Schooner became friends with the members of the Biloxi Shuckers front office staff and expressed his concerns with the team. He said he couldn't always fly over to inspire comebacks. Following his talk with the staff, Schooner began vigorous training all over the Mississippi Gulf Coast to become the Shuckers official mascot; he never wanted to miss a home game again!

Schooner starts each and every day with a balanced breakfast of blue wahoo and biscuits before taking on the most fun job in baseball, hanging out with his favorite fans to cheer on the team and dancing with his Schooners squad!

The Biloxi professional baseball team revealed their identity on November 24, 2014, as the Biloxi Shuckers took center stage during a ceremony inside Biloxi's historic Saenger Theatre.

The team name was selected after nearly 60,000 votes were cast during a month-long "Name the Team" contest yielded six finalists.

A tenacious oyster is the centerpiece of the identity, seen in the club's primary logo and home and alternate caps. The letters "BS" make up the road cap designation. The batting practice cap features the historic Biloxi Lighthouse resiliently rising above storm waters. Gulf Blue, Sand, Coral and Black make up the club's official colors, paying tribute to the Gulf Coast. The Shuckers are the first professional sports team to use this color combination. The logos and color scheme are seen throughout the home of the Shuckers, MGM Park.

**CREATING THE LOOK**

The Shuckers' look was brought to life by Brandiose, an industry leader in team identity creation. The development process began in March 2014 when Brandiose's partners Jason Klein and Casey White met in Biloxi with fans, staff and community members to learn about the stories, history, and personality of Biloxi.

"Biloxi is one of the most resilient cities in America," said Klein. "Our goal is to integrate Biloxi folklore in the Shuckers brand, and to create the most legendary entertainment experience on the Gulf Coast."

OFFICIAL COLORS

Featured by Southern Living and Forbes as one of the top ballparks in the country, MGM Park opened its gates for the first time on June 6, 2015. The newest jewel in the Mississippi Gulf Coast's crown combines sports and entertainment perfectly, providing fans with the ultimate hospitality experience. After more than a decade of efforts, the Mississippi Gulf Coast finally had its Minor League Baseball facility. Located just across Highway 90 from the Gulf of Mexico, MGM Park's capacity is 6,067 and features a boomerang-shaped grandstand, allowing fans to be closer to the action than at most parks. MGM Park's suite level contains eight suites on the first base side and four suites on the third base side. Each suite has outdoor seating for 12 guests and an overall capacity of 20. The Renova Roof Party Deck and First Base Party Deck are at each end of the suite level, offering capacity for up to 55 guests. Guests can enjoy the game from patio tables or stadium seating. The Kloud 7 SkyBox is located between suites 10 and 11, featuring an indoor-outdoor experience, fully stocked cash bar and all-you-can eat buffets. The blue waters of the Mississippi Sound, the inlet of the Gulf in Biloxi, can also be glimpsed on the horizon from the third base side of the suite level. The backdrop is the majestic Beau Rivage, which has been the state of Mississippi's tallest building since the casino opened on March 16, 1999. MGM Resorts International, the parent company of Beau Rivage and owner of the land on which the ballpark stands holds the naming rights of the ballpark. The name of the ballpark was officially announced on September 24, 2014.

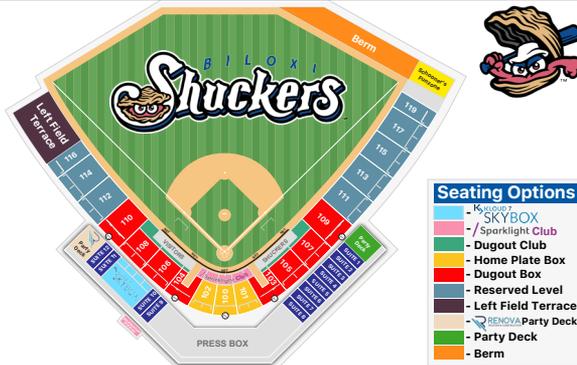

The exact plot of ground designated for the ballpark has a storied history. Biloxi's original resort hotel, the Buena Vista, was located where MGM Park now stands. It had five stories and 200 rooms and was constructed in 1924. Hurricane Camille in 1969 dealt massive damage to the structure and the grand facility never recovered. To commemorate the fact that MGM Park was built on the very site of this grand hotel, the beer garden down the ballpark's third-base line is dubbed the Buena Vista Beer Garden.

MGM Park is the fourth ballpark to ever host professional baseball games in Biloxi. The first was Point Comfort Park, although it was used for just part of the 1908 season by the Gulfport-Biloxi Sand Crabs of the Cotton State League. Biloxi Stadium, which opened in 1928, was the spring training home of the Washington Senators from 1930-1935 and the Philadelphia Phillies in 1938. In 2003, two games were played at Hollis Field, a high school facility, between the Pensacola Pelicans and Baton Rouge River Bats of the independent Southeastern League. None of the three ballparks that hosted professional baseball in the past in Biloxi still stand.

Guerrero begins his seventh season as Shuckers manager in 2023. Previously, he spent two seasons as the Brewers First Base Coach and Infield Coach from 2014 to 2015.

