## **Sacramento River Cats (39-32/75-71) vs. Round Rock Express (41-30/75-71)**

RHP Hayden Birdsong (1-3, 5.77) vs. RHP Kumar Rocker (1-0, 3.95)

GAME 147 | HOME GAME 65 | THURSDAY, SEPTEMBER 18, 2025 | 6:45 P.M. (PT) | SUTTER HEALTH PARK | WEST SACRAMENTO, CA

LAST TIME OUT: A pair of home runs served as the difference for Sacramento on Wednesday, as IF Drew Ellis and IF Oslevis Basabe launched the River Cats to a 5-2 victory over the Round Rock Express...Ellis ended the night 2-for-4...Twice the River Cats recorded consecutive doubles to score a run, both times involved OF Wade Meckler who was 2-for-4 with a run scored and RBI...IF Dayson Croes was a homer shy of the cycle, finishing 3-for-4 with a double. triple, and run scored...RHP Blade Tidwell was activated from the Injured List and made his first appearance since Aug. 15, retiring all six batters he faced with one strikeout...LHP John Michael Bertrand entered in relief and tossed 5.2 innings, the most by a River Cats reliever this season, allowing only two runs while striking out four to earn his second win...RHP Miguel Diaz converted his eighth save in nine chances by logging the final four outs with two strikeouts.

TODAY'S STARTER: RHP Hayden Birdsong heads to the hill for his 10th start of the Triple-A season, most recently allowing a trio of runs on three hits in four innings against Oklahoma City...The Illinois product has allowed three or more runs on three straight and four of his last five starts, posting a 6.50 ERA (13 er, 18.0 ip) in that time with 27 strikeouts to 18 walks...Birdsong has been bitten by the home run bug this year, as he has allowed at least one homer in six of his nine starts including each of his past two games (three total)...This will be Birdsong's second time facing Round Rock in his career, the first of which was his first career Triple-A victory on June 21, 2024 (one of two appearances that season) and allowing two runs on three hits in five innings while striking out seven.

FOLLOW THE LEADER: There are a handful of Sacramento River Cats that find themselves amongst the league leaders in the Pacific Coast League...Offensively, OF Marco Luciano is tied for fifth in home runs (23) and second in Walks (84; second in Triple-A)...OF Hunter Bishop is tied for eighth in triples (6; tied for ninth in Triple-A)...From the mound, few River Cats remain among the leaderboards...In ERA, RHP Mason Black is fifth (5.86)...In innings pitched, Black is seventh (118.1)...In strikeouts, Black is fifth (112)...In opposing average, Black is first (.248; ninth in Triple-A)...In WHIP, Black is fourth (1.47)... In games started, Black is tied for third (24; tied for 10th in Triple-A)...In saves, RHP Ryan Watson is tied for fourth (nine; tied for sixth in Triple-A) and RHP Miguel Diaz is tied for sixth (eight; tied for eighth in Triple-A)...In games pitched, Diaz is tied for third (49; tied for fifth in Triple-A).

THE END IS HERE: Only four games remain in Sacramento's season, and they currently sit above the level mark at 75-71 (.510)...Sacramento's win yesterday ensures the River Cats will finish .500 or better, their second straight season in which they will do so after finishing 2024 at 80-70 (.533)...The River Cats have not finished .500 or better in consecutive seasons since they finished both the 2013 and 2014 campaigns with identical 79-65 (.549) records...Currently, the River Cats are batting .249 (1288-for-4926), which if the season ended today would be Sacramento's lowest season average in franchise history...The current mark is .253 (1290-for-5002), which was set during the 2022 campaign...Sacramento has scored 732 times so far this season, which if their current pace of 5.01 runs per game would mean they end the year with 752 runs scored, which would be Sacramento's fewest since they tallied just 605 during the 2018 campaign...The River Cats have already swiped more than 100 bags, their fourth straight season swiping 100 or more...On the mound, Sacramento's 4.97 ERA (711 er, 1288.0 ip) has a chance to dip below the 4.91 (723 er, 1326.0 ip) from 2024, and if it did would be the lowest since Sacramento posted a 4.23 (585 er, 1245.1 ip) mark in the 2017 season...The River Cats are just four strikeouts away from their third most in franchise history, currently sitting with 1,360 (1,364 in 2023).

**SEASON-LONG SKID:** The River Cats put an end to their season high-tying four-game losing streak thanks to their 5-2 win yesterday...That has ensured the River Cats will finish the season without losing five consecutive games, the first time they have done so since the 2012...During that 2012 campaign Sacramento's longest losing streak was also four games, though they did so on five occasions compared to the three in 2025...Sacramento currently stands alongside El Paso as the only two teams in the PCL to not have a five-game losing streak or longer in 2025.

