**ON A DESKTOP COMPUTER**

### How To Access & Print Tickets
2. Login with your login information
3. Click the button that says "My E-Tickets"
4. Either filter by Event (Game) in the middle of the page, or find the specific order in the list below that has the tickets in it that you want to print
5. Once you find the order you want to print, you may click "Print E-Tickets In order" if you would like to print out all the tickets in the order. If you want to print a specific ticket, hit the “Show Order” button next to the order. Then click "Print E-Ticket" next to the specific tickets you would like to print. Make sure to select the correct printer you want to print to
6. Make sure to keep the tickets large enough so its easy to scan the barcodes when you enter the game

### How To Transfer Tickets
2. Login with your login information
3. Click the button that says "Email Tickets"
4. Find the order that contains the tickets you want to email and click the button next to it that says "Email." You can either filter by the event (Game) or find the order on the page that has the tickets in it that you want to transfer
5. Once you find the order, click the empty box(es) under Select next to the tickets you want to transfer and then hit "Submit" at the bottom of the page
6. Fill out the information listed at the top of the page (send to email, confirm email, recipient first, recipient last) and confirm the tickets listed below are the ones you want to send then hit the button that says "Submit"

**ON A MOBILE DEVICE**

### How To Access & View Tickets
   - On your mobile device
