PRESIDENT & GENERAL MANAGER

TONY ENSOR

Amarillo Sod Poodles President &

Tony enters his eighth season as President and General Manager of the Arizona Diamondbacks' Double-A affiliate, the Amarillo Sod Poodles. He brings with him over 30 years of success in the game of baseball after spending 14 seasons as President and General Manager of the Milwaukee Brewers' Triple-A Colorado Springs Sky Sox. Ensor joined the Sky Sox in 2004 after 20 combined seasons in Double-A baseball. His contributions during his tenure with the Sky Sox were momentous, as he oversaw the most significant renovations and additions in the franchise's history. Under his guidance, the Sky Sox completed over $10 million in upgrades to the facility, all designed to enhance the overall fan experience and give the Colorado Springs community a top-notch facility to be proud of.

The club also achieved all-time franchise attendance records during Ensor's time in Colorado Springs, averaging over 300,000 fans for eight consecutive seasons and setting the franchise all-time season attendance mark of 350,074 in 2014. In 2017, he was a part of breaking one of the longest postseason droughts in professional sports as the Sky Sox made the playoffs for the first time in two decades. Following the 2011 season, the Sky Sox were awarded with Baseball America's prestigious Bob Freitas Triple-A Organization of the Year Award which recognizes long-term organizational excellence and community involvement.

Prior to his time in Colorado Springs, Ensor spent 15 seasons with the Birmingham Barons, Double-A affiliate of the Chicago White Sox. In his seven years as President and General Manager, the Barons made the playoffs five times and led the league in attendance in three of those seasons. While there, Ensor served as a member of the Southern League Board of Directors and the Southern League Rules and Competition Committee. A highlight in Ensor's career was running the day-to-day operations of the Barons during the historic 1994 season when Michael Jordan played his only year of professional baseball.

The 2026 season marks Ensor's 27th season as a President and General Manager in professional baseball. Tony quite literally learned baseball from the ground up, beginning his baseball career as a groundskeeper for the Chattanooga Lookouts. After spending five seasons in Tennessee, he ascended to a Director of Stadium Operations role for Birmingham in 1990. He is very active in the community and enjoys working with several local charities. Ensor served as a board member of both the Triple-A Pacific Coast League and Pikes Peak United Way and presently sits on the executive committee of the Texas League Board of Directors.

Ensor is a graduate of the University of Tennessee-Chattanooga with a bachelor's degree in Marketing. He lives in Amarillo full-time with his wife Lynn alongside his son Gehrig, daughters Grace and Amaleigh, and son-in-law Brecken Reiman.

Tony's goal is to create an entertainment value that families will not soon forget and to turn the casual visitor into a die-hard baseball fan.

ABOUT HODGETOWN

HODGETOWN, the home of the Sod Poodles, encapsulates the idea of a commonplace for the community to gather from all areas throughout the Texas Panhandle.

"HODGE" recognizes and gives thanks to Jerry Hodge, who spearheaded the effort along with other community leaders to bring affiliated, professional baseball back to Amarillo. Jerry was a family-man, pharmacist, businessman, civic leader, philanthropist, and long-time Amarillo resident that has made an amazing impact in the Amarillo community over the past 50 years. While Jerry sadly passed away in 2024, his memory lives on in the ballpark he helped bring to life.

"TOWN", defined in the Prairie Dog culture as "multiple colonies forming one large community", reflects the concept of the ballpark being a gathering place for everyone in the Panhandle to enjoy professional baseball and other events as one large community.

HODGETOWN ties together the Sod Poodles brand into the ballpark with appreciation to Jerry and tells a story that is authentically Amarillo.

HODGETOWN is located in the heart of downtown Amarillo and opened on April 8, 2019 as the newest sports and entertainment destination in Amarillo, with state-of-the-art facilities and an unprecedented commitment to quality and service. It features a full range of programming that includes professional and affiliated baseball as well as events like high school and college games, concerts, themed events, and much more. The venue plays host and brings guests from all around the nation to downtown Amarillo annually.

HOW HODGETOWN WAS NAMED

BALLPARK NAME PAIRS LONG-TIME RESIDENT AND COMMUNITY SUPPORTER JERRY HODGE WITH PRAIRIE DOG TIES

The brand "HODGETOWN" encapsulates the idea of a common place for the community to gather from all areas throughout the Texas Panhandle. The new ballpark name recognizes and gives thanks to Jerry Hodge who led the charge in helping bring professional, affiliated baseball back to the community. The ending of the name ties in the Prairie Dog roots with "town", defined as a colony of burrows connecting to form one large community.

Hodge, who was named as the 2018 Amarillo Globe-News Man of the Year, is a family-man, pharmacist, businessman, civic leader, philanthropist, and resident of Amarillo for over 60 years.

"We approached Jerry with this name because he shares the common interest of positively impacting our community and has proven so over the last 50 years," said Tony Ensor, President and General Manager of the Amarillo Sod Poodles. "This community, spearheaded by Jerry, had a dream of bringing not just baseball, but professional, affiliated baseball back to Amarillo and now that it has been brought to life, there is no better way to honor and recognize his hard work to make the dream come true than by including Jerry's name on our new home."

"When President & General Manager, Tony Ensor, first presented this name to us several months ago, Margaret and I were extremely surprised and also somewhat apprehensive," said Jerry Hodge. "But Tony made an excellent presentation and case for the name with his unyielding passion toward this ballpark and this community. We are very pleased and honored for our entire family!"

At the age of 23, Hodge purchased Maxor Drug, which was located in the downtown Fisk Building, and transformed it into Maxor National Pharmacy Services, a company that currently employs 450 people in Amarillo and 663 persons nationwide. At the age of 34, he was elected as the youngest Mayor of Amarillo. Hodge also played a vital role in establishing the Texas Tech School of Pharmacy in Amarillo, served on the Texas Board of Criminal Justice, and was instrumental in reshaping the historical Amarillo Club for future success as its doors were about to close after operating since 1947.

The naming rights partnership will include countless promotional and community affiliations throughout the Panhandle. With Hodge and other founding partners, the team recently created the "Champions for Charity" program, which supports local charities with in-kind donations.

HODGETOWN, located in the heart of downtown Amarillo, opens as the newest sports and entertainment destination in Amarillo, with state-of-the-art facilities and an unprecedented commitment to quality and service. It will feature a full range of programming that includes professional and affiliated baseball as well as events like high school and college games, concerts, themed events, and much more. The venue will play host and bring guests from all around the nation to downtown Amarillo annually.

HOW THE SOD POODLES WERE NAMED

THE SOD POODLES DIG THEIR WAY INTO AMARILLO

Amarillo's Professional Baseball Team Officially Announces Team Name as the Sod Poodles

By Shane Phillipps

The Amarillo Sod Poodles, Double-A affiliate of the San Diego Padres, unveiled their new identity program Tuesday at a press conference.

"This has been an amazing journey that we have taken with the community here in Amarillo," said Tony Ensor, Sod Poodles President and General Manager. "Our goal from the beginning was to create an iconic identity that appeals to kids and families and is unlike any other in the country. The Sod Poodle proudly symbolizes a brand that cannot be ignored and is Authentically Amarillo!"

The team name was selected after fans suggested more than 3,000 different names in a month-long name-the-team contest. The Sod Poodles, a pioneer's nickname for the "Prairie Dogs", was chosen due to its Texas pioneer ties, appeal to kids, marketability, and representing the fun of Minor League Baseball.

The primary logo features a coterie of Texas Sod Poodles defending their hometown turf. The cap logo features a Sod Poodle in the white hero's hat biting down on a stalk of prairie grass, a nod to the community's agricultural heritage. The leaning Sod Poodle is tipping his cap, representing Amarillo's welcoming hospitality. The quick-draw Sod Poodle represents the community's tenacity and tough of mind spirit. Finally, the Texas Pride mark represents the Sod Poodles' home, the great state of Texas.

