
Exchanging Season Tickets

- Tickets that have been transferred or posted for resale are not eligible for exchange.
- Exchanges only available for Clippers Regular Season Games.
- Tickets you are returning are no longer valid and will become property of the team.
- Exchanges can be made as far in advance of the new game as you like. We recommend exchanging tickets in advance, if possible, instead of waiting until the day of the game to have better selection of available seats.
- Exchange requests by email must be submitted at least 24 hours in advance of the game. Late requests cannot be guaranteed and the tickets would then only be eligible for unused ticket dates.
- All exchanges subject to availability of tickets on the new game you are selecting.
- Can be done in any combination, i.e. exchange 2 games of 2 tickets each for 1 game with 4 tickets.
- We recommend taking advantage of both parts of the exchange program to ensure no ticket goes wasted and you get maximum value of your ticket plan.
- Parking Passes are date specific and cannot be exchanged.
- Exchange requests will begin March 14th, 2025.
