

# Columbus Clippers

Game #2

## Game Information

Road Game #2

Media Relations Department - 330 Huntington Park Ln., Columbus, OH 43215 - (614)-462-5250 - aslosser@clippersbaseball.com

(0-1)

Saturday, March 28 (4:08) - Principal Park

Columbus Clippers

(Cleveland Guardians)

VS.

Iowa Cubs

(Chicago Cubs)

RHP Rorik Maltrud (NR)

RHP Will Sanders (NR)

(1-0)

### LAST GAME

March 27	R	H	E	LOB
Columbus	2	8	0	14
Iowa	5	6	1	9

W: Charlie Barnes (1-0)

L: Ryan Webb (0-1)

S: Collin Snyder (1)

HR:

### Highlights

**Juan Brito** went 3x5 with a pair of doubles (49 doubles in Clipper career). **Cooper Ingle** was 1x3 with 2RBI.

### Upcoming Probables

Sunday, March 29 at Iowa (2:08): RHP Yorman Gomez (NR) vs. RHP Jaxon Wiggins (NR)

Tuesday, March 31 vs. Indianapolis (6:15): TBA vs. TBA

Wednesday, April 1 vs. Indianapolis (6:15): TBA vs. TBA

Thursday, April 2 vs. Indianapolis (6:15): TBA vs. LHP Ryan Webb (0-1, 4.50)

### Today's Game

The Clippers will send RHP **Rorik Maltrud** to the mound today, making his Triple-A debut (44th career game). Iowa will counter with RHP **Will Sanders**. Columbus is 0-1 (.000) versus right handers this year. Sanders has pitched against the Clippers once in his career, picking up the win in Des Moines on 7/19/25 (5.2IP, 3H, 0R, 0ER, 1BB, 8K).

### vs. the Cubs

Since a 5G win streak against Iowa from 5/12-6/14/24, the Clippers are 11-13 opposing the I-Cubs (26-20 in the last 46 matchups). In Des Moines, the Clippers have lost four of five. Individually, **Nolan Jones** has hit .314 (27x86) with 7HR and 23RBI in 24G against Iowa in his career (.396, 3HR and 15RBI in 13G at Principal Park), while **Milan Tolentino** has hit .302 (13x43) with 4HR and 9RBI in 13G.

### Windy City

The Clipper lineup opened the season with 17K (tied for most since 23K in 18-inning game at Louisville on 5/19/17), joining the Syracuse Mets atop the IL (drew 8BB to Syracuse's 1BB). Columbus had only two of the three outcomes, but their 58% three true outcome rate is the highest in the IL. The Clippers are on pace for 2,550K, a number that would obliterate the team record (1,397, set last year).

### Second Look

Columbus challenged seven pitches last night, defeating the umpires five times. Last season, they topped out at six challenges twice, securing five victories once (6/28 at Iowa). In 2025, the Clippers had Evin Johnson behind the plate three times, winning one challenge and losing four (did not challenge any in last game). Today's plate ump, John Bacon, called 1G last year (Clippers won only challenge).

### Cannon Ball

**Petey Halpin** cut down an IL-high 19 runners from the OF last year (12 in last 45G). Since the start of 2009, Halpin's total was tied for 2nd most in an IL season with former Clipper, **Matt Carson** (2023; only former Clipper, **Carlos Moncrief**, had more, 22 in 2014). Halpin played error-free in his last 113G (longest streak in the IL since 2014), as the team set a club record for fielding percentage (.985, 75E).

### Top Bazzana

**Travis Bazzana** enters the season ranked as the #1 prospect in the Cleveland organization for the second year in a row. Last year he became only the second player drafted 1st overall to suit up for the Clippers (**Darryl Strawberry**, taken in 1980, played for the Clippers from 1995-97 and '99). Bazzana drew a walk in 24% of his PA with Columbus last year (29BB from debut to injury, 8/12-9/11, led the IL).