Amarillo Yellow, Texas Red and Blue, and Route 66 Retro Blue make up the club's new official colors. The Sod Poodles are the first professional sports team to use this color combination.

The Sod Poodles look was brought to life at Brandiose in San Diego, where they make teams famous by celebrating their brand stories. Partners Jason and Casey invented the first glow-in-the-dark on-field cap for the Casper Ghosts and first on-field rally cap for the Altoona Curve. They dreamed up top-selling logos for the El Paso Chihuahuas, Rocket City Trash Pandas and America's oldest baseball club, the Cincinnati Reds.
"Jason and Casey have been incredible partners to work with throughout this process," added Ensor. "Together, we developed a vision of what we wanted to see and knew we had something special when they brought that vision to life."

The development process began in April when Jason and Casey along with team staff met in Amarillo with fans and community members to learn about the stories, history, and personality of Amarillo. Brandiose developed the logos, uniforms and mascot, and is dreaming up many parts of the 2019 fan experience.
"Amarillo citizens describe themselves a welcoming, genuine, and tough of mind community with a pioneer spirit," said Brandiose's Jason Klein. "They are self-sufficient, independent and family-oriented. We couldn't think of a better local animal that represents these values than a prairie dog."

The Sod Poodles will unveil their new uniforms for the 2019 season at a later date.

The Sod Poodles inaugural season will be played at their brand-new, state-of-the-art ballpark. Brandiose will help implement several other Prairie Dog-themed elements centered around the Sod Poodle brand story.

Merchandise featuring the Sod Poodles new look is available now at their temporary store located inside the Downtown Embassy Suites (550 S. Buchanan - left-side lobby area) and online at www.sodpoodles.com.

The team's inaugural home opener is set to take place on Monday, April 8, 2019, against the Midland RockHounds, Double-A affiliate of the Oakland Athletics.

HISTORY

AMARILLO SOD POODLES SIGN 10-YEAR MLB AFFILIATION WITH ARIZONA DIAMONDBACKS

Sod Poodles Enter Into New Major League Partnership With D-backs, Affiliation To Last Through 2030 Season

The Amarillo Sod Poodles organization has officially accepted the Arizona Diamondbacks invitation to join as their new Double-A affiliate. The player development agreement, which begins the 2021 season, will last through the 2030 season.

The Phoenix-based D-backs become the second MLB affiliate in the brief history of the Sod Poodles, following a two-year partnership with the San Diego Padres.

"We are thrilled to announce our new 10-year MLB partnership with the Arizona Diamondbacks!" said Sod Poodles President and General Manager, Tony Ensor. "The D-backs winning culture mixed with their top-rated farm system and a strong commitment to player development ensures our franchise and community with long-term success. We cannot wait to welcome the highly-talented D-backs prospects to Sod Poodles country with the support of the best fans in all of baseball when we return to HODGETOWN in 2021!"

"We are excited to enter into a partnership with Amarillo and once again be affiliated with the Texas League," said D-backs Player Development Director Josh Barfield. "The Sod Poodles organization and ownership group have shown a tremendous amount of support for its players and staff, which was evident in winning the league championship in its first season. We feel extremely fortunate to be associated with this first-class organization and are looking forward to a successful relationship for years to come."

With an operation filled with top position prospects and quality pitching prospects, Arizona remains in the top 10 farm system rankings coming into the 2021 season and was most recently ranked as the fifth-best in baseball by The Athletic. Four D-backs prospects are featured on MLB's most up-to-date Top 100 prospects list including Corbin Carroll, OF (No. 47), Kristian Robinson, OF (No. 55), Geraldo Perdomo, SS (No. 79), and Alek Thomas, OF (No. 81).

The D-backs organization was a part of the Texas League for a total of six seasons (1999-2004) when affiliated with the Double-A El Paso Diablos. Over the last 15 seasons, Arizona's Double-A organization has held three different affiliations in the Southern League, most recently with the Jackson Generals which started in 2017. (Tennessee Smokies, 2005-06; Mobile BayBears, 2007-16).

In 2018 and 2019, the D-backs Double-A squad won back-to-back division and Southern League championships. Over their three seasons in Jackson, the team compiled a regular-season record of 224–190 (.541).

Established in 1998, the D-backs compete in the National League West division, playing their home games at Chase Field. The franchise has won five NL West Championships (1999, 2001, 2002, 2007, 2011), one NL Wild Card (2017), one National League title (2001), and one World Series title (2001). For more information, visit www.dbacks.com.

Under the new player development structure, Minor League Baseball will feature 120 teams competing across four levels: Triple-A, Double-A, High-A and Low-A, a change from the previous structure that included 160 clubs competing across six levels.

MASCOT

RUCKUS THE SOD POODLE

RUCKUS the Sod Poodle, the official team mascot of the Amarillo Sod Poodles, has been a lovable addition to Amarillo since arriving in Amarillo in 2019. He has made downtown Amarillo his new home and loves to have fun with the biggest and best coterie of fans in baseball. RUCKUS is tough and a bit mischievous, but loves kids and likes to have lots of fun! ALTERNATE IDENTITIES

WHAT IS AN ALTERNATE IDENTITY?

Over the course of the Minor League Baseball season, teams like to shake things up and go a little bit away from the norm. One of the ways that almost every MiLB team is now participating in is an alternate identity. Essentially, every team in the minors will for a couple of games during their season to bring a fresh look onto the field by creating new uniforms for players to wear.

Typically, these identities serve the purpose of connecting the team back to the community in which they play, using fun items, iconic landmarks, or noteworthy events throughout the communities' history. Some teams have one alternate identity while others carry multiple. A common misconception on the announcements of these new looks is that the respective club is going through a rebrand. This is not the case! At it's core, it is an initiative to introduce something fresh and new while keeping the core brand of each organization intact.

From the naturally representative to the utterly ridiculous, Minor League teams across the nation have come up with some of the most unique brands in sports to offer a new and engaging way for fans to get excited about watching their favorite teams play.

POINTY BOOTS DE AMARILLO (COPA)

A celebration of fun, self-expression, and creativity, "Pointy Boots" which originated in North-Central Mexico and made their way into Texas, rose in popularity with the progression of tribal-guarachero music. The moniker honors both Amarillo's young and active hispanic population and the community's centuries-old rich heritage.

"Copa de la Diversión™" or "Fun Cup™" is a season-long event series specifically designed to embrace the culture and values that resonate most with Minor League Baseball™ teams' local U.S. Hispanic communities.

Introduced in 2021, fans can see the Pointy Boots in action every Tuesday home game throughout the season as the team dons bright, multicolored jerseys and hats that were updated prior to the 2025 season.

ALTERNATE IDENTITIES

AMARILLO CALF FRIES

The Amarillo Calf Fries debuted in 2023, becoming the first non-COPA related alternate identity in the club's history. Calf Fries are a well known delicacy in the West Texas region, making it a recognizable brand that fans locally and nationwide could get behind. The playful nature of the identity was one that was engaging, memorable, and celebratory of the traditional west in a spirited and fun way.

The successful launch of the brand in 2023 earned recognition as Minor League Baseball's best alternate identity that year. The burnt orange and light blue was a hit among fans as the merchandise rolled out the door in record speed. In collaboration with Brandiose, the creation of the Calf Fries logo was recognized as one of the best in 2023 and is still catching the eyes of fans everywhere to this day.

In order to celebrate the unveiling of the new threads, fans at the Sunday, June 4 game in 2023 took home a Calf Fries replica jersey. The alternate uniform was worn six time in 2023 and has been worn six times a year in each of the following seasons.

YELLOW CITY PIGWEEDS

The Yellow City Pigweeds debuted in 2025, introducing the club's second non-COPA alternate identity. The baby blue threads were worn six times over the course of the 2025 season and featured a rare color combination not seen very often in professional sports. In addition to a baby blue jersey with yellow script across the chest, the Pigweeds uniform is complemented by baby blue pants.

