will be posted throughout Chickasaw Bricktown Ballpark. The Dodgers will also remind fans to follow posted policies and procedures via public address announcement and via video board messaging.*
- *The seating bowl has been reconfigured to maintain social distancing. All parties will be seated in groups of a maximum of six guests, and all parties will be socially distanced from other groups based on guidelines from the Oklahoma City-County Health Department. If a party is greater than six, they will be split into a minimum of two pods of seats.*
- *The Dodgers will ensure a rhythm of cleaning and sanitize above a regular schedule. This includes the cleaning of all flat surfaces, including but not limited to concession counters, drink rails, door handles, and restroom sinks and counters.*
- *Increased hand sanitizer stations on all levels of the ballpark, including both public areas and employee offices.*
- *Depending on regular duties, many staff members will be required to wear protective gloves in accordance with the most recent guidelines from health authorities.*
- *Any staff member that is not feeling well will not be allowed into the ballpark.*

For a complete list of frequently asked questions about the new ballpark health and safety policies, please visit [www.okcdodgers.com/safety](http://www.okcdodgers.com/safety).

# WHAT'S NEW IN 2021

## CLEAR BAG POLICY

The Oklahoma City Dodgers are joining many other professional and collegiate venues in implementing a new clear bag policy at Chickasaw Bricktown Ballpark.

With the goal of providing a safe environment to everyone who enters the ballpark as well as expediting fan entry at the gates, the OKC Dodgers are implementing a policy that limits both the size and types of bags that can be brought into the ballpark.

The Dodgers strongly encourage fans to not bring any type of bags, but fans will be able to carry the following style and size bag inside the stadium:

- *Bags that are clear plastic, vinyl or PVC and do not exceed 12 inches by 6 inches by 12 inches. A logo no larger than 4 inches by 4 inches may be displayed on one side of a permissible clear bag.*
- *One gallon, clear, plastic resealable bag (Ziploc bag or similar).*
- *Small clutch bags, which do not exceed 4.5 inches by 6.5 inches in size, with or without a handle or strap can be taken into the stadium in addition to one of the clear plastic bags.*
- *Exceptions to this policy will be made for diaper bags and all medically necessary items after proper inspection.*

Prohibited bags include but are not limited to:

- Purses larger than a clutch bag, briefcases, backpacks, cinch bags, and fanny packs that are not clear and/or exceed the size restriction
- Luggage of any kind
- Computer bags or cases
- Camera bags or cases
- Binocular bags or cases
- Any bag larger than the permissible size

Fans will continue to be able to carry items allowed into the stadium in a permissible clear bag, such as binoculars and cameras. Additional clothing is permitted if carried loosely or in an approved clear bag. The full policy can be viewed at [www.okcdodgers.com](http://www.okcdodgers.com).