Guerrero has managed at every level in the Minor Leagues, going 1,380-1,221 (.530) over 24 seasons, with all but one season coming with the Milwaukee Brewers organization. Heading into the 2023 season, Guerrero's 1,383 regular-season wins are the seventh most among active Minor League managers. The seventh-year manager enters the season 20 wins away from 1,400 career wins. He earned his 1,000th career victory on July 14, 2016. Mike was named the 2018 Southern League Manager of the Year, his third overall Manager of Year honor.

The skipper led the Shuckers to a franchise-best regular-season record of 82-57 in 2019, earning a trip to the Southern League Championship Series for the second consecutive year. Overall, Guerrero has compiled a 315-258 record with the Shuckers, leading the team to a winning record in his first four seasons in charge.

Mike served as Manager for two seasons at Triple-A Nashville in 2012-13 prior to joining the Major League coaching staff. In 2013, he earned the Mike Coolbaugh Award, presented to an individual who has shown an outstanding baseball work ethic, knowledge of the game and skill in mentoring young players on the field.

Guerrero began his managing career in the Blue Jays organization in 1995 in the Dominican Summer League. He won the 2001 Dominican Summer League championship, qualified for the playoffs five times (1995, 2000, 2001, 2007, 2009) and was named the 2001 Manager of the Year. He also gained additional managerial experience in 2008 with the Oahu CaneFires of the Hawaiian Winter League and in 2010 with the Surprise Rafterers of the Arizona Fall League. He has also managed in the Dominican Winter League for Leones del Escogido during the 2004/05 season, Tigres del Licey from 2012-2014 and the Toros del Este in 2016/17.

The former Minor League infielder spent nine seasons with the Milwaukee (1987-92, '94-95) and Kansas City Royals (1993) organizations. Guerrero also appeared in 18 games for the Wei-Chun Dragons in the Chinese Professional Baseball League in 1994. He ended his career with a .242 career batting average over nine seasons as a middle infielder.

Mike and his brother, Sandy Guerrero, were born into a baseball family. His father, Epy, was a renowned scout in the Dominican Republic who unearthed over 50 Major League players for the Astros, Yankees, Blue Jays and Brewers. Mike was named after former Major League pitcher Mike Torrez, who was a friend of his father. His uncle, Mario Guerrero, was a Major League infielder with Boston (1973-74), St. Louis (1975), California (1976-77) and Oakland (1978-80).

Mike and his wife Larissa reside in Melbourne, Florida, and the couple has two sons, Michael and Daniel. Mike was born in Santo Domingo in the Dominican Republic.

Players on minor league injury rehab assignments for the Milwaukee Brewers will be made available to the media when possible with their schedule. All interview requests with rehabbing players must be authorized by a member of the Biloxi Shuckers media relations staff. In accordance with Major League Clubhouse policy, no starting pitcher will be made available for pregame interviews on the day they are starting.

### **VISITING PLAYER INTERVIEW REQUESTS**

All requests for visiting players should be organized in conjunction with that teams' media relations department. The Biloxi Shuckers media relations staff can help facilitate requests through other teams media relations departments.

### **FIELD/DUGOUTS**

Media members holding credentials that grant field access may be present in the foul territory/dugout areas up to one hour prior to the scheduled game. At no time are media members allowed to cross the foul lines into the field of play. Foul territory and dugout areas must be clear of ALL media exactly one hour prior to the start of the game unless a special request has been made to the Biloxi Shuckers Media Relations staff or college media relations staff.

### **PHOTOGRAPHERS/VIDEOGRAPHERS**

Photographers and videographers may utilize the on-field camera well next to the dugout on the first base and third base side of MGM Park. Space is limited, and all photographers/videographers must accommodate the space needs of the television camera operators and Biloxi Shuckers staff in this area. No photography is permitted on the field of play while the game is in progress. Special photo requests must be authorized by a member of the Biloxi Shuckers media relations staff.

### **PRESS BOX**

Limited space in the MGM Park press box (3rd floor) is available for WORKING MEDIA ONLY. Photographers and videographers may utilize the second and third rows of press row for editing. Game information, rosters, lineups and complimentary wired or wireless internet connection will be provided to you. There will be no cheering or rooting for either team at any point during the game. Individuals who violate press box rules will be removed and credentials revoked upon the discretion of the Biloxi Shuckers media relations department.

During the 2023 season, Shuckers fans will be able to catch all home and road games on the Biloxi Shuckers Radio Network. Coast Radio and WGCM-AM 1240 (FM 100.9) will yet again serve as the flagship radio station for the network.

**WGCM 1240**  WGCM-AM-1240 was the first radio station on the Mississippi Gulf Coast and is the second oldest in the state.

Fans will also be able to listen to all games, home and road, for free on the Shuckers' website and by using the MiLB First Pitch app on their mobile, tablet or home devices. Additionally, all games will be available in HD on MiLB.TV, a subscription-based service provided by Minor League Baseball.

Javik enters his first season with the Shuckers as the Media Relations contact and Broadcaster. Blake will serve as the "Voice of the Shuckers" for all 138 games during the 2023 season. He also will direct all media relations efforts, including game notes, press releases, stat packs, credentials and the 2023 Shuckers media guide.