Amarillo is also know as the Yellow City, referring to the region's landscape and the Spanish translation of the word. The pigweed plant, a distinctive species commonly found in the Texas Panhandle, pays homage to Amarillo's environmental richness and resilient, ever-evolving nature.

The Sod Poodles' collaboration with Brandiose helped bring the brand to life, with the on-field cap and other Pigweeds merchandise being featured on SportsCenter's Promotion of the Week late last summer.

BORN: February 15, 1979
OPENING DAY AGE: 47
SOD POODLES TENURE: 2nd year as manager, 4th on staff

CAREER NOTES

Javier Colina returns for his second season as the Amarillo skipper after making his Sod Poodles managerial debut last year, marking the fourth in the club's history. He led the Sod Poodles to a 71-67 regular season record and a spot in the Texas League playoffs after clinching the Second Half title in the South Division with a 39-30 record. Amarillo's 71 wins in 2025 were the third-most in a Sod Poodles season in club history.

The 2026 season will be Colina's 12th year coaching in the Diamondbacks' system and fourth overall as a member of the Sod Poodles staff, having served as bench coach in 2022 and again in Amarillo's 2023 Texas League Championship season. This season will be Colina's fifth as a field manager for an Arizona affiliate, having managed the Arizona League Diamondbacks (2017), High-A Hillsboro (2019, 2024), and Single-A Visalia (2021) in addition to managing the Salt River Rafters of the Arizona Fall League in 2023. In 2019, he guided Hillsboro to the Northwest League Championship as the team's manager and was slated to return in 2020 before the minor league season was ultimately canceled due to the COVID-19 pandemic. In total, he has amassed a career managerial record of 264-287 (.479) over 551 games.

Born February 15, 1979, in San Felipe, Venezuela, Colina got his start in affiliated ball as a player in the Arizona League in 1998 where he played for the Colorado Rockies' Rookie-Level team as an infielder. Over the course of 14 seasons, he played in a total of 1,108 minor league games, mostly at the Double-A level (590 games). While he got his start in the Rockies' system, other stops along the way included affiliated ballclubs for the St. Louis Cardinals, Cincinnati Reds, and Chicago White Sox. He was a career .263 hitter and collected 235 doubles, 30 triples, 81 home runs, 519 RBI, and 70 stolen bases. Sprinkled throughout his career were seasons in the Venezuelan Winter League, the Atlantic League (Independent), and the Mexican Pacific Winter League. His final stint in professional affiliated baseball came in 2010 where he played for the Charlotte Knights (Triple-A, Chicago White Sox) in the international League.

Tommy Troy Named Texas League Player of the Week

Soddies Second Baseman Has Stellar Week, Shines Among Texas League Talent

AMARILLO, TX *(April 14, 2025)* – Minor League Baseball today announced that Amarillo Sod Poodles infielder Tommy Troy is the Texas League Player of the Week for the week of April 7 - 13. Rated as the Diamondbacks number eight prospect (MLB Pipeline), Troy ranked among top Texas League talent in multiple offensive categories over Amarillo's most recent home series against the Springfield Cardinals (Double-A, St. Louis Cardinals).

In six games at HODGETOWN, Troy started all six games, locking down second base in five contests while slotting in as the designated hitter on Sunday afternoon. Over those six games, he batted an impressive .524 (11-for-21) while reaching base safely 22 times over 32 plate appearances. He led the Texas League in runs (10), walks (10), and on-base percentage (.688) while placing second in OPS (1.498), tied for second in doubles (3), third in batting average (.524) and fifth in slugging percentage (.810).

A recent call-up as part of the Sod Poodles Opening Day roster, he launched his first Double-A home run on April 9, a solo blast in the bottom of the fourth off Cardinals pitcher Nathanael Heredia. The homer was part of a 3-for-5 performance at the dish that night in which he scored two runs, drove in two, and walked once. Later in the week, he posted the first Sod Poodles four-hit game of the year, a feat that was only accomplished by 11 Sod Poodles last season. The April 12 performance also saw him score three runs while collecting two doubles in Amarillo's 15-3 win on Saturday night. He followed up his run-scoring spree the next day by scoring another three times in the Sod Poodles' 12-run output in the Sunday series finale on April 13.

Troy becomes the first Sod Poodle to win Texas League Player of the Week since A.J. Vukovich in which he batted .409 (9-for-22) with five extra-base hits and four games with multiple knocks from August 19 - 25, 2024. He currently holds a five-game hit streak, the longest active streak on the team and has reached base safely in eight straight games dating back to April 5. He also holds the longest active run streak in the Texas League, scoring at least once in five straight games.

Dylan Ray Named Texas League Pitcher of the Week

Soddies Starter Spins Dominant Performance on Saturday Night to Earn Weekly Honors

AMARILLO, TX *(May 5, 2025)* – Minor League Baseball today announced that Amarillo Sod Poodles right-handed pitcher Dylan Ray is the Texas League Pitcher of the Week for the week of April 29 - May 4. Rated as the Diamondbacks number 20 prospect (MLB Pipeline), Ray shined among top Texas League talent over Amarillo's most recent road series against the Midland RockHounds (Double-A, Athletics).

In his Saturday night start on May 3 against the RockHounds, Ray spun six innings of shutout ball, allowing only two hits while striking out eight Midland batters on Amarillo's way to a 4-0 win. He retired nine batters in a row after allowing a pair of baserunners to open the fourth and finished his evening on the hill with his second winning decision of the year. His six frames of work matches a season high while his eight punchouts are the most he has tallied in a game this season. It was his first quality start since August 8, 2024 when he allowed three runs in six innings at HODGETOWN against Northwest Arkansas (Double-A, Kansas City Royals), striking out five Naturals that evening.

Among Texas League pitching, Ray was one of only two pitchers (Henry Baez, San Antonio) to record at least six shutout innings in a game during the week. He is also now one of two pitchers in the Texas League this season to allow no more than two hits while not issuing a walk over at least six shutout innings. He continues to dominate against left-handed hitting this season as he retired all eight lefties he faced on Saturday. For the year, lefties are batting .136 (6-for-44) with 10 strikeouts and a .493 OPS against him.

Ray becomes the first Sod Poodle to win Texas League Pitcher of the Week since Billy Corcoran who started two games from May 28 - June 2, 2024 where he tallied 12 innings while allowing one run on three hits, two walks, and striking out nine batters. It is the first time Ray has been recognized since winning Northwest League Pitcher of the Month for July 2023 with the Hillsboro Hops. For that month, he made four starts, totaling 25 innings of work where he allowed two runs on 13 hits while striking out 26 batters, earning the win in all four. To close out the month, he spun seven scoreless innings, striking out eight batters while allowing two hits and two hit batters on July 27 against Tri-City (High-A, Los Angeles Angels).

Ryan Waldschmidt Named Texas League Player of the Week

Soddies Center Fielder Has Outstanding Week, Shines Among Texas League Talent

AMARILLO, TX *(August 18, 2025)* – Minor League Baseball today announced that Amarillo Sod Poodles outfielder Ryan Waldschmidt is the Texas League Player of the Week for the week of August 12-17. Rated as the Diamondbacks number two prospect and the number 69 overall prospect across Major League Baseball (MLB Pipeline), Waldschmidt ranked among top Texas League talent in multiple offensive categories over Amarillo's most recent home series win against the Corpus Christi Hooks (Double-A, Houston Astros).

In six games at HODGETOWN, Waldschmidt started all six games in center field. Over those six games, he batted an impressive .524 (11-for-21) and slugged five home runs, checking in with two separate multi-homer efforts during the stretch. Among Texas League batters for the week, he ranked first in home runs (5), RBI (11), slugging percentage (1.286), OPS (1.929), extra-base hits (6), total bases (27), and runs (10), propelling the Amarillo offense to a 4-2 series win over the Corpus Christi Hooks. He also reached base at a .643 clip, drawing seven walks over the six games at home.

