Catering & Hospitality

WELCOME TO THE 2026 SEASON

We are honored to host you and your friends and colleagues this year. To a person, everyone on our team of culinary professionals is striving to make the time that you and your guests spend together here at TD Bank Ballpark more enjoyable, and more valuable. We believe in the power of hospitality to help people connect in meaningful ways, and our mission is simple: *Provide affordable family entertainment to the entire community.*

Common Questions and Answers

1. Do we have someone that we can order more food and beverage through the day of our game?

- Yes! You will have a suite attendant that will check in with you every 10-15 minutes to make sure your group has everything you need.

2. I am not sure what everyone drinks, do I have to preorder drinks?

- We strongly recommend that you have something in the refrigerator for your guest's arrival. We buy back any soft drink or alcoholic beverage that is unopened at the end of the 7th inning, so you are not stuck with products that your guests do not use.

3. Do you have any drink packages?

- We do not have any packages. All drinks are sold individually, your suite attendant will work with you to add drinks and buy them back at the end of the 7th inning. Here's to great times and truly memorable experiences.

4. Do I need a final headcount before placing my order?

- No! Just let us know where you think you will be, and we will help you get the right amount of food ordered. You can always add more on game day!

5. When is my order due?

- If you have any questions please get them to us ONE WEEK prior to the 72 hour deadline for ordering. This allows us plenty of time to iron out any challenges.

6. What is the best time to have food delivered to our suite?

- Our kitchen puts out food every 15 minutes. We always recommend that you choose a time slot between 30 minutes prior to first pitch and 30 minutes after first pitch.

7. Your packages say 15 or 30 guests, I am somewhere in between or over those numbers, is that enough food?

- These packages were designed to feed approximately that many guests. The half order feeds between 12-18 people and the full order feeds between 25-35 people. If you need more food, you can always add on after guests begin eating!

8. Is there a rain policy?

- In the event of inclement weather, please contact your ticket sales representative. You can cancel your food order at any time up to four hours before gates open.

9. What forms of payment do you accept?

- We accept all major credit cards and cash. We do not accept checks.