### Brito Ball

**Juan Brito's** pair of doubles last night give him 49 in his Columbus career, good for 10th most in the IL since his debut on 9/19/23 (all nine players with at least 50 doubles have played over 200G in that time, Brito has 174G). Over 80% of Brito's doubles came in 2024, when he became the third Clipper ever to reach 40 in a season (still 12 doubles from cracking the career top 25, 46 from #1).

### Big Dogs

**Nolan Jones** (349) and **Stuart Fairchild** (227) account for 576 of the 769G played in the Majors by the current collection of Clippers. Fellow outfielder, **Petey Halpin** (6), and **Dom Nunez** (113) are the only other position players with big league time and **Logan Allen** (74) owns all the pitching experience. Jones has a career .802OPS with Columbus ('21-22) with 22HR and 91RBI in 155G.

### On the Upswing

After a slow start to his Triple-A career (.183/.299/.402 with 5HR and 11RBI in 25G), **Kahlil Watson** has hit safely in 17 of his last 19G, since 8/28/25 (.338, 24x71) while reaching base in each of his last 24G (.419OBP since 8/19/25). He has been active on the basepaths in that time, collecting 10SB (1CS) and scoring 18 runs. In his Triple-A career, he owns a .471SLG (combined .421 at lower levels).

### That's a First

**Milan Tolentino** collected 3SB in the last 4G of 2025 (had 3SB in previous 44G) to establish the first 20-20 season in Clipper history (hit 20th HR, a grand slam, with 9G left). Tolentino was the only player in the IL to hit more than 20HR last season and not have a single one come off LHP (last: 7/3/24 with Akron; 4HR, .284SLG in 377AB vs. LHP in his career; 42HR, .415SLG in 1,382AB vs. RHP).

### ORGANIZATION REPORT

Cleveland (1-1), 2nd place	Akron (43-25), 2nd place: (0-0), T 1st place

### This Date in Clipper History

3/28/2025

Columbus opened the season at Toledo for the first time ever (opened vs. Toledo once, in 1978), taking down the Mud Hens by a score of 8-5. **Juan Brito** led the offensive charge, going 3x4 with a double and 3RBI, while **Angel Martinez** doubled twice and had 2RBI. **Kody Huff** (1x4), **Petey Halpin** (1x4), **Dayan Frias** (2x3) and **Milan Tolentino** (1x3) all made their Triple-A debuts.

### Huntington (Small) Park

In each of the first 11 seasons after the move downtown (2009-19), Huntington Park ranked among the top two in the IL in homers per game. With the arrival of six new parks to the IL in 2021, Huntington Park finished 4th, 6th and 10th from 2021-23, respectively. The 2024 season saw a return to the top, with 2.96 being hit per game in Columbus (108HR hit by the Clippers, most for the home team in HP's existence). Including the postseason, the Clippers have been out-homered over the life of the park (1,404 to 1,346).

### Challenging Times

The Clippers were 132-174 (.431, 2nd worst in the IL) in pitch reviews last season, with batters going 79-117 (.403) and pitchers/catchers going 53-57 (.482). They ran out of challenges in 57G and did not challenge in 13G.

### Extras, Read All About Them

Columbus was 5-5 in extra innings last season, following a 9-loss campaign in 2024 (most losses since 2013, 12). Since the start of the 2018 season, when baserunners started appearing at second base, the Clippers are 50-33 when playing past regulation (.602, best in the IL; no other team above .580), including 26-16 at home (.619, have won 17 of last 27). Of the 83G to require extra play, 66 have needed only one frame (including seven DH games) and only one has gone past the 12th (5-4 loss in 13 innings on 9/20/22 at Toledo). From 7/31/19-6/26/21, Columbus played 85 straight within the allotted innings.

### Didn't Add Up

The first half of the 2025 season saw the Clippers finish 12th with a 34-38 record (.472), despite ranking 10th in run differential (+3), 10th in pitching (4.61ERA) and 2nd in defense (.984; ranked 13th in batting, .250). Such a result was the product of a league-high 27 losses by three runs or fewer (22-27, .449, 13th), as they played in the fewest games decided by at least four runs (12-11, .522, 9th). In the second half, they went 19-21 in close games, while going 11-22 in blowouts.

