# HALL OF FAME

## Spotlight

John Cangelosi hit the ground running when he got to Goodland Field at the start of the 1983 season and never stopped. Cangelosi, the fourth-round pick of the Chicago White Sox in the 1982 draft, stole 87 bases in 128 games with the Appleton Foxes in 1983. He had 124 hits, walked 99 times, and only struck out 81 times in 558 plate appearances.

The stolen base total was in some dispute. In a September 7, 1983 edition of The Post-Crescent, a story by Gary Shriver covered the controversy. John Boles, the manager of the Foxes, had 91 stolen bases for Cangelosi. Howe News Bureau of Boston, the official compiler of Midwest League stats, had Cangelosi at 86 stolen bases. After a check and a few rechecks, the final official total was 87 after a discovery that someone forgot to put in one stolen base into the computer.

Cangelosi missed out on four stolen bases, which would have broken the old Midwest League record of 90, but he did not miss out on a Midwest League title in his first full season as a pro as he had big contributions to the Foxes beating the Springfield Cardinals for the 1983 pennant.

In Game Three of the Championship Series at Goodland Field, Cangelosi stole four bases, including home in the first inning. He also drove in a run and scored another run in the Foxes 8-7 win for a 2-1 lead in the best-of-five series. In Game Four, it was Cangelosi's arm that helped the Foxes. The score was tied 3-3 in the fifth inning with one out and the bases loaded for Springfield. Cangelosi caught a fly ball to center and threw out the runner at the plate for an inning-ending double play. The Foxes would take the lead in the sixth and went on to a 4-3 victory for their second straight title.

Cangelosi left Appleton after that season to play 11 seasons in the Majors with the White Sox, Pittsburgh Pirates, Texas Rangers, New York Mets, Houston Astros, Miami Marlins, and Colorado Rockies with 154 steals. He also was part of the 1997 Miami Marlins World Series title team.

When it was time for Cangelosi to be inducted into the Appleton Professional Baseball Hall of Fame in 2007, Milt Drier called to let him know. Milt also told Cangelosi that he had to bring all those stolen bases back with him! ♥

# TOP 30 PROSPECTS

The group of Milwaukee Brewers prospects collectively known as The Freshmen – Sal Frellick, Garret Mitchell, Joey Wiemer, Brice Turang, and Jackson Chourio – received a lot of attention last season, all were considered huge prospects in the system. They were the top five Brewers prospects when the 2023 Top 30 list was revealed in March of 2023 after all.

As we write this in early March of 2024 only Chourio, a Timber Rattler very briefly in 2022, has not made his MLB debut. By the time you read this, that will probably no longer be the case.

The top four Brewers Prospects – Chourio, Jacob Misiorowski, Jeferson Quero, and Tyler Black – have all played as Timber Rattlers. Not just that! All four of those former Rattlers mentioned are considered Top-50 Prospects in all baseball; Chourio (#2), Misiorowski (#33), Quero (#35), and Black (#46).

Back to the Brewers list, 12 of the Top-30 in the Milwaukee system played for the Rattlers before this season started. The number of Top-30 prospects will climb as 2024 progresses. Turn the page to see the rest of the 2024 Top 30 as it was when the list was unveiled on March 5.

MLB Pipeline updates their list every time a player spends enough time in the big leagues to graduate from prospect status or is traded. Plus, they will do major updates after the MLB Entry Draft when players who have been picked start signing their contracts.

Last season was amazing for the Wisconsin Timber Rattlers. Fans came out to see the new renovations. Players and coaches raved about their new facilities. Even the weather cooperated with just one home rainout during the season. The good times didn't end with the final game of 2023 as two publications graced our organization with major awards. Ballpark Digest bestowed their **2023 Ballpark of the Year** on Neuroscience Group Field at Fox Cities Stadium. Baseball America named Rob Zerjav as their **2023 Minor League Baseball Executive of the Year**.

"It's been a delight watching the Timber Rattlers and Rob Zerjav's ownership group go the extra mile in creating a great ballpark experience both for fans and players," said Ballpark Digest publisher Kevin Reichard. "It's no secret the last four years have been a challenging environment for MiLB teams, both because of the COVID-19 pandemic and the changing expectations from MiLB on the ballpark front. The renovations to Neuroscience Group Field at Fox Cities Stadium excel on both levels."