Coming into the week with only one home run over his first 37 games as a Sod Poodle this season, he mashed a solo home run on August 14 to left-center field that traveled 421 feet. He checked in later that night with a three-run blast that gave him his first multi-home run game of his professional career. After crushing a two-run bomb and scoring four runs the following night in the Sod Poodles' 12-6 win, he added another multi-home performance to his game log on Saturday night with long balls in the first and ninth innings.

He is the only Amarillo batter this year to have multiple 2+ homer games and the first to go deep in three straight games since Kristian Robinson smacked one in each game he played between April 22-26 earlier this year. His five home runs over a three-game stretch are the most any Sod Poodle has had in any three-game span in club history. He also became one of two Texas League players this season to have three straight games with at least three hits (Colby Halter, Midland).

Waldschmidt is the second Sod Poodle to win Texas League Player of the Week this season and the third Sod Poodles overall to take home weekly Texas League honors this year, joining Tommy Troy (April 8-13) and Dylan Ray (April 29-May 4). Over his last 20 games (since July 24), he is batting .329 (24-for-73) with 22 runs scored, nine extra-base hits, 18 RBI and a 1.056 OPS. With 24 games remaining in the regular season, Waldschmidt's hot stretch could prove instrumental on Amarillo's run to the Texas League playoffs.

Ryan Waldschmidt Named Texas League Player of the Month

Soddies Center Fielder Has Remarkable August, Highlights Amarillo Lineup In Second Half Pennant Chase

AMARILLO, TX *(September 4, 2025)* – Minor League Baseball today announced that Amarillo Sod Poodles outfielder Ryan Waldschmidt has been named the Texas League Player of the Month for August. Arizona's top prospect and the number 67 overall prospect across Major League Baseball (MLB Pipeline) had an outstanding month at the dish and in the field, becoming an instrumental piece in the Amarillo batting order amidst the Sod Poodles race towards the postseason.

Appearing in 26 of Amarillo's 27 August games, Waldschmidt was a stalwart at the top of the Sod Poodles order, primarily batting second as the club's center fielder. For the month, he batted .371 (36-for-97) while leading the Texas League in hits (36), runs (28), OBP (.504), and OPS (1.143) while tying for first in walks (24) and tallying nine multi-hit performances. He also ranked second in batting, stolen bases (12), and SLG (.639).

In total, he amassed 13 extra base hits with six going for home runs, driving in 17 runs in the process. Five of his six bombs were launched over a three-game span from August 14-16, a stretch that featured a pair of multi-homer efforts, the only two multi-homer performances of Waldschmidt's career. The five blasts were the most by a Sod Poodle in any three-game stretch in franchise history and his performance that series against Corpus Christi (Double-A, Houston Astros) yielded him Texas League Player of the Week honors.

Waldschmidt proved to be a difficult out at the plate for opposing pitchers and took advantage of his time on the basepaths, reaching base in just over half of his plate appearances. His rate was due in large part to the 24 walks he drew in August, a new Amarillo record for the most in a single calendar month. He also made Sod Poodles history by scoring more runs (28) than any other Amarillo batter in a month. His 12 stolen bases are the second most in a month in club history, trailing only Nick Dalesandro (13, June 2022).

The center fielder joined exclusive company not just in Amarillo or Texas League history, but across Double-A baseball. With data available as far back as 2005, he is one of two Double-A players to post a month with 5+ home runs, 5+ doubles, 20+ walks, and 10+ stolen bases, joining Chris Young of the Birmingham Barons (Chicago White Sox) who reached those benchmarks across 32 games in August 2005.

The University of Kentucky product is the first Sod Poodle to take home monthly honors since Deyvison De Los Santos won Texas League Player of the Month for April last year. With Waldschmidt's announcement this afternoon, a Sod Poodle has taken home at least one monthly award in each of the last four seasons.

LuJames Groover Named to 2025 MLB All-Star Futures Game Roster

Amarillo Third Baseman Selected to Participate In MLB All-Star Week In Atlanta

AMARILLO, TX *(June 30, 2025)* – Major League Baseball today announced that Amarillo Sod Poodles infielder LuJames Groover was selected to the 2025 MLB All-Star Futures Game roster, taking place during MLB All-Star Week in Atlanta. Ranked as Arizona's number 10 prospect (per MLB Pipeline), Groover will make the trip to the Peach State to represent the Diamondbacks farm for this year's version of the contest.

The 26th edition of the Futures Game will be played at 4:00 p.m. (ET) on Saturday, July 12th at Truist Park in Atlanta, and will be followed by the 2025 All-Star Celebrity Softball Game presented by Geico. The game, which is scheduled for seven innings, will once again feature a National League vs. American League format. Major League Baseball, in conjunction with MLB Pipeline, Baseball America and the 30 Major League Clubs, selected the 25 players named to each team. Each Major League organization is represented and players from all player development leagues were eligible to be selected.

A member of Amarillo's 2025 Opening Day roster, Groover has been a staple in the starting lineup for the Sod Poodles, appearing in 67 games this season. He ranks among top Texas League talent this year in multiple offensive categories, including hits (2nd, 78), batting (2nd, .301), slugging (4th, .471), OPS (5th, .848), and home runs (t-6th, 10). In the Diamondbacks Minor League system, he ranks third in hits and is one of seven Arizona farmhands to hit the double-digit mark in home runs this year.

Anchoring the hot corner this season, Groover started off the season strong, rattling off an eight-game hitting streak as Amarillo's third baseman, batting at a .371 (13-for-35) clip with four multi-hit efforts over that span. A second round pick by the Diamondbacks out of North Carolina State University in 2023, he launched two home runs in game two of a doubleheader on April 26 at home against San Antonio. He is also only one of two Sod Poodles this year to reach base five times in a game and the only Texas League batter to do it in two separate contests with both instances occurring in the same week (June 22, June 27).

A native Georgian, he becomes the sixth Sod Poodle to make the Futures Game roster, joining Adrian Morejon (LHP, 2019), Alek Thomas (OF, 2021), Corbin Carroll (OF, 2022), Jordan Lawlar (INF, 2023), and Ryan Bliss (INF, 2023). All four position players to take part in the Futures game in their respective years were etched into the starting lineup for that year's edition of the game.

Groover will be joined by Slade Caldwell as the representatives from the Arizona Diamondbacks organization for the game. Caldwell, the second-ranked prospect (per MLB Pipeline) in the organization and a 2024 first round selection, started the season at Single-A Visalia and was called up to High-A Hillsboro on June 10. The left-handed hitting outfielder is batting .267 (59-for-221) with 15 doubles, three triples, three home runs, 60 walks and 19 stolen bases across 67 games between both levels.

Bratt, Groover, Troy Named 2025 Texas League All-Stars

Trio Of Soddies Earn All-Star Honors For Remarkable Season Performances

AMARILLO, TX *(September 23, 2025)* – Minor League Baseball today announced the league awards and All-Star teams for the Texas League. Among top talent across Minor League Baseball were three players who represented the 2025 Sod Poodles squad as Tommy Troy, LuJames Groover, and Mitch Bratt all earned All-Star nods. All three of these Soddies played instrumental roles in Amarillo's run to the postseason and had remarkable seasons at their respective positions.

The highest-ranking Arizona Diamondbacks prospect to earn All-Star honors is Tommy Troy, coming in as the 5th-ranked prospect in the system (per MLB Pipeline). A stalwart at second base, Troy was on Amarillo's 2025 Opening Day roster. Over 87 games as a Sod Poodle, he batted .286 (98-for-343) with 56 runs scored, 34 extra-base hits, 12 home runs, 47 RBI, 21 stolen bases and an .843 OPS. He took home Texas League Player of the Week on April 14 after the Stanford product batted .524 (11-for-21) with 10 runs, 10 walks and a 1.498 OPS over six games against Springfield (Double-A, St. Louis Cardinals). The California native and 2023 first-round draft selection had several stellar performances, including his first career multi-homer effort on May 28 and two games where he stole three bases. A consistent stick in the Sod Poodles lineup, he put together two separate 13-game hitting streaks, both the longest by a Sod Poodle this season and the only Double-A player this year to have two different hitting streaks of 13 or more games.