### Hits the Spot

When turning in as many or fewer hits than their opponents last season, the Clippers went 18-64 (.220), coming in 13th out of 20 in the IL. The 2024 season saw them post an IL-worst .185 (12-53) winning percentage in such games. When allowing at least 10 hits last year, Columbus was 7-41 (.146, 20th in the IL; started the season 1-20).

### Juiced is Loose

In the Huntington Park Era (since 2009), Columbus leads the IL with 76 grand slams and 1,872RBI (led IL in RBI in 2010, '11, '12, '17, '18 and '22). Collecting an IL-best 10 grand slams last season, it marked their fifth straight season with at least four (118RBI last year; had only 97RBI in 2024, worst in a 140+G season since 2016).

### Not So Fast

On the basepaths, the 2024 Clippers established a franchise record of 200SB, (80% success rate) with four players topping 20 for the first time in club history. As a team, they were successful on 30 consecutive attempts (6/16-6/30/24) and 36 straight tries (7/23-8/7/24, including 8SB on 7/31/24 vs. Syracuse). Last season was a different story entirely, as they finished with the worst stolen base percentage in the IL (72%, 127SB and 49CS).

### Three True Outcomes

While not breaking records last season, the Clipper pitching staff topped 660BB for the third time ever (all in last three years, franchise record of 767BB in 2023) and cleared 1,300K for the fourth time (all in the last four years, franchise record of 1,392K in 2024). The homer rate was down considerably last year, but the three true outcome rate still ended around 39% (the 2024 season saw franchise high of 40.5%; last six seasons have all been at least 37.0%, no seasons above 33.4% prior).

### Return of the Defense

The Clippers were 1st in the IL in defense (.985), a season after turning in their worst fielding percentage (.978) since 2009. They had only two series with more than 5E (8/26-8/31 at Louisville, 9/17-9/21 vs. Omaha), topping out at 3E in a game twice and playing flawlessly 86 times on the year (44-42, .512; 16G errorless streak from 6/20-7/8, longest in the IL over the last 20 years). Behind the plate, Clipper catchers did not have a passed ball from 9/22/24-5/28/25 (53G; 3,949 pitches with men on base between).

### Key to Victory

From 2022-23, Columbus owned the best record in the IL when holding opponents to three runs or fewer, going 95-8 (.922, no other team was above .880). The Clippers were 43-10 in such games in 2024 (.811, 13th in the IL), accumulating four losses by 4/14, and were just 47-10 (.825, 9th) last year, collecting four losses over 14G from 4/23-5/9 (had four losses total in both 2022 and 2023).

### Good Baseball

**Christian Cairo** moved a pair of runners into scoring position with a bunt single on 9/16/25 vs. Omaha and those men came around to score in the win. Since the start of the 2018 season, Columbus is 83-21 (.798) in games in which a run is scored after a good bunt attempt, including a 14-6 (.700) mark last season (went 23-2 in 2018).

### To the End

The Clippers had the 6th most last at bat losses this season (17), after pacing the circuit with 23 in 2024 (tied with Toledo). They also suffered the 4th most walk-off losses (8), watching three in a row slip away at Rochester from 5/29-5/31. The 2024 season saw 41G decided in the last at bat (tied for 2nd most in the IL, one off lead), with Columbus going 18-23 in those contests (t-17th, .439).

### Manager Profile

**Andy Tracy** made his Clippers debut in 2021, following **Tony Mansolino's** championship rookie year in 2019 (sixth Clipper skipper to win Governors' Cup in first season; **Gene Michael**-'79, **Joe Altobelli**-'80, **Frank Verdi**-'81, **Bucky Dent**-'87 and **Mike Sarbaugh**-'10). This season marks Tracy's sixth year as a manager (first was with Williamsport in the Philadelphia system), as he holds a career record of 386-407 (.487), 356-361 with Columbus (.497).
