STARTING NINE- NEWS AND NOTES

- ♦ **Last Time Out:** An eight-run seventh inning turned a one-run game into a convincing 13-4 win for the Great Lakes Loons in Thursday's first-half finale. Jake Gelof drove in five runs for the Loons in the victory.
- ♦ **First-Half Finish:** The Midwest League's first half wrapped up on Thursday. Though it necessarily hasn't translated into the win column, the Peoria offense enjoyed its best start to a season in quite some time. The Chiefs scored 312 runs in the first half, their most in a season's first half since 2018. Additionally, Peoria's .245 batting average is also their best first-half number since 2018.
- ♦ **Pitching Woes:** On the other hand, the Peoria pitching staff struggled throughout the first half. Peoria's 5.25 ERA is the highest posted in a single half since 2019. Though a long way to go, the Chiefs are on pace for a dubious record. A 5.25 ERA would be the highest earned run average in a single season in franchise history. Over the previous two seasons, pitching was a noted strength. The Chiefs turned in a 3.82 ERA between 2023 and 2024, the third best in the Midwest League.
- ♦ **Mr. Consistency:** Jon Jon Gazdar just keeps on hitting. Gazdar recorded three more hits last night for his fifth multi-hit game in his last six contests. The Peoria lead-off man is now third in the MWL in batting average (.316) and is hitting .393 in June. The 2024 draftee has 65 hits on the year, tied for sixth most in the league.
- ♦ **Honeyman Homers:** Travis Honeyman checked off a milestone Thursday night, socking his first High-A home run. A 2023 third-round draft choice, Honeyman provided much of the offense last night, driving in three of the Peoria runs. The outfielder has hit safely in three of four games since returning from the IL.
- ♦ **RISP-y Business:** The Chiefs have been solid with runners in scoring position for the most part in 2025 (.254, 2nd). Last night, Peoria was just 1-for-11 with RISP and left 15 men on base to tie a season high. Dating back to June 9, the first game of the road trip, the Chiefs are hitting .171 with men in scoring position. The recent struggles have been a blip on the radar for one the league's most productive offenses.
- ♦ **Take Two:** Jason Savacool takes the ball for the Chiefs in the second-half opener. Savacool is making his second High-A start on Friday. In his debut, the right-hander finished one out shy of qualifying for the win against Cedar Rapids on June 12. With Single-A Palm Beach, Savacool turned in a sparkling 1.61 ERA and allowed one earned run or less in nine of his 11 starts.
- ♦ **Long Time Coming:** The Chiefs played their first game at Dow Diamond since 2022 when they kicked off their series with Great Lakes on Tuesday. Now, the Chiefs will look for their first win at Dow Diamond in their last seven tries, dating back to August 9, 2022.
- ♦ **Looking Ahead:** When the Chiefs wrap up their two-week road trip on Sunday, they will be rewarded with some serious home cooking. Following this week's series in Midland, the Chiefs will play 21 of their next 27 games at Dozer Park in Peoria.

TOP STORIES OF 2025

- ◇ **April 6-** Infielder **Johnfrank Salazar** faced eight Quad Cities batters and took the loss for Peoria on April 6. The first baseman topped out at 88 MPH on the bump. It was the first time since September 4, 2017 that a Chiefs position player factored into a decision for the club. Sunday's game also marked the first time since 2015 that Peoria had two position players throw in the same game. **Graysen Tarlow** also recorded an out on the mound.
- ◇ **May 11-** After beginning the year on the IL, Cardinals No. 13 prospect **Chen-Wei Lin** made his High-A debut on Mother's Day. The hard-throwing Lin topped out at 101 MPH on the radar gun and recorded eight outs in his season debut.
- ◇ **May 13-** The Chiefs plated eight runs in the top of the eighth inning to score a wild 13-10 win over the Cedar Rapids Kernels. In the process, the offense did something that hadn't been accomplished by a Chiefs team in more than 20 years. All nine batters drove in a run in the victory. No player drove in more than two runs for Peoria. The Chiefs logged 18 hits in the ballgame.
- ◇ **May 18-** In Peoria's 7-1 win over Cedar Rapids, skipper **Roberto Espinoza** logged his 200th managerial win. Espinoza, who is in his first season with the Chiefs, previously managed the Johnson City Cardinals (2017-19) and the FCL Cardinals (2021-24). The 36-year-old led Johnson City to a league title in 2019.
- ◇ **May 20-** The Chiefs wore their hitting shoes in a rain-shortened 12-5 win over Dayton, mashing a single-game franchise record seven home runs. **Joshua Baez** and **Zach Levenson** each connected on a pair of homers. **Ian Petrutz**, **Brayden Jobert** and **Tre Richardson** also chipped in. The previous record was six home runs, a feat most recently accomplished in 2022 at Cedar Rapids.
- ◇ **June 8-** Peoria pushed its winning streak to five games after sweeping a doubleheader from Quad Cities at Dozer Park. The Chiefs scored 18 runs over just 12 innings of at-bats. The Chiefs swept a pair of doubleheaders from the Bandits, the first time since 2018 that Peoria took two twin bills from the same team in the same series.