HOME COOKING: Sacramento continues its final homestand of the season last night, though the Round Rock Express are the ninth team to visit Sutter Health Park...The Rainiers will not enjoy Sacramento as the River Cats served as the designated home team against Tacoma at Cheney Stadium from June 10–15...When playing in friendly cofines this season, the River Cats are batting .238 (499–for–2097), which sits below their overall season mark of .249 (1228–for–4926) and ranks

ninth of 10 teams in the Pacific Coast League...Sacramento has played at least six less games at home (65) than all other teams, leading them to have scored the second fewest runs (499) and are tied for the fewest homers (69) when playing in their own home park...Meanwhile, Sacramento is last in triples (five) and eighth in doubles (105)...If the season ended today, the .238 batting average at home would be Sacramento's lowest since they hit just .232 in friendly confines during 2022... Meanwhile, the River Cats have logged a 4.68 ERA (337 er, 592.0 ip) at home, which ranks fourth in the PCL...However, that would be Sacramento's highest home ERA since they logged a 4.78 ERA (362 er, 682.0 ip) in the 2022 campaign...Meanwhile, the River Cats have the second best strikeout to walk ratio at home with a 2.45 (first: TAC, 2.60), while their 665 total strikeouts ranks third in the league (11th in Triple-A).

...WHEN SEPTEMBER ENDS: The River Cats find themselves scuffling in the month of September, as Sacramento ranks last (10th) in the Pacific Coast League in nearly every offensive statistical category including OPS (.662), runs scored (44), walks (47), and RBI (41)...Each of those marks also ranks in the bottom five of all Triple-A in that time...Meanwhile, they also sit ninth or tied for ninth in batting average (.221), triples (two), and strikeouts (149), with the punchouts ranking fourth most in the Minors during this time.

LIGHTNING ROD-RIGUEZ: C Jesus Rodriguez finally saw an end to his 13-game hitting streak last night, going 0-for-4 with a strikeout..Over the course of the streak (Aug. 29-Sept. 16) he batted .431 (22-for-51) with seven runs scored, three doubles, one homer, three RBI, six walks and a 1.032 OPS...Sacramento's previous season long hitting streak was 10 games that was accomplished by both IF Devin Mann (May 16-29) and IF Osleivis Basabe (July 11-26)...Despite the hitlees game, Rodriguez has been scorching hot since Aug. 10 (30 games) as he is batting .364 (43-for-118) with 18 runs scored, four doubles, two homers, 13 RBI, 13 walks, and a .878 OPS...Over this time he has also logged 11 multi-hit efforts, as well as four consecutive three-hit games (Aug. 29-Sept. 3; 12-for-17, .706) which is not only the longest such streak on Sacramento but the single longest in Triple-A this season...It's the longest Triple-A streak since OF Drew Waters achieved the feat with Omaha (KC) in 2024...Meanwhile, the River Cats have not had a player with four straight three-hit efforts since OF Austin Slater did so from Aug. 19-22, 2016 (13-for-18, .722)...Since joining Sacramento at the beginning of August, he is hitting .329 (46-for-140) with 21 runs scored, five doubles, two homers, 15 RBI, 17 walks and an .813 OPS in 36 games.

ON THE BOOKS: As the season winds to a close, a couple of River Cats find themselves nearing statical relevance in franchise history...Thanks to his 24 games started this season, RHP Mason Black is now fourth in River Cats franchise history in games started with 57 in his Sacramento career (20 in 2024, 13 in 2023)...After one last night, Black has tallied 271 total Triple-A strikeouts which is now fifth in Sacramento history, surpassing the 111 of RHP Chris Stratton...However, his 132 walks are fourth most in the River Cats record books, just ahead of teammate RHP Sean Hjelle in fifth place with 125 (16 this season)...Hjelle and Black are both among the tops in innings pitched, as Hjelle is seventh (310.2) while Black is 14th (263.1) in team history...Thanks to his start Tuesday night, LHP Carson Whisenhunt has made 20 or more starts in each of the last two seasons, and he joins Black as the only two River Cats to do so since the start of the 2017 campaign...It was the 45th start of Whisenhunt's career in Sacramento, tied with RHP Shane Komine for 11th in franchise history.

**ON THE SCHNIDE: IF Marco Luciano** is struggling to find his footing at the plate, as he is hitless in his last seven games and 29 at-bats with one walk and 20 strikeouts (Sept. 7-14)...It is the longest hitless streak in terms of both games an at-bats on Sacramento this season...Currently it is the most at-bats in an active hitless streak in Triple-A, though **C Brady Lindsly** of Rochester has the longest active hitless streak by games (nine games)...For Luciano, his hitless streak reaches 31 total at-bats (and 21 strikeouts) when including his final two plate appearances on Sept. 6...He is not the only one struggling, as **C Sam Huff** is hitless in six games and 21 at-bats with no walks and 13 strikeouts.

**EXCUSE THE ERROR:** The River Cats have committed at least one error in eight consecutive games, a new season high...The previous season long streak was seven games which had happened twice, the last from April 29 at home against Reno through May 6 on the road at Tacoma...Overall the River Cats have made 131 errors this season, which is Sacramento's most since they made 137 during the 2010 campaign.

# THIS DAY IN RIVER CATS HISTORY September 18, 2021 A six-spot in the first inning put the River Cats on cruise control,

A six-spot in the first inning put the River Cats on cruise control, easing their way to a 9-2 victory at home over the Las Vegas Aviators...Highlighting that first inning was a grand slam from Wyatt Mathisen, his only hit of th game...Meanwhile, Mike Tauchman joined the homer party later with a two-run blast in the third... Matt Shoemaker worked six innings for the win, while Conner Menez earned a three-inning save, his first of the season.

