

LAST CALL TRIVIA APP

INTRODUCING...A SAFER TRIVIA NIGHT

- Last Call Trivia has developed a free smartphone app as a replacement for paper answer slips.
- Search for 'Last Call Trivia' from the App Store or Google Play Store.
- It is required that each team submit answers through the app on a single smartphone.
- The app is self-explanatory (basic), super easy to use (impossible to mess up), and uses minimal power. If the smartphone being used runs out of battery, the team can rejoin the game using another phone.
- Upon arriving at each night, the host will provide a unique Game ID to the teams allowing them to submit answers and wagers safely and easily.
- Teams and hosts will remain seated at their tables throughout the entirety of the game.
- Hosts will communicate with teams on the microphone, and teams will communicate with hosts through the app. No paper supplies will be required during the game.
- We ask that teams bring their own scrap paper and writing utensils, although gamesheets will be provided if needed.