Prior to joining the Shuckers, Blake served as the Broadcaster and Director of Media Relations for the Fond du Lac Dock Spiders in the Northwoods League where he spearheaded all game notes, press releases, the creation of the first-ever Dock Spiders media guide and the first virtual press box in the league. Outside the ballpark, Blake enjoys cooking, listening to music and watching any baseball he can.

## BASEBALL TERMS OF INTEREST

**Assists:** An assist shall be credited to each fielder who throws or deflects a batted or thrown ball in such a way that a putout results, or would have resulted except for a subsequent error by any fielder. Only one assist and no more shall be credited to each fielder who throws or deflects the ball in a run-down play which results in a putout, or would have resulted in a putout, except for a subsequent error.

**Batting Average:** Divide the numbers of hits by the number of official at-bats.

**Batting Title Qualifications:** To qualify for the Double-A South batting or slugging title, a player must have a minimum of 372 plate appearances (the equivalent of 2.7 plate appearances for each of the 138 scheduled games). However, a player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at-bats shall be awarded the batting championship.

**Consecutive-Game Hitting Streak:** A consecutive-game hitting streak shall not be terminated if all of a player's plate appearances result in a walk, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

**Consecutive-Game Playing Streak:** A consecutive-game playing streak shall extend if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance shall not extend the streak. If a player is ejected from a game by an umpire before he complies with the requirements of this rule, his streak shall continue.

**Day or Night Game:** Any game scheduled to start after 5:00 p.m. is considered a night game. A game scheduled to begin before 5:00 p.m., which is delayed by rain or any other reason, is still considered a day game. However, both games of a two-night doubleheader will be considered night games.

**Designated for Assignment:** When a player is taken off a Major League roster and is designated for assignment, such player must be released, traded, or his contract assigned within 10 days of the notice given.

**Designated Hitter Rule:** Since 2022, the Southern League has used a universal designated hitter regardless of affiliation.

**Earned Run Average:** Multiply the number of earned runs by nine; take the resulting number and divide it by the number of innings-pitched.

**Earned Run Average Title Qualifications:** To qualify for the Southern League ERA crown, a pitcher must have the lowest earned run average after at least 111 innings-pitched (the equivalent of 0.8 multiplied by the number of scheduled games -138).

**Fielding Average:** Divide the total putouts and assists by total putouts, assists and errors.

**Free Agency:** If a player has six years of Major League service, he is eligible for free agency. A player has 15 days from the first day following the World Series to file for free agency. A player is also eligible for free agency if he has played seven seasons or more in the Major or Minor Leagues and is not on a Major League team's 40-man roster as of October 15.

**Injured List:** In the Minor Leagues, players placed on the injured list must remain there a minimum of seven consecutive days. There is no limit to how many players can be on the injured list at one time and those on the injured list do not count toward the team's roster limit.

**Magic Number:** Determine the number of games yet to be played, add one, then subtract the number of games ahead in the lost column of the standings from the closest opponent.

**Major League Rehabilitation:** A Major League player may be assigned to a minor league affiliate for the purpose of injury rehabilitation for a maximum of 20 days for non-pitchers, and 30 days for pitchers. The player continues to receive his Major League salary. Any service with the minor league club shall be deemed Major League service. Rehabilitation assignments do not count as optional assignments. Players on rehabilitation assignment do not count against a team's roster limit.

**On-Base Percentage:** Take the total number of hits, walks, and hit-by-pitches and divide by the total number of at-bats, walks, hit-by-pitches, and sacrifice flies. Times awarded first base on interference or obstruction are not figured into on base percentage.

**Options:** An optional assignment of a player contract shall be permitted for not more than three seasons between Major League and Minor League clubs. Players optioned for less than a total of 20 days in one season shall not be charged with an optional transfer. Players who, prior to the start of the season, have been credited with less than five seasons in professional baseball, shall be eligible for a fourth optional assignment, without waivers, during that season. Since 2022, players can be optioned five times in a season. A player optioned six or more times must be placed on waivers after each ensuing option.

**Player Limits:** In Class Double-A in 2023, rosters will have 28 active players for the duration of the entire season. Players on the injured list or on rehabilitation assignment do not count against the 28-man active roster. In the Major Leagues, rosters are 40 until Opening Day, at which time they decrease to 26 players. Teams are limited to carrying 13 pitchers during this time. On September 1 through the end of the regular season, Major League rosters increase to 28 active players with a limit of 14 pitchers.

**Recalled:** When a player is on a Major League team's 40-man roster and added to the team's 26-man active roster during the season from the Minor Leagues, he has been recalled. If a player is not on the Major League 40-man roster, the Major League club must purchase his contract from the Minor League team and add him to its 40-man roster.

**Rookie Qualifications:** A player shall be considered a rookie unless; he has exceeded 130 at-bats or 50 innings-pitched in the Major Leagues or accumulated more than 45 days on the 26-man active roster of a Major League club or clubs. Time in military service and time on the injured list is excluded.