Past Ballpark of the Year Award winners have included MLB stadiums Target Field and Truist Park, and Triple-A stadiums that are the homes of the St. Paul Saints, Las Vegas Aviators, and El Paso Chihuahuas. Neuroscience Group Field became the first Midwest League stadium to win the Baseball Digest award.

"We are deeply honored to be named Ballpark Digest's Ballpark of the Year and we thank Kevin and his team for this tremendous recognition", said Timber Rattlers CEO and Managing Partner, Rob Zerjav. "We take a lot of pride in our almost 30-year-old stadium and have been very strategic with our renovation plans over the years to ensure we are providing the newest amenities while keeping some of our old-school charm. Our recent renovation couldn't have been received any better by our players and our fans. To have that hard work noticed by Ballpark Digest is the cherry on top."

Zerjav has been a constant for Timber Rattlers baseball since starting as an unpaid intern in 1997. He worked his way up to become President and General Manager in 2002 and became CEO and Managing Partner of Third Base Ventures when the new ownership group bought the Rattlers in December of 2020. That journey and the outstanding season of 2023 was recognized by Baseball America, a premier publication that has covered all levels of baseball since 1981.

"We are extremely proud of Rob for being honored as Baseball America's Minor League Executive of the Year," said Craig Dickman, Chairman of Third Base Ventures. "Rob's passion for ensuring a memorable experience at our ballpark for fans, players, and partners alike has been a driving force behind our success."

If you are reading this story during our opening series with Peoria in April, during our last home game of the season on September 1, or just looking through this in the future, our continued success begins today and it begins with you.

*Thank you, Timber Rattlers fans!*

# 2024 COACHING STAFF

## **VICTOR ESTEVEZ** **FIELD MANAGER**

Estevez is in his 12th season as a member of the Milwaukee organization. He started as an infield coach for the Dominican Summer League affiliates in 2013 before becoming the manager of the DSL Brewers in 2016, a position he held through the 2021 season.

Last year was his second season in charge at Carolina. Estevez was named the Carolina League Manager of the Year in 2023 after the Mudcats compiled a 72-55 record and qualified for the playoffs for the first time since 2008. He is 302-300 in his minor league managerial career prior to this season.

A native of the Dominican Republic, Estevez was a player in the Arizona Diamondbacks organization from 2007 through 2010 after signing as an International Free Agent.

Estevez played two seasons (2009 and 2010) in the Midwest League for the South Bend Silver Hawks and played seven games against the Timber Rattlers, including three at Wisconsin in July of 2009, during his time with South Bend. Estevez completed his first season as the manager of Leones del Escogido in the Dominican Winter League in January.

## **JOSH SPENCE** **PITCHING COACH**

Spence, who hails from Geelong, Victoria, Australia, begins his first full season as the pitching coach of the Timber Rattlers.

He took over as Wisconsin's pitching coach in June of last season after Drew Thomas took a position at the University of Central Florida.

The former major league pitcher with the San Diego Padres played for current Milwaukee Brewers manager Pat Murphy at Arizona State University and helped the team reach the NCAA Division I College World Series in 2009. Spence started his coaching career in the Padres organization in 2016 before joining the Brewers system in 2022.

## **TIM DOHERTY** **HITTING COACH**

Doherty is in his first season with the Brewers. Last year the Kansas City native was the hitting coach for the Harrisburg Senators, the Eastern League affiliate of the Washington Nationals.

He has moved up the ranks from college as a coach at Oral Roberts University,

Seminole Community College, Southwestern Louisiana, and Southwest Texas State University to the Independent Leagues when he coached and managed the Kansas City T-Bones.

Doherty moved on to the Boston Red Sox coaching staff in 2012, the Rochester Red Wings in the Minnesota system from 2013-2015, and the Colorado Rockies system in 2016 where he coached at several levels including on the major league staff in 2021. Doherty was with the Nationals in Wilmington in 2022 before moving to Harrisburg last season.