The Texas League batting champion also received an All-Star nod as third baseman LuJames Groover earned the honor by amassing a .309 (145-for-470) average for the season. His hits mark of 145 ranks as the second-most by a Sod Poodle all-time for a single season, trailing only Owen Miller (147, 2019). Groover also represented the Diamondbacks organization in the Futures Game that took place in Atlanta, Ga. on July 12 during MLB All-Star Week. With data available back to 2005, the NC State product is only the third Double-A batter to reach base safely five times in a game on five separate occasions over the course of a single season. A native Georgian, he had a knack for getting on base and limiting strikeouts, posting a Texas League best .399 OBP while boasting a .797 BB/K ratio, good for third-highest among qualified Texas Leaguers. A 2023 second-round draft choice by Arizona, he comes in at number 10 in the organization's top prospect list.

A late addition to the Sod Poodle roster, Mitch Bratt was named an All-Star as a starting pitcher. The lefty pitched most of the 2025 campaign for the Frisco RoughRiders (Double-A, Texas Rangers), but was a part of a trade in late July that sent Bratt to the Panhandle along with several other Rangers prospects that were placed at other levels in the Arizona farm system. Across 24 games (23 starts) between Frisco and Amarillo, Bratt posted a 7-4 record with a 3.38 ERA over 122.1 innings pitched. A native Canadian, he led the Texas League with 148 strikeouts while ranking third among qualified pitchers in WHIP (1.17) and ranking fourth in ERA. A 2021 fifth round pick by the Rangers out of Georgia Premier Academy in Statesboro, Ga., he posted his best start in a Soddies uniform on August 26 where he spun seven one-run innings, allowing only two hits and striking out eight Northwest Arkansas (Double-A, Kansas City Royals) batters. Bratt also took the ball for game one of the Texas League South Division Series against Midland (Double-A, Athletics).

Jason Floyd, Jason Cassannello Earn Groundskeeper and Home Clubhouse Manager of the Year Awards

Efforts, Dedication From Sod Poodles Staff Earns Texas League Honors

AMARILLO, TX *(November 11, 2025)* – Minor League Baseball and the Amarillo Sod Poodles today announced that staff members Jason Floyd and Jason Cassannello were named the Texas League's Groundskeeper of the Year and Home Clubhouse Manager of the Year for 2025, respectively.

His fourth year with the Sod Poodles, Jason Floyd brings decades worth of experience to the table to make sure the HODGETOWN playing surface is not just up to MLB standards, but in premier shape over the course of nearly a sixth-month season. A physically and mentally demanding position across baseball, groundskeepers carry a lot of responsibility and are faced with many challenges, but Floyd handled it all with excellence.

"Since joining the Sod Poodles in 2022, it has always been our goal to give the team the best playing surface day in and day out," said Floyd. "This award is validation of the work that our entire crew puts in all season long as well as being part of an organization that does what it takes to be the best. I couldn't do what I do without my team and the rest of the staff that support everything we do on the field. Thank you for everything!"

An aspect of baseball operations not seen by public eyes is what goes on inside the home and visiting clubhouses. Dealing with the nuances involved in the upkeep and maintenance of the clubhouse is no simple task, and Jason Cassannello's efforts as the Home Clubhouse Manager for the Sod Poodles are reflected in the respect he has garnered from the front office and around the league.

"I'm very thankful for this honor," said Cassannello. "It is definitely a team effort with a lot going on behind-the-scenes on a day-to-day basis and while my name is on the award, it's a recognition of much more than myself. I get to work with a lot of great people that have all played a supporting role in making sure our guys are properly taken care of."

Minor League Baseball selected one groundskeeper, one home clubhouse manager, and one visiting clubhouse manager from each league across full-season Minor League Baseball using the results of surveys of managers, players and executives throughout the 2025 season. Both Floyd and Cassannello are receiving their respective awards for the first time since joining the Sod Poodles.

"We are very lucky to have both Jason Floyd and Jason Cassannello on our staff as seasoned veterans in very unique positions," said Sod Poodles President and General Manager, Tony Ensor. "These are challenging roles that deal with obstacles that most people are not accustomed to and on top of that, we hold all our staff members to high standards here in Amarillo. Both men surpassed those expectations, so to see the hard work they do get rewarded and recognized is really special."

CLUB HISTORY

2019 PLAYOFFS

2019 TEXAS LEAGUE SEMIFINALS SERIES

GAME 1 *Sept. 4, 2019* *HODGETOWN*

It was a season of firsts for the Amarillo Sod Poodles in 2019. Not only was it the franchise's inaugural season, but the team on the field played its way into even more firsts– Amarillo would not have to wait to get a taste of postseason baseball, as the Soddies finished with a 72-66 record, good enough for a second place finish in the overall Texas League South Division standings.

Amarillo's first playoff game would be its first home playoff game, as the Sod Poodles opened the best-of-five Semifinals series hosting the Midland RockHounds at HODGETOWN.

However, the visitors quickly spoiled the party. After a scoreless first and second innings, the RockHounds exploded for five runs in the top of the third. Two runners scored on the same Lake Bachar wild pitch, which Midland followed up with a Taylor Motter two-run homer and Greg Deichmann RBI double. After blanking the Soddies in the bottom of the third inning, the RockHounds added two more runs on another home run, this one by Nate Mondou, to extend their lead to a sizeable 7-0 advantage.

The Amarillo lineup tallied 11 hits off Midland starter Matt Milburn, but could only cash in on one hit in six at-bats with runners in scoring position. Millburn wasn't invincible, as he allowed three earned runs in his 7.0 innings pitched, with two coming on solo shots by Hudson Potts and Taylor Trammell and the last from a Taylor Kohwely RBI double.

Seth Martinez shut the door for the RockHounds in relief of Millburn, turning in two hitless innings as Midland secured a Game 1 victory 8-3.

GAME 2 *Sept. 5, 2019* *HODGETOWN*

Looking to even the series after dropping Game 1 the previous night, the Soddies lineup was once again no match for the Midland staff in Game 2 of the Texas League Semifinals.

This game followed a similar script, as the RockHounds struck first after three singles and a walk opened the top of the third inning to give the visitors a 1-0 lead. Midland padded their cushion in the fourth and sixth innings as Greg Diechmann continued his propensity for extra-base hits at HODGETOWN, going deep twice and driving in three runs as the RockHounds led 4-0 after 5 ⅓ innings.

Amarillo reached base eight times against Midland starter Kyle Friedrichs, but only one crossed home from Edward Olivares' solo homer in the six innings the right-hander was on the mound. The RockHounds saw no drop-off yet again when the ball was turned over to their bullpen, as Tyler Alexander and Jesus Zambrano combined for one hit over the final three frames to shut the door.

A successful first season for the Soddies looked certain to end, as Amarillo faced elimination with the series shifting to Security Bank Ballpark.

GAME 3 *Sept. 6, 2019* *Security Bank Ballpark*

Another game in the Semifinals series meant another early lead for Midland, except this time Midland took control in the bottom of the first inning on a Taylor Motter RBI single.

However, just like it did in Games 1 and 2, fortune favored the visitors.

The Soddies held the RockHounds to that lone run in the first and responded with one of their own in the top of the third thanks to an Ivan Castillo RBI groundout. Following a shutdown inning from starter Kyle Lloyd, Amarillo took a lead for the first time in the series in the fourth when a double from Hudson Potts drove in Owen Miller. The Sod Poodles created more distance in the top of the seventh inning when the lineup kept passing the baton, as Brad Zunica, Buddy Reed, and Taylor Trammell strung together consecutive RBI hits and put Amarillo up 5-1

The Soddies rode Lloyd for as far as he could take them, which wound up being 7.2 innings on 104 pitches as he allowed two earned runs on seven hits and two walks. Midland and Amarillo traded one run each in the bottom of the seventh and top of the eighth, and Elliot Ashbeck finished the job for the Sod Poodles by recording the last four outs.