**Rule 5 Draft:** A player not on a Major League 40-man roster as of November 20 is eligible for the Rule 5 Draft if the player was 18 years of age or younger when he first signed a professional contract and this is the fourth Rule 5 Draft held since he signed. Or if the player was 19 years of age or older when he first signed a professional contract and this is the third Rule 5 Draft held since he signed.

**Save Rule:** Credit a pitcher with a save when he meets all three of the following conditions:

- He is the finishing pitcher in a game won by his club; and
- He is not the winning pitcher; and
- He qualifies under one of the following conditions:
  1. He enters the game with a lead of no more than three runs and pitches for at least one inning; or
  2. He enters the game, regardless of the count, with the potential tying run either already on base, at bat, or on deck, or
  3. He pitches effectively for at least three innings.

No more than one save may be credited in each game.

**Slugging Percentage:** Divide the total bases of all safe hits by the total number of at-bats.

**Suspended Game:** In the Southern League, any regular season game that is called before it is completed or is called at any point with the score tied shall become a suspended game. In accordance with Official Rule 4.12 (c), a suspended game must be resumed and completed from the exact point of suspension and must be played the number of innings it was originally scheduled to include. If the suspended game is called before becoming a regulation game (before the fifth inning), the regular game following the suspended game shall be a seven-inning game. If the suspended game is called after becoming a regulation game (from the fifth on), the regular game following the suspended game shall be a nine-inning game. Attendance reporting from suspended game shall reflect the number of fans present when the contest started, not when it was completed and does not qualify as a lost opening.

**Waivers:** If a player placed on Major League waivers is not claimed by another team after two (2) business days after waivers have been requested, the player has "cleared waivers" and the team has secured waivers for the remainder of the waiver period. The team then can send him to the Minor Leagues, trade him to another team prior to the Trade Deadline, or do nothing at all. After the trade deadline, players may still be placed and claimed on outright waivers, but trades are no longer permitted after that date (July 31). If a player does not clear waivers - he is claimed by another team or teams- the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned as follows: If only one claim is entered, the player's contract is assigned to the claiming club; if more than one club in the same league makes a claim, the club currently lower in the standings gets the player; if clubs in both leagues claim the player, preference shall always go the club in the same league as the club requesting waivers.

**Winning Pitcher:** The starting pitcher will be credited with the win only if he has pitched at least five complete innings and his team not only is in the lead when he is replaced, but remains in the lead the remainder of the game. When the starting pitcher does not meet the preceding criteria and more than one relief pitcher is used, the victory shall be awarded on the following basis:

- When, during the tenure of the starting pitcher, the winning team assumes the lead and maintains it to the finish of the game, credit the victory to the relief pitcher judged by the scorer to have been the most effective.
- Whenever the score is tied, the game becomes a new contest insofar as the winning and losing pitcher is concerned.
- Once the opposing team assumes the lead, all pitchers who have pitched up to that point are excluded from being credited with the victory except the current pitcher.
- The winning relief pitcher shall be the one who is the pitcher of record when his team assumes the lead and maintains it to the finish of the game.

## MEDICAL GLOSSARY

---

**AC Joint:** Acromioclavicular joint of the shoulder where acromion process of the scapula and the distal end of the clavicle meet; most shoulder separations occur at this point.

**Anterior:** In front of; the front surface of.

**Anterior Cruciate Ligament (ACL):** A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

**Anti-inflammatory:** Any agent which prevents inflammation, such as aspirin or ibuprofen.

**Arthrogram:** X-ray technique for joints using air and/or dye injected into the effected area; useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

**Arthroscopy:** A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. Arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

**Bone Scan:** An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. If the bone at the injury site takes up the radioactive substance, the injury will show a "hot spot" on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

**Cartilage:** Smooth, slippery substance preventing two ends of bones from rubbing together.

**Cat Scan:** Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

**Concussion:** Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

**Deltoid Muscle:** Muscles at the top of the arm, just below the shoulder, responsible for shoulder motions to the front, side and back.

**Disc:** A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

**Epicondylitis:** Inflammation in the elbow due to overuse.

**Femur:** Thigh bone; largest bone in the body.

**Fibula:** Smaller of the two bones in the lower leg; runs from the knee to the ankle along the outside of the lower leg.

**Fracture:** Any breach of continuity of a bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress, and transverse.

**Inflammation:** The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and/or loss of function.

**Labrum:** An edge, rim, or lip-shaped structure found in the shoulder joint.

**Lateral:** To the outside of the body.

**Ligament:** Band of fibrous tissue that connects bone to bone, or bone to cartilage and supports and strengthens joints.

**Magnetic Resonance Imaging (MRI):** Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react to this pulse and through this process a computer display and permanent film establish a visual image. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

**Medial:** To the inside of the body.

**Meniscus:** Crescent shaped cartilage, usually pertaining to the knee joint; also known as “cartilage.” There are two menisci in the knee: medial and lateral. These work to absorb weight within the knee and provide stability.

**Metacarpals:** Five long bones of the hand running from the wrist to the fingers

**Metatarsals:** Five long bones of the foot running from the ankle to the toes

**Posterior:** At the back part, or rear of the body.

**Posterior Cruciate Ligament (PCL):** A primary stabilizing ligament of the knee that provides significant stability and prevents displacement of the tibia backward within the knee joint. A complete tear of this ligament necessitating reconstruction could require up to 12 months of rehabilitation.

