

# 2022 SEASON MEMBER MANUAL

Welcome to the 2022 Reno Aces Season! We are so excited to have you as a part of the team this summer. This manual is a resource for our Season Members that can answer all questions regarding your season membership and stadium policies.

## **Digital Ticketing**

The Reno Aces are going Digital with completely digital ticketing. Digital Tickets provides a safe, convenient, and secure way for fans to use and share their game tickets! For all information, walkthroughs, and frequently asked questions you can visit <https://www.milb.com/reno/tickets/digitalticketing>. [CLICK HERE](#) to access your online MyTickets account.

## **Ticket Exchange Program**

All full and partial Reno Aces Season Members can exchange tickets included in their ticket packages for tickets of equal or lesser value to upcoming regular season games, subject to availability. Tickets cannot be exchanged into or out of July 4th, 2022 as it is a Blackout Date. This gives members the ability to get the greatest usage out of their membership by allowing you to move tickets from games you are unable to attend into ones you can! Ticket Exchanges can be made online through your MyTickets Account, or In Person at the Greater Nevada Field Ticket Office. Ticket Exchanges cannot be made over the phone or via email.

## **Online Exchanges:**

Members can exchange their tickets online up to 4 hours prior to 1st Pitch through their Reno Aces MyTickets account.

- 1.) Log on to your MyTickets Account through [milb.com/reno](https://www.milb.com/reno). If you do not have your account login information, please contact your Service Coordinator.
- 2.) From your MyTickets Account click on EXCHANGE on the left hand side of the screen, and select the game that you would like to exchange out of.
- 3.) On the next screen, select the game that you would like to exchange your tickets into.
- 4.) Select any available seat in your pricing level for an even exchange. Please Note - the system will not allow you to strand a single seat, so be sure to select a location that has at least two more tickets available than you are looking to exchange.

### **In Person Exchanges:**

Members can exchange their tickets in person up to 24 hours prior to 1st Pitch at the Greater Nevada Field Box Office on gamedays and non-gamedays, or inside Greater Nevada Field at Guest Services near section 105 during games. When exchanging tickets in person, please come prepared with the games that you would like to exchange out of and in to.

### **Ticket Exchange Regulations:**

- 1.) All seating locations through ticket exchanges are based on availability.
- 2.) Ticket Exchanges cannot be completed to exchange tickets into or out of July 4th, 2022.
- 3.) Tickets exchanged into a lower priced section will carry the lower price going forward. Be sure to exchange your tickets into a like-priced section to maintain the full value of your tickets.
- 4.) Once tickets have been exchanged from your account there is no guarantee you will get back those original seats if you wish to switch back into that same game.
- 5.) Please refer to the 2022 Ticket Exchange Schedule on the last page of this manual for specific online exchange deadlines.

### **Ticket Exchange FAQ:**

Q: Am I guaranteed my season seats when I exchange into a new game?

A: Members are not guaranteed their season seats when exchanging tickets. Seating for games being exchanged into can be chosen at the time of the exchange and is subject to availability.

Q: Is there any cost associated with making exchanges?

A: There is no charge to exchange your tickets when exchanging into a like seating category. If you choose to upgrade your seats when making an exchange, you will only pay the difference in price. If you choose a seat with a value lower than your original seat, you will not be credited the difference.

Q: Can I call my Membership Services Representative and make my exchanges over the phone?

A: Tickets cannot be exchanged over the phone. All exchanges must be done in person or through your MyTickets account.

Q: What should I do with tickets for games that I have exchanged out of through my online account?

A: If you have a printed copy of tickets for games that have been exchanged out of, they should be discarded. The barcodes on the tickets will no longer be valid and will not allow entry into the stadium.

### **Past Game Unused Tickets**

Full and Partial Season Members may redeem unused tickets for games in your plan that were not exchanged out within the Ticket Exchange window.

If you have unused tickets from past games, you may redeem them at the Greater Nevada Field Box Office for a Standing Room Only ticket to any Sunday - Thursday Reno Aces regular season game, except for July 4th. You may upgrade your tickets into any available reserved seat by paying the difference between the Standing Room Only ticket price and your Season Member price for that section. Redemption of past game unused tickets is subject to availability, seat location, and verification of usage. Past Game Redemptions are available at the TICKET OFFICE AND GUEST SERVICES OFFICE ONLY.

## **Game Postponement/Cancellation Policies**

In the event a game is announced as postponed or cancelled for any reason before scheduled first pitch, ticket holders for that game will receive an electronic voucher that can be redeemed for a ticket of equal or lesser value to any 2022 regular season Reno Aces home game, excluding July 4th, subject to availability.

Should a game begin but not progress to or beyond a point of play constituting an official game (a game consisting of 4 ½ innings if the home team is leading, or 5 full innings if the game is tied or if the visiting team is leading), ticket holders for that game will receive an electronic voucher that can be redeemed for a ticket of equal or lesser value to any 2022 regular season Reno Aces home game, excluding July 4th, subject to availability.

Vouchers can be redeemed at the ticket office or over the telephone for no additional charge. Vouchers can also be redeemed online through the ticket holder's MyTickets Account, subject to Tickets.com service fees.

### **Automatic Renewal**

All new Season Memberships are enrolled into our Automatic Renewal Program, which guarantees their current seats and plan for the following season. Members who are a part of this program and would like to change their seat locations or ticket plans for the following season will have the first opportunity to request a Select-A-Seat appointment and have priority to the best seats that have become available for the following year.

Members who are automatically renewed will be put onto a 6-part payment plan and charges will occur on the default credit card on file on the first business day of each month beginning in August. If you would prefer to Pay in Full for your Memberships, please let your representative know and we can make those arrangements.

Season Members that are enrolled in the Automatic Renewal Program will be notified via email 30-45 days prior the first charges being made for the following season. Season Members that do not want to participate in Automatic Renewal can opt-out of the program at that time. Season Members that opt-out of Automatic Renewal will not be guaranteed their same seat location for the following season should they renew at a later date.

### **Select-A-Seat and Seating Priority**

Reno Aces Season Members that are enrolled in Automatic Renewal or have manually renewed their seats by the deadline stated in the renewal materials have the first rights to their current seats and ticket plans. They also have priority access to choosing new seats for the following season by requesting a Select-A-Seat appointment.

Select-A-Seat takes place in Mid-November at Greater Nevada Field. Season Members that wish to look at new seats or ticket plans for the following season are invited to the stadium

during pre-assigned appointments to look at available seating inventory. Appointments are issued based on the date of renewal and submission of appointment request. Season Members that are enrolled in Automatic Renewal and express interest in choosing new seats will have access to the earliest appointments. Members that are unable to come to the stadium during Select-A-Seat can conduct their appointment over the phone with the help of a Reno Aces Account Representative.

### **Reno Aces Refund Policy**

Reno Aces Season Memberships are non-refundable. Any monies paid towards a Reno Aces Season Membership will not be returned once received by the club.