## **ERIC BUNNELL** **DEVELOPMENT COACH**

Bunnell has 19 years of collegiate coaching experience and joins the Milwaukee system from Youngtown State University. He had been the primary hitting coach for the Penguins since

2022. Bunnell played college baseball for Mount Union.

## **ANDRE RUCHE** **DEVELOPMENT COACH**

Ruche is in his first season with the Brewers and comes to the organization from Driveline Baseball. He has also worked with the South Florida Vipers and ABF Academy.

## **PAUL GONZALES** **ATHLETIC TRAINER**

Gonzales, who has degrees from California State University, Los Angeles and Pacific University, was the athletic trainer for the Brooklyn Cyclones, the South Atlantic League affiliate of the New York Mets in 2023. He had been in the Mets system since 2019 with stops as an athletic trainer in the Dominican Republic and in the Mets Port St. Lucie, Florida Complex.

## **JIM BUCKLEY** **STRENGTH & CONDITIONING SPECIALIST**

# TOP-10 THINGS TO DO at the Timber Rattlers

## 1 TRY THE GYRO WAFFLE FRIES

The winning recipe of this year's Food Fight was waffle fries topped with diced tomatoes, kalamata olives, feta cheese, gyro meat, and tzatziki sauce. Swing by the main concession stand on the third base concourse to try the "Gyro Waffle Fries", submitted by Hayley Tenpas of Hortonville.

## 2 TAKE A PHOTO WITH FANG & WHIFFER

Our Mascots, Fang and Whiffer, are always roaming the ballpark ready to interact with fans. Look for them on the concourse or in the stands and have your phone ready to take a photo!

## 3 CATCH A FLYING BRAT

The world famous Bratzooka makes its appearance for fans every game at the end of the 4th inning. Pulled by our "Fang Mobile", the Bratzooka travels around the warning track shooting ready-to-eat brats into the stands. Celebrities and athletes the likes of Kate Flannery from *The Office*, Sam Dekker, Tim Dillard, Corey Hart, Bill Hall, and Jeopardy champion Ben Chan have shot the Bratzooka. Who will be next?

## 4 WALK THE 360° CONCOURSE

Burn off some of those calories and take a stroll around the 360 degree concourse. Completed at the beginning of last season, you can now walk all the way around the stadium to see the game like never before.

Who knows, maybe you'll find a new favorite spot to watch the game!

## 5 VISIT BREWS ON THIRD 21+

One of the coolest spots in the ballpark, Brews on Third is a beer garden area featuring yard games, bar top seats that face the field, and plenty of local beer to try. You can also up your beer drinking game by purchasing a 26 oz. "Beer Bat" and choose a bat with your favorite Rattlers identity logo on the side of it; Udder Tuggers, Brats, Shantymen, and Cascabeles.

## 6 RIDE THE SLIDE

Finished last season in May of 2023, the Capitol Credit Union slide stands 32 feet tall with a 48 feet slide for fans of all ages to enjoy. Single slides are only \$2 each and all-you-can-slide wristbands are \$7, which also gives access to the Kids Zone (for ages 12 & under). You know you want to go down it, we won't judge!

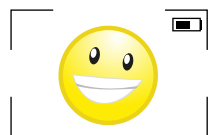

## 7 VISIT THE SNAKE PIT TEAM STORE

Make sure to pop into the Snake Pit Team Store to see the latest styles for all our identities. We have just about everything to cap off your trip to Neuroscience Group Field. Speaking of caps, the Hat Room located in the Snake Pit is an amazing new addition and always fully stocked.

## 8 HAVE A BALL IN THE KIDS ZONE 12 & UNDER

Send your little ones to the Kids Zone to burn off some energy! We have an inflatable slide, bounce house, hitting tee, playground, and giant sandbox. All-you-can-play Kids Zone wristbands are \$7.

## 9 APPEAR ON THE VIDEO WALL

Take a selfie or a photo of some delicious food during the game, then post it to your social media and use #TRatNation to have your photo appear on our video wall, located on the concourse behind home plate.

## 10 WATCH THE PITCHERS WARM UP

If you arrive early to the game, head over to the right field boardwalk to watch the starting pitchers warmup just a few feet below you. Keep an eye out for movement, because if you head over later in the game, you can watch the relievers prepare to enter the game.