**Quadricep Muscles (“Quads”):** A group of four muscles of the front thigh that run from the hip and form a common tendon at the patella; they are responsible for knee extension.

**Rotator Cuff:** Comprised of four muscles in the shoulder area that can be irritated by overuse. The muscles are the supraspinatus (most commonly injured), infraspinatus, teres minor, and subscapularis.

**Shin Splint:** A catch-all syndrome describing pain in the shin that is not a fracture or tumor, and cannot be defined otherwise.

**Sprain:** Injury resulting from the stretch or twist of the joint and causes various degrees of stretch or tear of a ligament or other soft tissue at the joint.

**Strain:** Injury resulting from a pull or torsion to the muscle or tendon that causes various degrees of stretch or tear to the muscle or tendon tissue.

**Stress Fracture:** A hair-line type of break in a bone caused by overuse.

**Tendon:** Tissue that connects muscle to bone.

**Tendinitis:** Inflammation of the tendon and/or tendon sheath, caused by chronic overuse or sudden injury.

**Tibia:** Larger of the two bones of the lower leg and is the weight-bearing bone of the shin.

**Transverse Process:** Small lateral projection off the right and left side of each vertebrae that functions as an attachment site for muscles and ligaments of the spine.

**Ulnar Nerve:** Nerve in the elbow commonly irritated from excessive throwing.

**Ultrasound:** An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.

## PACE OF GAME REGULATIONS

**PITCH TIMER.** To encourage a crisp pace of play, Pitch Timers will be used at all full-season PDL levels. The Pace of Game Procedures that will be used in 2023 are very similar to the regulations that were used at the PDL levels during the 2022 season.

a. *Time by Level.* The amount of time on the Pitch Timer at each level of play is listed in the table below and will be unchanged from what was used at each level during the 2022 PDL season.

Level	Between Pitches Bases Empty	Between Pitches Runners On	Between Batters	Inning Breaks & Pitching Changes
MLB	0:15	0:20	0:30	2:15
AAA	0:14	0:19	0:30	2:15
A - AA	0:14	0:18	0:30	2:15

b. *Obligations of the Hitter.* Batters will be required to be in the batter's box and alert to the pitcher with 8 or more seconds remaining on the Timer, which is a change from the 9-second threshold used at all PDL levels in 2022. This change was made to align with the Major League version of the Pitch Timer and to respond to feedback from hitters who felt they could use additional time between pitches, particularly with the bases empty.

c. *Disengagement Rule.* If the pitcher makes a pickoff attempt at any base, feints a pickoff, or otherwise steps off the rubber with runners on base he shall be charged with a Disengagement. To ensure that pitchers do not circumvent the Pitch Timer regulations by stepping off the rubber, pitchers at all PDL levels shall be limited to a total of two Disengagements per plate appearance with runners on base. Consistent with the Disengagement Rule in use during the 2022 PDL season, the Disengagement count will not reset until the following plate appearance, even if a runner advances or is retired during a plate appearance. Please note that this is in contrast to the Major League level, where a pitcher's Disengagement count will reset if a runner advances during a plate appearance.

d. *Pitching Changes During an Inning Break.* The Between Inning Timer will not reset if a new pitcher enters the game during an inning break. Previously, the Between Inning Timer would reset to 2:15 when a new pitcher left the bullpen area. In 2023, the Between Inning Timer will start upon the final out of the previous half inning and will not reset unless signaled by the umpire. New pitchers entering the game should be prepared to leave the bullpen immediately and take their final warm-up pitches on the game mound prior to the start of the inning.

e. *Enforcement.* The Pitch Timer will be strictly enforced starting on Opening Day. There will be no "phase-in period" during the 2023 season, as the vast majority of players and umpires already have familiarity with the Pace of Game Procedures.

g. *Rehabilitation Assignments.* Major League Players on rehabilitation assignments will be subject to all the Pace of Game Procedures applicable to the level of play to which they are assigned. The only exception is that during the appearance of a Major League pitcher, the time between pitches will be 15 seconds with the bases empty and 20 seconds with runners on base (i.e., the settings used at the Major League level).

**BIGGER BASES.** Eighteen-inch bases will be used at all full-season levels of play and in the domestic Complex League throughout the 2023 season. Fifteen-inch bases will continue to be used in the Dominican Summer League. Bases will be positioned in the traditional configuration (i.e., consistent with what is used in the Major Leagues). Depending on the level of stolen base activity observed early in the 2023 season, second base may be repositioned in the second half of the season so that the base is entirely within the baseline. This change has the effect of reducing the distance between first base and second base and reducing the distance between second base and third base. As was the case last year, PDL Clubs that play on artificial surfaces may be exempt from repositioning, depending on the practicality of re-anchoring second base.

**RESTRICTIONS ON INFIELD POSITIONING.** At all PDL levels, the domestic Complex League, and in the Dominican Summer League, a minimum of four infielders (not including the pitcher and the catcher) will be required to be positioned within the outer boundary of the infield with two infielders entirely on each side of second base. Additionally, infielders may not switch sides during an inning unless there is a substitution for a defensive player other than the pitcher.