Amarillo lived to see another day, but needed to win Game 4 to keep its season afloat.

2019 TEXAS LEAGUE SEMIFINALS SERIES

GAME 4 *Sept. 7, 2019* *Security Bank Ballpark*

For the first time in the Semifinals series, Amarillo scored first.

And for the second night in a row, The Sod Poodles got a gutsy performance from its pitching staff when the needed it most and forced a decisive Game 5.

Jesse Scholtens took the bump for Amarillo and was masterful over 5.2 innings pitched, shutting out Midland and striking out seven RockHounds while allowing just four hits and one walk. The zeroes in the home half of the run column allowed the Soddies offense to build a lead, starting before Scholtens even threw a pitch.

Amarillo loaded the bases in the top of the first inning on two singles and a walk, putting Ivan Castillo 90 feet from home. A wild pitch from Midland starter Mitchell Jordan brought Castillo in and gave the Sod Poodles a 1-0 lead. The visitors tacked on a pair of runs in the fourth on Peter Van Gansen's base hit, and after the RockHounds finally got on the board in the bottom of the seventh inning, Owen Miller and Luis Torrens added insurance runs in the top of the eighth to put Amarillo up four.

There was little dropoff once the Sod Poodles went to the bullpen, as three relievers combined to allow one earned run on two hits, with the only score coming in the home half of the seventh inning on a Chase Calabuig RBI single.

Just as Midland did, Amarillo stole two games on the road and needed one more win for the chance to play for its first Texas League title.

GAME 5 *Sept. 8, 2019* *Security Bank Ballpark*

In a win-or-go-home scenario, it was the Sod Poodles who seized the moment and took down the Midland RockHounds in a 7-5 final to clinch the franchise's first Texas League Championship Series appearance.

Amarillo jumped all over Midland starter James Naile in the top of the second inning, chasing him from the game before he could record an out in the frame. The Sod Poodles started their rally with hits from Luis Torrens and Hudson Potts, and Brad Zunica drew a walk to load the bases. Kyle Overstreet promptly cleared the bases with a three-RBI double and the hit parade continued as Buddy Reed singled in the fourth run of the inning in the next at-bat. An error on a sacrifice bunt by Taylor Trammell where both runners were safe ended Naile's afternoon, but the RockHounds bullpen could not stop the bleeding. Tyler Alexander gave up a three-run home run to Ivan Castillo, the first batter he faced before settling in for the rest of his outing. It was too little too late, as the seven-run second was enough to keep the Soddies up for good

Midland didn't go down quietly, putting up four runs in the fifth and bringing the deficit within two runs in the sixth. However, Jordan Guerrero and Travis Radke put a halt on the RockHounds comeback attempt, holding the South Division champs hitless and combining to record the last nine outs.

The Sod Poodles staved off elimination three times in the best-of-five series where the home fans never left happy, but there was plenty of celebration for the Sod Poodles. They moved on to face the Tulsa Drillers in the Texas League Championship Series.

2019 TEXAS LEAGUE CHAMPIONSHIP SERIES

GAME 1 *Sept. 10, 2019* *HODGETOWN*

Following a day off, the Sod Poodles returned home and continued their playoff hot streak, taking Game 1 of the 2019 Texas League Championship Series over the Tulsa Drillers 13-6.

However, there wasn't always breathing room for Amarillo in this contest. Despite taking a 5-1 lead after four innings, the Soddies saw their lead dwindle until it vanished in the top of the eighth inning. Down 6-3, a Jeter Downs single and Chris Parmalee walk brought the tying run to the plate. Amarillo brought in fresh right-hander Elliot Ashbeck to face Connor Wong, who got the best of the matchup and crushed a game-tying three-run homer over the left center field wall, the fourth Tulsa long ball of the night.

Not willing to lose another home playoff game, the Amarillo bats responded immediately in the bottom half of the frame. Buddy Reed and Taylor Kohlwey reached base to start the frame and were moved into scoring position on a sac bunt by Taylor Trammell. The Drillers chose to intentionally walk Ivan Castillo to get to Edward Olivares, which proved to be a fatal mistake. He cleared the bases with a 3-run double to the opposite field that put the Soddies on top for good.

Amarillo added four more runs in the eighth for good measure, while Evan Miller prevented any more comeback attempts by Tulsa by pitching a perfect ninth inning.

GAME 2 *Sept. 11, 2019* *HODGETOWN*

HODGETOWN proved to be another high-run environment following Amarillo's 13-6 Game 1 win the night before, but the Sod Poodles found themselves on the wrong side of a slugfest.

There was action early and often in Game 2, with Tulsa plating three runs in the top of the first inning and Amarillo responding with eight of their own. The Sod Poodles lead was short-lived, as the Drillers drove in six runs in the second inning and never looked back. The visitors put up crooked numbers on the scoreboard in the first three innings as well as in the eighth and ninth. While Amarillo could navigate around four Tulsa homers in Game 1, nine long balls by the Drillers proved to be too much.

In all, both teams combined for 27 runs on 26 hits. Jeter Downs was responsible for three of Tulsa's homers while Donovan Casey had two roundtrippers. For Amarillo, Taylor Trammell went 2-for-5 with a home run and 3 RBI. Edward Olivares also had a nice night at the plate, reaching base four times and driving in a pair.

GAME 3 *Sept. 13, 2019* *ONEOK Field*

After a much-needed travel day for both pitching staffs, the 2019 Texas League Championship Series shifted to ONEOK Field. Although Games 1 and 2 were defined by offensive output, Game 3 was a complete change of pace. Amarillo would drop a pitcher's duel by a score of 2-0, once again putting the backs of the Sod Poodles against the wall for the remainder of the series.

Kyle Lloyd made his second start of the postseason for the Soddies, and continued his excellence in seven strong innings of work. However, Markus Solbach was even better for Tulsa. The game was deadlocked until the bottom of the sixth inning, as Jeter Downs extended the frame with a two-out single, bringing up Connor Wong. Already having one clutch home run in Game 1, the Drillers third baseman outdid himself with a go-ahead, two-run homer to left field, which would be all his team needed to take a 2-1 series lead.

Solbach continued to quiet the Amarillo bats, which had gotten relatively cold since the second inning of Game 2. The 6'5" right-hander struck out six and walked none, only allowing four hits over eight shutout innings. Nolan Long was brought in for the save in the top of the ninth inning, and although the Sod Poodles threatened by putting two runners on after being down to their last out, Luis Torrens popped out to the second baseman to end the game.

GAME 4 *Sept. 14, 2019* *ONEOK Field*

Having already come up victorious in three elimination games in the Semifinals series, the Sod Poodles must have felt comfortable back in the same scenario in Game 4 of the Championship Series. After being held to one run over its last 17 innings, the Amarillo offense got off to an early start and a rejuvenated pitching staff continued to thrive as the Soddies forced another game to decide who would hold the Texas League title.

The jolt of energy in the Soddies lineup came in the top of the first inning as Ivan Castillo went deep in the second at-bat of the game to put Amarillo up 1-0. Buddy Reed followed suit in the second, blasting a solo shot of his own to double the Sod Poodles cushion.

Jesse Scholtens was given the ball for another Game 4 start with his team's season on the line and repeated the same outcome from the Semifinals. He tossed five shutout innings this time, blanking Tulsa on five hits and three walks. He gave way to the proven relief tandem of Jordan Guerrero and Travis Radke, who each gave up one hit apiece as they combined for the last four innings. Amarillo added an insurance run on a throwing error in the top of the sixth, and Radke completed a seven-out save to even the series at 2-2.

GAME 5 *Sept. 15, 2019* *ONEOK Field*

In the final game of the Texas League season, a Championship Series that already saw late-inning drama, slugfests, and pitcher's duels would find a way to top itself.

