**RIDERS SHUTOUT TRAVS, WIN IN EXTRAS:** 

The Frisco RoughRiders defeated the Arkansas Travelers 2-0 on Monday evening from Dickey-Stephens Park. Frisco (5-2, 49-27) and Arkansas (4-3, 40-35) battled scoreless into the top of the tenth inning. Josh Stephan surrendered a leadoff double in the bottom of the first inning to Ben Williamson, but stranded him at second after striking out the next three batters. Stephan exited after 5.0 scoreless, three-hit innings, with a season-high tying seven strikeouts. Brandyn Garcia, making his Double-A debut, matched Stephan with 5.0 no-hit innings, onyl walking two while punching out seven. The RoughRiders threatened in the top of the sixth when **Kellen Strahm** and **Maximo Acosta** each singled, but were unable to push across a run. **Robby Ahlstrom** entered for the bottom of the sixth, spinning 2.0 hitless frames with a walk and three strikeouts. Locked in a scoreless tie, **Skylar Hales** (2-0) took the mound in the eighth inning and went on to work 2.0 scoreless frames to send the game to extras. In the top of the tenth inning, **Josh Hatcher** shot the first pitch he saw against Troy Taylor (1-3) into left center for an RBI double, breaking the scoreless tie. **Cooper Johnson** later brought him across the plate with a sacrifice fly, giving Frisco a 2-0 lead. **Tyler Owens** came in for the bottom of the tenth, striking out the first two batters he faced before inducing a flyout to earn his fifth save of the season. The Riders managed just four hits, but pushed across two in extras to earn the win. Acosta provided the lone multi-hit performance and Strahm reached three times.

#### I WANT TO BREAK FREE(MAN):

**Cody Freeman** blasted a go-ahead home run in the seventh on Friday, giving him the team lead with nine this year. While he slowed down slightly at the plate in June (batting .253/.298/.437/.735), he has clubbed three home runs in his last seven games with two of them being game-winners. This season, he has a career highs in average (.272), slugging percentage (.456) and OPS (.782) while being on pace to set new career bests in RBIs (64) and home runs (16).

#### WE'RE GOING DANCING:

In the first half, they owned the best record in all of Double-A at 44-25 and they won the Texas League South by 4.0 games over the Midland RockHounds. The RoughRiders are in the playoffs for the first time since winning the Texas League title in 2022 and finished with the best record in Double-A for the first time since 2008. The Riders are on pace for 88 wins, which would break their franchise record of 85 (2007). Offensively, the Riders finished sixth in the league in batting average (.240), fifth in runs per game (4.8), seventh in home runs (45) and eighth in OPS (.680). Where they shined was on the pitching side, finishing first in ERA (3.49), third in batting average against (.231) and second in saves (19). Their relievers finished with a 2.95 ERA, which was fourth in all of Minor League Baseball.

### DEFENSE WINS CHAMPIONSHIPS:

#### THE (BULL)PEN IS MIGHTIER THAN THE SWORD:

In their last seven games, the bullpen has a 1.32 ERA (4ER/27.1IP). In their last five series, spanning 32 games, Frisco's bullpen has a 1.60 ERA (21ER/118.0IP). In their last 22 games, the Riders have allowed just 55 earned runs over 203.0 IP (2.44 ERA). On Saturday, the Riders allowed seven runs (six earned) for the first time in 11 games (8 allowed on 6/5 at CC). Frisco has not allowed double-digit runs in 33 games (5/23 vs. MID). Having won 24 of their last 34 games since May 25th, the Riders have the best ERA in Minor League Baseball (2.58) during that stretch while also being tied for second in saves (12) and first in wins (24) since May 25th. The team with the second-best ERA in that stretch (Vancouver) has a 3.01 ERA. In those last 34 games, the Riders have allowed more than three runs in a game just 11 times and eight times in the last 22 games. Their Tuesday and Thursday 2-1 losses in Midland marked their first two losses when allowing three runs or fewer, dropping them to 38-2 in those games.
