

HONORING MILITARY & PUBLIC SERVICE

The RailRiders would like to pay tribute to our local NEPA heroes and their loved ones and thank them for their community service. We would like to show our appreciation for the sacrifices people in our community make by recognizing a local hero and their family at every one of our home games this season.

Each home game of the 2023 season will spotlight and honor our local heroes with recognition on our video board, four reserved seats to the game, free parking, and also the opportunity to throw out a ceremonial first pitch. We're honored to welcome the community's heroes as our guests to PNC Field.

Area active or former military members, EMTs, teachers, first responders, and anyone who steps up in a crisis and families thereof are encouraged to submit their service stories to the team's Community Relations Department. Fill out the information below and mail it to the given address, call the SWB RailRiders' Community Relations Department at 570-969-2255 ext. 3140, or e-mail Community Relations Manager, Krista Lutzick at klutzick@swbrailriders.com.