# 20 YEARS OF PlayBall!

Fans who showed up for the April 8, 2004 home opener against the Clinton LumberKings were a part of history that they weren't aware of at the time. Play Ball! debuted on that day. Play Ball!, the magazine that you are reading right now, turns 20 this year!

The way things had been done for years in Minor League Baseball was publishing a program at the start of the season. The material inside stayed the same throughout the year. Fans bought a program the first time they attended a game, but there weren't a lot of repeat customers.

A decision was made after the 2003 season to change "the way things had been done". Other minor league teams had great success with Play Ball! starting a few years prior. The Timber Rattlers made the decision to join that bandwagon.

Technology had finally allowed for teams to publish a new program with some new material for each series. New rosters for both teams could be added. A new cover for every issue could be a photo from a recent series or of a current player. New players joining the team could be featured in a spotlight article.

Additionally, instead of charging fans \$3 or \$4 for each issue Play Ball! would be ad supported. Area businesses would buy advertisements in this new publication to cover the costs and fans would receive a Play Ball! as they entered the stadium. Our sponsors stepped up for that first season and advertising in the Play Ball! remains one of our most popular spaces for local companies to get their message out.

There have been some changes over the years with more different articles and QR codes. The number of issues each year has dropped from as many as 22 back when multiple teams came to town for one homestand with a new issue printed for each team down to just 12 issues this year.

We are extremely happy with how Play Ball! has been received since the first one was published in 2004. We thank you for supporting this experiment and for reading Play Ball! before the umpire yells, "Play ball!"

*Good fun!*

# The **BEST IDENTITIES** in

The Wisconsin Timber Rattlers have had a winning identity ever since the team name was chosen before the 1995 season and the opening of Fox Cities Stadium. The Timber Rattlers logo has undergone some minor changes over the years, but it has always been one of the top sellers in Minor League Baseball.

Sometimes, things need to change, even if it is for just one night. That is where we came up with the ideas for our alternate identities - fun logos and jerseys to freshen up our look and get the baseball world talking.

We may only be these teams a few games during the season, but they are popular the whole year!

## SINCE 2018 **WISCONSIN BRATS**

This is the alternate identity that started it for us. Wisconsin has a proud German heritage of polka, beer, and of course – bratwurst. We were looking for a fun logo and landed on a perfect one. The pants worn by the team are based on the traditional lederhosen of Bavaria. Players who have worn them say they are the most comfortable baseball pants they have ever worn.

**2024 DATES: THU, AUGUST 29 FRI, AUGUST 30 SAT, AUGUST 31**

## SINCE 2019 **WISCONSIN UDDER TUGGERS**

When it was announced that the Timber Rattlers would change their name to the Udder Tuggers for a game on June 20, 2019, the world went crazy. All Udder Tuggers merchandise in the Snake Pit Team Store sold out shortly after 3:00pm that same day. Then, we had 5,842 fans show up to watch the team beat Clinton 5-2. We knew we were on to something big. Udder Tuggers is now a four-game weekend to celebrate America's Dairyland!

**2024 DATES: THU, JUNE 27 FRI, JUNE 28 SAT, JUNE 29 SUN, JUNE 30**

## SINCE 2019 **LOS CASCABELES DE WISCONSIN**

Minor League Baseball began the Copa de la Diversión in 2018 with one of the main points being to "Embrace a culture that is passionate about baseball, family, and fun" by letting teams create an alternate identity to celebrate Hispanic culture. The Timber Rattlers got on board right away in 2019 with Los Cascabeles de Wisconsin! We've had so much fun with this identity and our Latino players have appreciated the support from fans.

**2024 DATES: SUN, MAY 5 WED, JUNE 26 TUE, AUGUST 13**

## SINCE 2023 **LAKE WINNEBAGO SHANTYMEN**

Our newest alternate identity recognizes a popular winter pastime in Northeastern Wisconsin. When the snow flies and the lakes are frozen, it's time to get out on Lake Winnebago to go spearfishing for sturgeon. All you need is a spear, some provisions, and a shanty for shelter from the elements. This alternate identity is so much fun that we had to share it. The Fond du Lac Dock Spiders (Northwoods League) also took the field as Shantymen last year.