Edwin Uceta, Michael Boyle, and Luis Vazquez combined to hold the Sod Poodles bats at bay through the first seven innings while Tulsa was able to break through once Amarillo went to the bullpen. After starter Aaron Leasher matched Uceta with 4.0 scoreless innings, Lake Bachar surrendered three earned runs in his three innings of relief. Jeter Downs continued to terrorize the Soddies, as he opened the scoring for the Drillers with an RBI single in the sixth and cranked a two-run homer his next time up in the seventh. Amarillo could only get one of those runs back in the top of the eighth inning when Luis Torrens drew a bases-loaded walk.

Down 3-1 in the top of the ninth inning, Amarillo needed to string something together against Nolan Long, who was brought in by Tulsa for the save. Command issues plagued him that afternoon, as he issued walks to the first two batters he faced. Peter Van Gansen continued to put pressure on the Drillers with a perfectly placed pinch-hit bunt single that loaded the bases with nobody out and turned the Sod Poodles lineup over. Taylor Trammell stepped up to the plate next and turned the game completely on its head, as he launched a grand slam over the right field fence, giving Amarillo its first lead of the contest

The Sod Poodles added insurance runs on another huge home run, this one from Hudson Potts to put Amarillo up five. With all the momentum swung in favor of the Soddies, Travis Radke put an exclamation point on the franchise's first Texas League championship, tossing a perfect ninth inning and striking out Drew Avans looking for the final out.

2023 TEXAS LEAGUE DIVISION SERIES

GAME 1 *Sept. 19, 2023* *HODGETOWN*

San Antonio struck first in the opening game of the 2023 championship run, putting up two in the first and eventually took a 5-0 lead by the third inning of play.

Tim Tawa got the Sod Poodles on the board with a solo blast to center in the bottom of the third. San Antonio's Cole Cummings and Amarillo's Kristian Robinson traded home runs in the fourth, cutting the deficit to 6-3. A blank fifth inning kept Amarillo in striking distance, and all it took was one pitch to even the score in the sixth, as Caleb Roberts launched the first pitch he saw from new pitcher CD Pelham for a three-run home run, Amarillo's third long ball of the night.

With the game tied at six apiece, the Missions took advantage of a throwing error to go back on top by a run in the top of the eighth. With their backs against the wall, Seth Beer hit a solo home run in the bottom of the ninth, sending the game to extras at 7-7.

The Missions grabbed a pair in the top of the tenth, but a walk extended the inning, leading to a two-out, three-run blast that gave San Antonio a five-run advantage.

Jancarlos Cintron started a valiant comeback attempt by reaching base for the fifth time, turning Amarillo's lineup back to the top of the order where Camden Duzenack dumped a ball into shallow right field to load the bases. Tawa was robbed of extra bases as Korry Howell made a leaping grab in front of the short wall in right, limiting the Soddies to a sacrifice fly to cut it to four. With two outs, Roberts hit his second home run of the night to bring Amarillo within a run. Cleanup batter A.J. Vukovich put a charge into the ball, but not enough as a flyout brought an end to the game of the year at HODGETOWN.

GAME 2 *Sept. 21, 2023* *Nelson Wolff Stadium*

The job was clear for the Soddies: win two road games in San Antonio to advance to the Texas League Championship Series.

Amarillo picked up the first win in game two, defeating the Missions 7-4. Three different Sod Poodles left the yard in the victory, with Seth Beer's solo shot setting the tone in the second inning. After a sac fly and throwing error added two runs in the fourth, Amarillo was looking for more insurance to put the game in hand. Deyvison De Los Santos did just that, delivering a go-ahead, two-out, three-run homer to give the Soddies a commanding 6-0 advantage.

On the mound, Yilber Diaz turned in a strong 5.1 innings, earned the win, allowed two runs and struck out seven. The 20th rated prospect in the D-Backs system worked around seven hits and a walk to give Amarillo control of the game. He turned the ball over to Emailin Montilla, who worked 1.2 shutout innings with three strikeouts, keeping San Antonio's bats at bay.

Christian Montes De Oca entered in the eighth and recorded a perfect frame. However, the Missions didn't back down and attempted to rally in the ninth trailing by five. Two walks and a hit batter loaded the bases for San Antonio, but Montes De Oca managed to get two outs before allowing any runs. Amarillo went to the bullpen, looking for Jake Rice to record the 27th out. The Missions scratched across two runs on a single and a bases-loaded walk cutting the deficit to three, Rice locked in, got a fly out to give the Sod Poodles the win and extend the Division Series to a decisive third game.

GAME 3 *Sept. 27, 2023* *Nelson Wolff Stadium*

Behind a four-run fourth inning, the Sod Poodles defeated the Missions 6-3, won the Division Series and punched their ticket to the 2023 Texas League Championship Series.

For the first time in the three-game tilt, San Antonio scored first, taking a 1-0 lead in the second stanza. After zeros in the third inning, the Soddies went to work in the eventful fourth.

Amarillo sent eight batters to the plate, with Beer, De Los Santos and Jancarlos Cintron delivering run-scoring extra-base hits in the frame. Beer doubled in A.J. Vukovich to tie the game, followed by De Los Santos' two-bagger to drive in Beer. After a fielding error that sent De Los Santos to third and a Kristian Robinson walk, Juan Centeno laid down a sacrifice bunt to bring De Los Santos across home for a 3-1 lead. Cintron capped the big inning with a RBI triple, scoring Robionson as the fourth run of the inning.

San Antonio battled back with one run in the fourth and fifth innings, narrowing the score to 4-3. Robinson extended the lead with a run-scoring single in the sixth, while Tim Tawa provided the final bit of insurance with a ninth-inning RBI single.

Starter Raffi Vizcaino hurled three innings of one-run baseball before giving way to the bullpen. Four Amarillo pitchers combined to throw the remaining six innings, with Conor Grammes earning the win over 1.2 innings pitched as he gave up two runs, one earned as the first reliever. Holds by Carlos Meza and Michel Otanez set up Taylor Rashi to finish things off with two scoreless innings for the save. His third strikeout ended the game and the series for Amarillo, but the job wasn't finished: a Texas League crown was now up for grabs.

2023 TEXAS LEAGUE CHAMPIONSHIP SERIES

GAME 1 *Sept. 24, 2023* *Dickey-Stephens Park*

Timely hitting and strong pitching secured a 3-2 victory over the Arkansas Travelers in North Little Rock, Arkansas, putting Amarillo one win away from the Texas League title.

The Travelers broke a deadlock in the third with a solo home run to take an early 1-0 lead. The next half inning, Amarillo went to work, With two outs, Kristian Robinson doubled home Seth Beer on a hit just inside third base, knotting up the score. On a ground ball that should have ended the inning, the Sod Poodles took advantage of a throwing error to seize the lead, one they never relinquished.

Deyvison De Los Santos added an RBI double in the sixth inning to push the lead to 3-1, a run that would prove crucial in the ninth.

Arizona's No. 25 prospect Dylan Ray provided 4.1 innings of one-run baseball before the bullpen took over. Ray struck out five in his outing. Jake Rice earned the victory by coming in a huge spot in the bottom of the fifth. With the bases loaded and one out, the big lefty got back-to-back strikeouts, getting out of the huge jam and allowing Amarillo to keep the lead. Rice recorded a clean sixth, while Michel Otanez navigated a 1-2-3 seventh.

The Travelers managed an RBI single to pull within one in the final inning and looked to tie or even win the game. Christian Montes De Oca had other ideas, completing a six-out save with an inning-ending, game-ending 6-4-3 double play.

The Soddies headed back to HODGETOWN looking for one win in two opportunities for the chance to be a part of history.

GAME 2 *Sept. 26, 2023* *HODGETOWN*

A back-and-forth affair was decided in the ninth, as the Arkansas Travelers forced a winner-take-all third game in a 6-5 win at HODGETOWN.

Camden Duzenack was responsible for Amarillo's 1-0 advantage with his solo shot to left field to leadoff the game. The Soddies remained in front until the Travelers mashed back-to-back homers in the fourth and used a two-run single and a balk to score three in the fifth, giving Arkansas a 5-1 lead.

