Syracuse Mets News and Notes

The Stars of Today: Syracuse's Opening Day roster features the top two prospects in the Mets' organization and four of New York's top eight prospects. Catcher **Francisco Álvarez** leads a talented group of prospects on Syracuse's roster. Álvarez is the top-ranked player in the Mets' organization and the third-ranked prospect in all of baseball, according to MLB Pipeline. The 21-year-old hit a career-high 28 home runs in 2022 between Double-A Binghamton, Triple-A Syracuse, and the New York Mets.

Infielders **Brett Baty** and **Mark Vientos** return to Syracuse after spending time with the team in 2022. **Baty** was named the 2022 Mets Minor League Player of the Year, is the second-ranked prospect in New York's system, and the #21 player in all of baseball, per MLB Pipeline. The 23-year-old hit .364 in six games with Syracuse last season before a promotion to New York where he hit a pair of homers in 11 games. During spring training this year, Baty hit .325 in 23 games.

Vientos was named an International League Post-Season All-Star in 2022 with 24 home runs, 16 doubles, 72 RBIs, and a .280 batting average in 101 games with Syracuse. The 23-year-old was promoted to New York for the last month of the season. Vientos also had a strong spring with seven extra-base hits, 11 RBIs, and a .278 batting average in 23 games. Entering 2023, Vientos ranks as the Mets' eighth-best prospect, according to MLB Pipeline.

Infielder **Ronny Mauricio** is in Triple-A for the first time. Mauricio spent all of 2022 with Double-A Binghamton where set career highs with 26 home runs, 26 doubles, and 89 RBIs. During the offseason, Mauricio played in the Dominican Winter League where he was named the Most Valuable Player with a .287 batting average, 15 doubles, two triples, five home runs, and 31 RBIs in 46 games. The 21-year-old is rated by MLB Pipeline as the sixth-ranked prospect in New York's organization.

Roster Construction: In addition to top prospects, Syracuse's roster also features Major League experience. Infielders **José Peraza** (618 games), **DJ Stewart** (195 games), **Danny Mendick** (151 games) and **Jonathan Araúz** (68 games) have all spent multiple seasons in the Majors. Catcher **Michael Perez** (199 games) also brings Big League experience to Syracuse.

LHP **T.J. McFarland** leads Syracuse with 351 Major League appearances and 472.1 MLB innings pitched. The 33-year-old has appeared in at least 16 MLB games in each of the last ten seasons and at least 28 appearances in eight of the last ten years.

LHP **Joey Lucchesi** returns for a full season after undergoing Tommy John surgery in June 2021. Lucchesi made eight rehab appearances across three Mets minor league affiliates in 2022. The 29-year-old ranks second on the team with 337.2 innings pitched in 70 appearances. Rules: Pitch Clock: Just like in 2022, the pitch timer will be used in Triple-A. There will be 19 seconds between pitches with runners on base and 14 seconds with the bases empty in Triple-A (20 second/15 seconds in MLB). The batter must be in the batter's box and alert to the pitcher with eight or more seconds remaining on the timer.

Shift Restrictions: This season, teams are required to have a minimum of four infielders within the outer boundary of the infield with two infielders entirely on each side of second base.

Bigger Bases: Eighteen-inch bases will continue to be used in Triple-A. According to MLB, injury events near bases declined 13% in the Minors in 2022.