An additional restriction will be used in the Florida State League. The "Pie Slice" rule that was used in the second half of the 2022 season will be used again in 2023. This rule prevents middle infielders from positioning themselves in direct proximity to second base and is meant to open the middle of the field for base hits.

## PACE OF GAME REGULATIONS

---

**ENHANCED-GRIP BASEBALLS.** During the 2021 season, MLB began working with the Dow Company, a materials science leader, to develop an alternative to the Delaware River mud currently applied to the baseball. The objective of this project was and remains to develop a treatment process that allows pitchers to secure a better grip on the baseball – particularly in extreme environmental conditions – while not altering performance properties. The baseballs that undergo this treatment process (“Enhanced-Grip Baseballs”) are Major League baseballs manufactured by Rawlings and are identical to the baseballs that will be in use during the 2023 Major League season.

To evaluate the potential for these Enhanced-Grip Baseballs to be used at the Major League level in the future, Enhanced-Grip Baseballs will be used in the Southern League from Opening Day through July 13th (i.e., prior to the All-Star break). When games resume after the All-Star break, teams in the Southern League will use standard mudded Major League baseballs. This experimental design provides the best opportunity to collect feedback from players and coaches early in the season and to determine the impact that the treatment process has on performance properties (e.g., spin rate, drag).

# NASHVILLE SOUNDS (TRIPLE-A)

**2022 in Review:** The Nashville Sounds finished 2022 with a 91-58 record, winning the International League West Division to make their 15th postseason appearance in franchise history and first since 2016 when they were an affiliate of the Oakland Athletics. They were the only team in Minor League Baseball to surpass the 90-win mark and had a .611 winning percentage, the fourth-best in MiLB in 2022. Nashville ultimately fell in the International League Championship Game to the Durham Bulls, held in Las Vegas on October 1. Rick Sweet was named the 2022 International League Manager of the Year and moved to fifth all-time in Minor League Baseball history in managerial wins with 2,192.

**2022 in Review:** The Timber Rattlers posted a winning record in both halves to finish the 2022 campaign at 69-60. 40 of the Timber Rattlers' wins came at home, the eighth time in franchise history that the T-Rats have won at least 40 games at their home ballpark. Tristan Peters was named the Midwest League Player of the Month for May and paced the team in batting average, runs, hits and triples. Cam Robinson led the Midwest League in saves with 19 despite a promotion to Biloxi on July 4 and was named a Midwest League Postseason All-Star. INF Zavier Warren and OF Carlos Rodriguez were both recognized as Midwest League Players of the Week, and both Robin Yount winners, Jackson Chourio and RHP Carlos Rodriguez suited up for the T-Rats in 2022.

# CAROLINA MUDCATS (SINGLE-A)

**2022 in Review:** The 2022 Carolina Mudcats were one of the youngest teams in Minor League Baseball, with an average age of 20.5 for the entire roster. The Mudcats were the launching pad for Jackson Chourio, who rocketed onto the prospect scene with his performance in Carolina, leading the team in doubles and triples while playing just 62 games. For his efforts, Chourio was named the Carolina League MVP, the sixth player in Mudcats history to take home the league MVP. The Mudcats were particularly adept at throwing out base runners, catching a Minor League-leading 87 base stealers, the first team in MiLB with at least 80 caught stealing since 2016. Unfortunately, the Mudcats came a game shy of clinching a first half division title, meaning their playoff drought reached a Minor League-high 13 seasons.

In the bottom of the ninth, Joantgel Segovia drove in C.J. Hinojosa to tie the game before Dillon Thomas hit a walk-off homer to walk it off in 10 innings. All told, File tossed 8.1 innings and allowed one run on two hits while walking one and striking out six. Dillon Thomas and Jake Gatewood each homered for a second straight day to give Biloxi a 2-0 series lead... In Game Two, Dylan File was yet again masterful on the mound, tossing 6.0 innings and allowing one unearned run on four hits with no walks and nine strikeouts. For the Generals, Jeff Green countered with seven scoreless innings and the Generals took a 2-0 lead into the bottom of the eighth. In the last game of the season, Biloxi jumped out to a 1-0 lead on a Weston Wilson single. But in the bottom of the first, Jackson scored five runs against RHP Drew Rasmussen to take a lead they wouldn't relinquish. Brent Suter rounds third to score the winning run in the Shuckers first game at MGM Park on June 6, 2015

**APRIL 9, 2015 - FIRST GAME AT PENSACOLA**

The Shuckers rode the arm of right-hander Brooks Hall and a 3-for-4 night from Orlando Arcia, which included a pair of doubles and three RBI in a 4-0 shutout win at Pensacola. A pretty good omen for what was to come in the remaining 137 games. Catcher Adam Weiseburger collected the first hit in franchise history with a single in the top of the second inning. The Shuckers wrapped up the historic win and recorded their first of what would tie for a league-best 14 shutouts of the 2015 season.

