\$6.50

BAR SERVICE

Each hospitality deck has a bar available that includes at least three draft beers, wine, canned seltzer options plus limited mixed drinks. Bars will automatically be set up for guests to purchase drinks individually or you can choose to set up a hosted bar for your group. Bar options and voucher pricing for a hosted bar will be sent out via your hospitality contact approximately 5 weeks prior to your game date. For reference and to help in your planning, below you will find some common options we can offer for a hosted bar:

- OPEN TAB: Guest beverages are added to the group bill and final total to be paid at the end of the 7th inning.

- LIMITED TAB: Similar to an open tab but with some limitations in place. For example, limit time to 6-8pm or eliminate 32 oz beers from available options.

- DRINK VOUCHERS: Pre-printed vouchers available.

- STANDARD VOUCHERS: Valid for 20 oz domestic draft beer (ex: Miller Lite, Bud Light, Coors), wine, or canned seltzer. \$9 each.

- PREMIUM VOUCHERS: Valid for 20 oz draft beer (any kind), wine, canned seltzer or single shot mixed drink. \$11.50 each.

- CUSTOM VOUCHERS: Set up through your hospitality contact in advance, we will create a voucher for your group valid for the selections you want to have available. Bartenders will keep track of what is ordered when guests redeem vouchers. Valid only on private deck areas and final total must be paid at the end of the 7th inning.

Discuss your wishes with your hospitality contact and they can help recommend the best options for your group!

GAME DAY INFORMATION & POLICIES

CATERING DEADLINES & PAYMENT INFO

Your hospitality contact will reach out via email 5 weeks in advance of your scheduled date with menu selections and event questions to confirm details for your group. In order to ensure a high quality experience for you and your guests, we ask for a guaranteed guest count 3 weeks prior to your game date. Please set your RSVP deadlines accordingly. At that time, you will have the opportunity to pay for food in advance to take advantage of discounted pricing. Prices listed on menu include a 6% sales tax and 15% service charge.

If you choose to pay the day of the game, a guaranteed number is still required 3 weeks in advance so we can correctly prepare for your group size. The menu price increases by \$2 and the total due is calculated by the actual number of attendees with the minimum charged being 80% of your guarantee number. Payment can be made by credit card with your assigned BBQ Coordinator. The Whitecaps accept all major credit cards.

GATE TIMES

Gates to LMCU Ballpark will open ONE HOUR & FIFTEEN MINUTES prior to the scheduled start of the game. Please arrange any early entry with your hospitality contact or Ticket Rep.

MEAL TIMES

Meal times are pre-determined for hospitality areas. Food will start 30 minutes prior to the scheduled start of the game and will be served for 2 hours. Pepsi products and water will be available for you and your guests when gates open through the end of the 7th inning.

FOOD ALLERGIES/DIETARY NEEDS

Each menu includes options for those who are gluten free or vegetarian and they can request those items from the servers. If you have a large number of attendees that require these options, please let your hospitality contact know so we can have additional items prepared in advance.

OUTSIDE FOOD & BEVERAGE

No outside food or beverage can be brought into LMCU Ballpark (including cakes, cupcakes, candy, etc.). Please coordinate with your Ticket Rep if you are bringing in any prizes for your event. All bags will be checked at entry by Whitecaps Security.

EVENT DAY

The Whitecaps provide a name tag with your group name on it that will be distributed at the entrance to your deck by an usher. If you plan to bring your own name tags, please communicate that to your hospitality contact. Additionally, each area has some items available for sale should guests want to purchase them (Dippin' Dots, bar options, etc.). If you wish to limit any "additional purchase" options, just ask.

CASHLESS

LMCU Ballpark is a cashless facility. Credit cards, contactless payments and gift cards can be used but cash will not be accepted. There is a cash-to-card converter located inside Gate A for guests to exchange any cash.

EVENT ENHANCEMENTS

Looking for ways to enhance your event even more with custom t-shirts, souvenirs or gift cards? Speak with your hospitality contact about options and we are happy to connect you with our merchandise team!
