

HARRISBURG SENATORS MASCOT APPEARANCE REQUEST FORM

Would you like Rascal to visit your event? Please fill out the form below to request an appearance!

Please complete the form below and return it to the Harrisburg Senators at least **3 weeks prior** to the event date requested. Due to the volume of requests and the Harrisburg Senators game schedule, submitting this form does not guarantee an appearance. However, the Senators will work to accommodate your request. The Community Relations Coordinator will contact you upon receiving the completed form with confirmation of your request.

- All requests should be submitted in this format and will be considered on an individual basis
- Appearances are for everyone's enjoyment. Please help keep the event fun by maintaining a safe and family friendly environment
- Due to privacy and safety concerns, a clean and private changing area must be provided for the mascot
- Mascots do not speak, but communicate through pantomimes, posing for pictures, and signing autographs
- Your completed request form should be returned to Alvin Torres (see below for contact info)
- Appearance lengths are to be no longer than one hour