**APRIL 14, 2015 - BILOXI MEETS ITS TEAM FOR THE FIRST TIME AT "MEET THE SHUCKERS"**

For the first time ever, the Shuckers met their fans. More than 1,000 crammed into Beau Rivage's Coast Restaurant for an event that exceeded expectations. Players and coaches were introduced and then signed autographs for the large gathering. Shuck Nation was born! Photos courtesy of Beau Rivage.

**APRIL 9TH - JUNE 5TH - A 54-GAME ROAD TRIP**

The most iconic portion of the 2015 season was probably the historic road trip. The Inaugural Biloxi Shuckers endured a seemingly endless 58-day, 54-game, eight-city road trip that spanned 2,800 miles. The historic road trip was chronicled by numerous publications, which included ESPN. The Worldwide Leader in Sports dedicated time on Sports Center, Baseball Tonight and nine pages in an August edition of ESPN The Magazine to the Shuckers.

The Shuckers won over 60% of the games while on the road (33-21).

The team traveled from Pensacola to Mobile, back to Pensacola, to Huntsville, Jackson (TN), back to Huntsville, then Chattanooga, Birmingham and finally ending up in Biloxi on June 6. Over the 2,800-mile pilgrimage 32 players suited up for the Shuckers.

## JUNE 6, 2015 - THE FIRST GAME AT MGM PARK

It was one of the most historic days for Biloxi, and for that matter, Minor League Baseball. The Shuckers came off the road on June 5th – winning an extra-inning game in Birmingham – loading the bus to Biloxi for the first time since the brief visit on April 14. The Shuckers arrived just before 4 am and would have a full day of ceremony, which served as an end to the 54-game road trip, but beginning of what no one could of ever expected.

The team began their day around 11 am and was part of the GameDay Experience with Biloxi Main Street, including a parade to their new home. The pregame festivities featured Southern League President Lori Webb, Brewers General Manager Doug Melvin, Minor League Baseball President Pat O'Conner, Mississippi Governor Phil Bryant and many more. ESPN concluded their features of the club on this date and the final piece could not have been scripted any better.

MGM Park opened its gates for the first time on June 6, 2015 as

Tyler Wagner threw the first pitch to Mobile's Jack Reinheimer at 7:07 p.m. CT. The Shuckers fell behind by a run in the top of the 14th inning, but Nick Shaw followed a single by Parker Berberet with one of his own, scoring pinch runner and pitcher Brent Suter from second base. Suter took a detour around third base coach and skipper Carlos Subero, but the grinning southpaw eventually scored. Let the celebration begin!

After the season, MiLB.com writers and readers named the Shuckers' homecoming its 2015 "Game of the Year", earning the MiLB award. Out of over 20,000 games played around Minor League Baseball in 2015 – that was the pinnacle.

## SOUTHERN LEAGUE RECORD 10 SHUCKERS PLAY IN ALL-STAR GAME

The Shuckers made history with a league-record 10 participants in the Southern League All-Star Game on June 23 at Riverwalk Stadium in Montgomery, AL. Relievers Austin Ross (2/3 IP, 2SO), Damien Magnifico (1/3 IP, 3R, 4H, SO) and 80% of the starting rotation, Brooks Hall (2/3 IP, 2 SO), Hobbs Johnson (2/3 IP, BB), Jorge Lopez (IP, 2H, R, BB, 2SO) and Tyler Wagner (IP, 2H). Position players Orlando Arcia (0x3, BB), Michael Reed (0x2), Nick Ramirez, 0x3, BB), Adam Weisenburger (1x1) played.

Despite a 9-0 walloping that the North put on the South, the 10 Shuckers broke a Southern League record for participants from one club in an All-Star Game. Kyle Wren and Jaye Chapman were named All-Stars, but had been promoted. The 12 selections tied the 2011 Tennessee Smokies for most since Division vs. Division formatting began in 1999.

## SHUCKERS WIN FIRST HALF SOUTH CHAMPIONSHIP

The Shuckers clinched the first half South Division title on June 14 at Trustmark Park in Pearl after a 9-0 rout of the Mississippi Braves. The Shuckers won three-straight games against the Braves to clinch what was the clubs sixth straight series. Biloxi outscored their inter-state rival 22-2 and pounded out 42 hits. The Shuckers clinched with six games remaining in the first half and joined only the Double-A Corpus Christi Hooks (HOU) of the Texas League as the first teams in Minor League Baseball to clinch a title in 2015.

The first half title earned MiLB.com's midseason MiLB Award for "Midseason Team of the Year".

## ARCIA BECOMES MINOR LEAGUE BASEBALL'S BREAKOUT PROSPECT

No player in baseball improved their stock more than Biloxi Shuckers shortstop Orlando Arcia. In December, Arcia was named "Breakout Prospect" of the Year by MiLB.com and was ranked as the 6th-best prospect in all of baseball according to MLB.com. Arcia was named the 2015 Brewers Minor League Player of the Year and was the recipient of the Rawlings Minor League Gold Glove Award® for excellence in defense at shortstop.

