

# ROCHESTER RED WINGS

## RAIN OUT POLICY 2023

If gates do not open due to inclement weather, single suites will be rescheduled for a later game based on availability. A Ticket Representative will be reaching out to reschedule.

A suspended game is a contest that starts and has to be stopped before it is an official game due to inclement weather or the field is unplayable. In that case your ticket will be used as a rain check for a 100 level ticket for any remaining regular season game.

Follow the status of the game and weather updates
