Dayton Dragons (58-54) at Lake County Captains (60-52)

RH Carson Spiers (5-4, 3.99) vs. RH Daniel Espino (1-6, 5.15)

Today's Game: The Dayton Dragons (affiliate of the Cincinnati Reds) meet the Lake County Captains (affiliate of the Cleveland Indians) in the fifth game of a six-game series. **2021 Season Series:** Lake County 14, Dayton 8. (At Lake County: Captains 6, Dragons 4). **Current Series:** Lake County 2, Dayton 2.

Last Game: Friday: Dayton 4, Lake County 1. James Marinaro fired six scoreless innings, allowing just one hit and two walks, while striking out 11 in his first start with the Dragons since moving up from Low-A Daytona. Marinaro's strikeout total was a 2021 team high. Quin Cotton hit a home run and Matt McLain had two hits for Dayton. Vin Timpanelli entered the game in the eighth inning with the tying run at the plate and retired the last four for the save.

Current Series at Lake County: The Dragons are 2-2. They have scored 17 runs (4.3 per game) while batting .196 with a team ERA of 4.25. They have committed three errors in the series.

Previous Series vs. Lansing: The Dragons went 3-3 vs. Lansing (Sept. 1-5). They hit .255 as a team with 15 runs scored (2.5 per game) while posting an ERA of 2.74 (best ERA in a series in 2021) and committing 10 errors. They stole nine bases.

Previous Series at Fort Wayne: The Dragons went 3-3 at Fort Wayne (August 24-29). They batted .245 and scored 26 runs (4.3 per game) while posting an ERA of 5.71 and committing six errors. They had 15 stolen bases in the series, matching their highest total in a series this year. Their 20 extra base hits tied for third most in a series.

The Dragons roster includes eight players ranked among the top-20 prospects in the Reds organization. In the recently-updated *MLB.com* rankings, Matt McLain is the #4 prospect in the Reds system; Mat Nelson is #10, Michael Siani is #12, Lyon Richardson is #14, Christian Roa is #15, Bryce Bonnin is #16, Ivan Johnson is #17, and Allan Cerda is #18. In the mid-season update of Reds top-10 prospects by *Baseball America*, McLain is #4, Nelson is #11, Bonnin is #13, Roa is #14, and Johnson is #15. Siani was listed by *Baseball America* as the "Best Athlete" and "Best Defensive Outfielder" in the Reds organization entering the season.

High-A Central League Playoffs: Major League Baseball has announced that leagues at three classifications, including the High-A Central League, will conduct playoffs in September. The top two teams in each league, regardless of division, will meet in a best-of-five series.

Playoff Race: The Dragons are four games behind Cedar Rapids in the race for the #2 seed in the 2021 post-season with eight games to play.

The Mythical First Half Division Title: The Dragons were the winners of the "Mythical First Half" East Division title. Note that the league is not utilizing a split-season format in 2021. There is no First Half or Second Half, and no First Half championship race in 2021 in the High-A Central League. The Midwest League was split into two equal halves for every season from 1988-2019, and from 1956-1981. The league did not play a split season from 1982-87.

First Round Fever: Matt McLain is the latest first round draft pick to play for the Dragons. Recent first round picks to play for the Dragons, with their draft year, have included Nick Lodolo (2019), Jonathan India (2018), Hunter Greene (2017), Nick Senzel (2016), Tyler Stephenson (2015), Nick Howard and Alex Blandino (2014), Phillip Ervin (2013), Nick Travieso (2012), and Robert Stephenson (2011). Every Reds "true" first round pick (selected within the first 30 picks of the draft) over the last 11 drafts has played for the Dragons except 2020 first rounder Austin Hendrick, who is currently at Low-A Daytona.

Salazar and a Possible ERA Title: Former Dragons starting pitcher Eduardo Salazar now leads the High-A Central League in earned run average and has compiled enough innings in the league to meet the minimum number to qualify over a full 120-game season (96 IP is the minimum for the season; Salazar has 98). Salazar, now on the injured list at Double-A Chattanooga, compiled an ERA with the Dragons of 3.49. The second ranked pitcher in the league is Peoria's Wilfredo Pereira at 3.53. Pereira needs another 4.1 innings to reach 96 IP for the year and has one more start. If he throws 4.1 innings and allows one earned run or less, he would overtake Salazar. Only one pitcher in Dragons history has led the league in ERA: Josh Hall in 2001 at 2.65. In 2015, Tyler Mahle finished the season with an ERA of 2.43, the same as Peoria's Matt Pearce. When their ERA's were extended to a third decimal point, Mahle lost the title with a mark of 2.428 to Pearce's ERA of 2.426.

Dragons Manager/Coaches:

Jose Moreno is in his first season as Dragons manager and his second year in the Reds organization. The 2021 season is Moreno's 22nd year as a coach, instructor, or coordinator in professional baseball. As a manager, he has won three league championships with affiliated clubs, guiding his teams to titles in 2002, 2007, and 2010. Moreno also led his teams to back-to-back championships in the Venezuelan Winter League in 2019-20 and 2020-21. Moreno was a catcher in Cleveland Indians and Baltimore Orioles farm systems.

Wapakoneta, Ohio native **Brian Garman** joins the Dragons in 2021 as pitching coach. Garman was slated to serve as the Dayton pitching coach in 2020 before the season was canceled. He served as a pitching coach in the Los Angeles Angels system for the previous two seasons, working at Rookie-level Orem (Pioneer League) in 2019 and Advanced-A Inland Empire (California League) in 2018. Garman pitched at Wapakoneta High School and the University of Cincinnati before being drafted by the Milwaukee Brewers in the 17th round in 2010. He spent four years as a pitcher in the Brewers system, reaching the Double-A level.

Hitting coach **Daryle Ward** returns to the Dragons in 2021 after serving in the same position in Dayton in 2017-18. He is in his sixth year in coaching in the Cincinnati Reds organization. He served as the hitting coach with the Goodyear Reds in the Arizona League in 2016 and with the Chattanooga Lookouts in 2019. He was slated to return to Chattanooga in 2020 before the season was canceled. Ward played professionally for 22 seasons from 1994-2015. He spent seven full seasons and parts of four others in the Major Leagues, primarily as a left fielder and first baseman. His father, Gary Ward, was a Major League All-Star selection with both the Twins and Rangers as part of a 12-year Major League playing career.

Darren Bragg returns to the Dragons in his 15th year as a coach or instructor in the Reds organization. He will serve in a newly named position within the Reds organization, carrying the title of development coach. Bragg was the Dragons hitting coach for two seasons in 2007-08, helping the club to the playoffs in both years as he worked with future Reds Todd Frazier, Zack Cozart, Chris Heisey, Drew Stubbs, Juan Francisco, and others in Dayton. Bragg served as the Reds minor league outfield coordinator from 2009-18 before returning to a coaching assignment with an individual team. He was the bench coach at Double-A Chattanooga in 2019 and was slated to fill the same role with Daytona in 2020 before the minor league season was canceled. Bragg spent 11 years as a player in Major League Baseball from 1994-2004, appearing in 916 big league games with nine teams.
