

2024 Hit a Home Run in Reading Program

Presented by Sound Transit

Teacher Directions Sheet

- Introduce program to students and parents in the week prior to beginning the program (newsletters, class discussions, handouts etc.)
- Prizes are:
 - AquaSox Bookmark Designed by a Reading Program Participant
 - Port of Subs Voucher
 - AquaSox Pin Voucher
 - One ticket to an AquaSox Game
- Set and explain classroom goal, as well as individual goals. This season we are providing weekly prizes and incentives to be used after each weekly goal is achieved. We have provided enough prizes for all students, so even if not all your readers finish the program, please distribute them to all! 😊
- Fill out class roster progress chart (if using).
- Pass out student progress sheets for at-home reading record (if using).
- Begin reading. Collect nightly reading sheets each week and distribute prizes as goals are met.
- Pass out AquaSox game vouchers (make sure students fill in name and school on back of voucher). Point out how they redeem their coupon (Directions will be on voucher).
- Make sure to take a ticket voucher for yourself if you are running the program in your classroom as well – we'd love to see you at the game!
- Questions/Concerns/Suggestions? See your building coordinator or please feel free to email Nellie Kemp at nelliek@aquasox.com