Juan Centeno led off the bottom half of the fifth with a homer to cut the deficit to three, the Soddies first hit since the first inning. A Tim Tawa RBI groundout made it 5-3 Travelers headed to the sixth frame.

In the seventh, Amarillo used situational hitting to plate a run, as a leadoff double, groundout and a Tim Tawa single brought home Cintron to make the score 5-4 Arkansas. After Rice's clean eighth inning, Seth Beer sent HODGETOWN into a frenzy with his third home run of the postseason, putting the game all even at 5-5.

The commotion did not last long, as Arkansas' Leo Rivas swung the momentum back to the Travelers. He led off the top of the ninth with a go-ahead solo home run to give Arkansas a 6-5 lead. Closer Taylor Rashi avoided any more damage, getting a called strike three with the bases loaded to give the Soddies life in the bottom half. Arkansas sat down Cintron, Duzenack, and Tawa in order to close out the 6-5 victory, forcing the decisive game three and keeping the home fans from celebrating a Texas League title.

GAME 3 *Sept. 27, 2023* *HODGETOWN*

In front of their fans at HODGETOWN, the Amarillo Sod Poodles won their second Texas League Championship, dominating the Arkansas Travelers 9-1 in the deciding third game of the championship series. For the first time in franchise history, the Soddies secured the league title at home, and this was also the first time the club won a league championship as an affiliate of the Arizona Diamondbacks, having secured the 2019 title as a San Diego Padres affiliate.

Amarillo loaded the bases in the second inning, looking to make a statement. Duzenack made a grand one at that, launching a home run onto the right field berm to give the Soddies early 4-0 lead. The grand slam evoked echoes of 2019, when Taylor Trammell blasted a go-ahead, ninth-inning slam to win the Texas League Title.

The Sod Poodles added a sacrifice fly and an RBI single in the frame, ending the second with a 6-0 lead after batting around the lineup.

The six-run cushion was more than enough for Top-30 prospect Conor Grammes. The right-hander delivered four shutout innings, struck out six, faced the minimum due to the help of a double play.

The bullpen allowed a single run the rest of the way, as Emailin Montilla and Michel Otanez each threw two solid innings.

After a De Los Santos run-scoring single, Robinson put the champagne on ice with a two-run blast to right field, giving Amarillo a comfortable 9-0 advantage.

Cintron's eighth-inning single ensured all nine Sod Poodles in the lineup got into the hit column, with Robinson having the only multi-hit night (2-for-3). Christian Montes De Oca entered for the ninth inning and recorded a 1-2-3 frame, getting a strikeout to send HODGETOWN into celebratory mode.

With a big win in game three, Amarillo remained perfect in playoff elimination games, winning all eight they have encountered as a franchise.

2025 PLAYOFFS

2025 TEXAS LEAGUE DIVISION SERIES

GAME 1 *Sept. 16, 2025* *HODGETOWN*

Fresh off splitting the final series of the regular season with the RockHounds at HODGETOWN, both Amarillo and Midland would stay in town as they were set to square off in the Texas League Division Series with the Sod Poodles hosting the opener.

Amarillo entered with more momentum, having won the South Division in the second half and finishing better than Midland in the overall season standings, but the RockHounds offense didn't seem to care. The visitor's bats got to work right away, taking the lead on Leo De Vries' solo homer in the second at-bat of the game and adding two more runs on a Nate Nankil long ball in the top of the second inning. The RockHounds looked like they were in cruise control when they went up 6-0 in the sixth, meanwhile the Soddies lineup had no answer for Midland starter Gage Jump.

But once the RockHounds reached into their bullpen, Amarillo's bats woke up. The Sod Poodles started to use home runs to their advantage, getting on the board in the bottom of the seventh inning with Gavin Logan's two-run blast. The Soddies won the eighth inning thanks to a three-run shot from Gavin Conticello, but Amarillo still found themselves down two runs due to Midland scratching across a run in the top half of the frame. The RockHounds added another insurance run in the ninth and led 8-5 with the Sod Poodles about to take their last licks.

The first two batters for Amarillo reached on base hits, but the next two were retired. Down to their last out, LuJames Groover kept the game going for the Sod Poodles with an RBI single. With the tying run on base and go-ahead run at the plate, Midland opted for Colton Johnson to take on Ben McLaughlin in a left-on-left matchup. The latter got the best of the same-side duel, pulling Amarillo within one on his run-scoring single that moved Groover 90 feet from home plate. However, Jose Fernandez couldn't come up with a clutch hit of his own, instead grounding out to end the game as the Soddies dropped Game 1 of the best-of-three Division Series.

GAME 2 *Sept. 18, 2025* *Momentum Bank Ballpark*

In terms of Amarillo postseason history, the Sod Poodles had the RockHounds right where they wanted them. The franchise had yet to drop a playoff series, despite trailing in three of the four, and were undefeated (8-0) in elimination games.

However, the September magic the Soddies were accustomed to vanished in 2025, as they were swept in the Division Series two games to none.

Midland went on top first like they did in Game 1, as a triple from Joshua Kuroda-Grauer allowed him to score easily on Nate Nankil's single into center field two batters later in the bottom of the second inning. The Sod Poodles had an immediate answer, with RockHounds starter Braden Nett following up a two-out single from Manuel Pena with three straight walks to even the score at 1-1. In what wound up being one of the best scoring chances of the game for Amarillo, Nett induced a flyout from Jose Fernandez to limit the damage.

Sod Poodles starter Jose Cabrera already wasn't at his sharpest, and ran into more trouble in the bottom of the fourth inning. A one-out single from Nankil and a drawn walk by Cole Conn ended Cabrera's day, but Midland continued to keep the line moving against reliever Casey Anderson. Sahid Valenzeula loaded the bases with a single to center field, opening the door for the RockHounds to regain the lead when Clark Elliot drew a walk in the next plate appearance. The home team struck once more for good measure, as Leo De Vries plated another runner on a base hit through the right side.

With all three RockHounds runs charged to Cabrera, four Sod Poodles relievers combined for 4.2 shutout innings, keeping Amarillo within striking distance for the remainder of the 3-1 ballgame. However, Midland's bullpen went toe-to-toe with the Soddies, allowing only two baserunners over the last 14 outs as the visitors never threatened again.

Amarillo would have to wait for at least another season to add a third Texas League title to its mantle.

Sod Poodles Announce Townsquare Media As New Radio Partner

AMARILLO, TX *(March 26, 2026)* – The Amarillo Sod Poodles, in conjunction with Townsquare Media, today announced a new radio partnership wherein NewsTalk 940 AM (KIXZ) becomes the new official radio home of Sod Poodles games in 2026 and beyond.

A former radio partner of the Amarillo Sod Poodles, the Townsquare Media property returns to broadcast all 138 Sod Poodles games as well as any and all potential postseason contests. Beginning on Opening Day on Friday, April 3, the Sod Poodles radio call will be broadcasted live on NewsTalk 940 AM.

"We are excited to partner once again with our friends at Townsquare Media to broadcast Soddies baseball over the Texas Panhandle," said Sod Poodles President & General Manager, Tony Ensor. "There are so many things to get excited for this upcoming season at the ballpark, including the amazing talent we get to watch and tune in to every single day over the course of the summer. We can't wait to share the beauty of this game with Amarillo and our surrounding communities over the airwaves."

"We are thrilled to once again be THE home of the Amarillo Sod Poodles," said Townsquare Media Regional Director of Content, Ryan Kramer. "We're looking forward to a long partnership and bringing the Soddies to life on the air. The only thing that'll be better than listening is being at HODGETOWN."

In addition to traditional radio broadcasts, all Sod Poodles games will also be streamed live over the internet with Listen Live links available on SodPoodles.com and on newstalk940.com. Every broadcast will be streamed through the "NewsTalk 940 AM" mobile application as well.