## NUMBER OF THE DAY

3

IF Drew Ellis has homered in each of his last three contests, making him the third River Cat this season to do so...The first was OF Daniel Johnson from May 29-31 against El Paso, while the last to do so was IF Bryce Eldridge in three games from Aug. 2-5...Additionally, the three River Cats top the two who achieved the feat in 2024 (IF Tyler Fitzgerald. OF Luis Matos).

### TODAY'S STARTING PITCHER

# Hayden Birdsong | RHP #18 2025 Record: 1-2, 5.64 ERA ht/wt. 6-4/216 | Born: Mattoon, IL | Age: 23 | B/t. R/r

RHP Hayden Birdsong heads to the hill for his 10th start of the Triple-A season, most recently allowing a trio of runs on three hits in four innings against Oklahoma City...The recently allowing a trio of runs on three hits in four innings against Oklahoma City...The Illinois product has allowed three or more runs on three straight and four of his last five starts, posting a 6.50 ERA (13 er, 18.0 ip) in that time with 27 strikeouts to 18 walks... Birdsong has been bitten by the home run bug this year, as he has allowed at least one homer in six of his nine starts including each of his past two games (three total)...This will be Birdsong's second time facing Round Rock in his career, the first of which was his first career Triple-A victory on June 21, 2024 (one of two appearances that season) and allowing two runs on three hits in five innings while striking out seven.

#### \*ADVANCED PITCHING STATS GLOSSARY

### **TBF**: Total Batters Faced

Total Batters Faced measures the total number of plate appearances hitters have made against him.

HR/9: Home Run Rate
Home Rune Rate measures how many home runs a pitcher averages over nine innings. Of course, not many pitchers throw nine innings all at once anymore, but this is a way of standardizing the statistic so it's on an easy-to-understand scale like many other pitcher statistics which are scaled to 27 outs.

K% & BB%: Strikeout Rate and Walk Rate
Strikeout rate (K%) and walk rate (BB%) measure how often a pitcher walks or
strikes out a player per plate appearance. They're measured in percentage form, so
it's easy to compare between players and years.

AVG: Batting Average
Batting average is the rate of hits per at bat, calculated as hits/at bats.

BABIP: Batting Average on Balls in Play
Batting Average on Balls in Play (BABIP) measures how often a ball in play goes for
a hit. Typically around 30% of all balls in play fall for hits, but there are several variables that can affect BABIP rates for individual players, such as defense, luck, and
talent level. Hitters have more control over their BABIP than pitchers do.

LoB%: Left On Base Percentage
Left on Base Percentage (LOB%) measures the percentage of base runners that a pitcher strands on base over the course of a season. This stat does not use the left on base numbers reported in box scores, but instead is calculated using a pitcher's actual hits, walks, and runs allowed results.

**xFIP:** Expected Fielding Independent Pitching
Fielding Independent Pitching measures what a player's ERA would look like over a given period of time if the pitcher were to have experienced league average results on balls in play and league average timing. xFIP Normalizes a pitcher's home runs allowed based on their fly ball rate rather than simply using the raw number of home runs allowed (Due to percent in Minor League Resolvall, the VFIP statistics). home runs allowed. (Due to no constant in Minor League Baseball, the xFIP statistic is aproximate)

#### \*ADVANCED HITTING STATS GLOSSARY

<u>PA:</u> Plate Appearances
Plate Appearances are the total number of times a hitter completes a turn batting.

#### K% & BB%: Strikeout Rate and Walk Rate

Strikeout rate (K%) and walk rate (BB%) measure how often a position player walks or strikes out per plate appearance. They're measured in percentage form, so it's easy to compare between players and years.

#### **ISO:** Isolated Power

Isolated Power (ISO) is a measure of a hitter's raw power. Or, to look at it another way, it measures how good a player is at hitting for extra bases. The simplest way to calculate ISO is to subtract a player's Batting Average from their Slugging Percentage, which leaves us with a measure of just a player's extra bases per at bat.

BABIP: Batting Average on Balls In Play
Batting Average on Balls In Play (BABIP) measures how many of a batter's balls in play
go for hits. Affected greatly by defense and luck, BABIP can dramatically affect a hitter's batting average. If a large number of a batter's balls in play go for hits, that can boost their batting average quite high. Similarly, if a large number of balls in play get caught, it can reduce a player's total offensive value.

#### wOBA: Weighted On-Base Average

Weighted On-Base Average combines all the different aspects of hitting into one metric, weighting each of them in proportion to their actual run value. While batting average, on-base percentage, and slugging percentage fall short in accuracy and scope, wOBA measures and captures offensive value more accurately and comprehensively. (Due to no constant in minor league baseball, the wOBA statistic is approximate).

wRC+: Weighted Runs Created Plus
Weighted Runs Created Plus measures the total number of runs a player contributes
to their team. The formula accounts for a player's ability to get on base, their total
number of bases, and their baserunning. The Plus version of the stat is park and league
