YOU CAN COUNT ON ME

Two factors contributing to Omaha's success this season include the starting pitchers going deep into games and the offense providing their starters run support.

When Omaha's starter can get through at least 5.0 innings this year, the team has a 17-3 record, compared to 15-14 when starters don't make it through the 5th inning. When the offense can provide 3+ runs of support, the Storm Chasers are 22-4, while the team is just 11-13 when the offense offers 2 runs of support or less to the starter.
