POLICIES AND PROCEDURES

METHOD OF PAYMENT:

Payment must be received on or before the date of the event unless otherwise pre-approved by a Food & Beverage Representative. All invoices must be paid within 30 days of the event. We accept Visa, Mastercard, American Express, Discover, cash and/or checks. Checks should be payable to RCB Enterprises. If your organization is tax exempt, please supply a copy of your ST-119.1 certificate with your completed orders.

ADMINISTRATIVE FEE AND TAX:

All food and beverage orders are subject to a taxable 20% administrative fee. The administrative fee is not intended to be a tip and is not distributed to wait staff as gratuity. The fee is used to cover administrative and facility costs which include but are not limited to: linen/uniform rental, facility/equipment maintenance, and dishwashing and culinary staff wages. Tipping is entirely voluntary and is at the guest's discretion. Guests should never feel obligated to leave a tip but are welcome to provide a gratuity should they wish to acknowledge a particular staff member for exceptional or outstanding service.

ALCOHOL POLICY:

Alcohol may be ordered until the first pitch of the eighth (8th) inning. Management reserves the right to discontinue service of alcoholic beverages at any time to an individual or group. Alcoholic beverages may not be removed from the premises. Innovative Field's liquor license does not permit beverages to be removed the stadium, therefore any beverage not consumed prior to the end of each event will be forfeited and not subject to a refund. Guests are allocated one hour in their suite after the conclusion of the game. Please order accordingly!

RAIN POLICY:

If gates do not open due to inclement weather, single suites will be rescheduled for a later game based upon availability. A suspended game is a contest that starts and has to be stopped before it is an official game due to inclement weather. In such a situation guests may stay to enjoy their food and beverage for up to an hour and a half after the time the game was suspended. In that case, your tickets can be used as a rain check for a 100 level ticket for any remaining regular season game.