Arcia finished the 2015 season with the Shuckers batting .307/.347/.453 with 37 doubles, seven triples, 8 homers, 69 RBI and 25 stolen bases in 129 games. The 21-year-old finished his campaign leading the Southern league in doubles and ranked among the leaders in several categories including at-bats (2nd, 512), total bases (2nd, 232), extra-base hits (3rd, 52), RBI (4th), batting average (5th), slugging percentage (5th) and runs (5th, 74). He set new career-highs in almost every hitting category including runs, hits, doubles, triples and home runs.

He was named both a midseason and postseason Southern League All-Star in 2015. Arcia was honored with the League's Player of the Week award for May 25-June 1 when he batted .400 (10-25) with 6 runs, 5 doubles, a homer, 5 RBI and 2 walks in 6 games. In addition, he was selected to represent the World Team in the 2015 Futures Game at Great American Ball Park in Cincinnati. Arcia is also ranked as the top prospect in the Milwaukee Brewers organization according to MLB.com.

He was also named the Southern League Player of the Postseason by MiLB.com after going 12-for-30 with 7 extra-base hits and 10 RBI in eight games.

## SUBERO, LOPEZ EARN YEAR-END AWARDS

2015 Shuckers manager Carlos Subero was named the 2015 Southern League manager of the year and guided the Shuckers to a league-best 78-59 record, South Division title and berth in the Southern League Championship series. In early December the Brewers announced that Subero would join Craig Counsell's staff in Milwaukee as first base and infield coach.

Right-handed pitcher Jorge Lopez went 12-5 with a 2.26 ERA in 24 starts for the Shuckers in 2015 and was named the Southern League's Most Outstanding Pitcher and Brewers Minor League Pitcher of the Year. His 2.26 ERA was only behind teammate Tyler Wagner for the league-lead. The Cayey, Puerto Rico native struck out 137 batters, while walking 52. After going 5-2 with a 3.02 in 12 starts in the first half, the 22-year-old went 7-3 with a 1.59 ERA in his final 12 starts of the year. He finished his campaign tied for the league-lead in wins, placed third in strikeouts and led the league in WHIP (1.10), batting average against (.205) and fewest baserunners per nine innings ratio (10.05).

Lopez was named Brewers Minor League Pitcher of the Month for each of the final three months of the season.

## SIX SHUCKERS PROMOTED TO MILWAUKEE AFTER CHAMPIONSHIP SERIES

Biloxi pitchers Yonathan Barrios, Adrian Houser, Jorge Lopez and Tyler Wagner joined infielder Yadiel Rivera and outfielder Michael Reed etched their names in Shuckers' lore as the first six to be promoted to the majors. Wagner became the first and the answer to the trivia question: Who was the first Biloxi Shucker to debut in the majors? His MLB debut was somewhat forgettable, giving up a first inning long ball to Paul Goldschmidt and suffering through a 3.2 inning performance, yielding five runs. But, the Brewers won a 17-inning marathon over Arizona, 7-6 and Wagner was immediately optioned back to the minors. Not 12 hours removed from the final game on September 21, the bus swung by Chattanooga's airport, dropping off players who were headed abroad and the six headed for the bigs. The "Biloxi 6" joined the Brewers on the road in Chicago.

Less than 24 hours removed from losing in the Southern League Championship, the "Biloxi 6" were at Wrigley Field, full fledged major league baseball players.

The first of the debuts would come two days later, and from Yadiel Rivera. He started as short and in the top of the second inning against All-Star Michael Wacha, he worked an 11-pitch at-bat and eventually singled through the left side of the infield.

The next debut and third for the Shuckers was reliever Yhonathan Barrios in the eighth inning of the same game. The right-hander acquired by Milwaukee on July 23 struck out Matt Carpenter with an 87 mph changeup.

In two games against the Cardinals, Barrios struck out five over 2.2 shutout innings, 3 hits and no walks.

On September 26th, five Biloxi Shuckers appeared in Milwaukee's 5-1 loss to the Cardinals at Busch Stadium. Wagner started the game and struggled through 4.0 innings, giving up 5 earned runs on 6 hits, 4 walks and no strikeouts, suffering the

loss. Wagner, Barrios, Reed, Rivera and Houser would make an appearance.

In three MLB starts, Wagner, who was the Southern League ERA Champ at 2.25, is 0-2 with an 7.24 ERA, 7 walks and 5 strikeouts in 13.2 IP.

The fourth Shucker to debut and second position player was Reed. The 22-year-old from Cedar Park, TX made the of his pinch-hit opportunity with nobody out in the sixth, doubling off of lefty Jaime Garcia.

During the eighth inning of that game, Houser became the fifth Shucker to debut and the second of the blockbuster trade made by

the Brewers with Houston on July 30. Houser tossed a clean eighth inning and helped himself out on a pair of 1-3 putouts.

The last debut came on September 29th at San Diego as Southern League Most Out standing Pitcher Jorge Lopez faced off against Tyson Ross in the first of three at PETCO Park. It went pretty well for Lopez, striking out seven Padres over five innings and earning his first MLB win.

# BILOXI PRO BASEBALL HISTORY

**Front Office**

The 2015 relocation of the Huntsville Stars to Biloxi marked the arrival of the first professional team in the area in almost 90 years. While minor league records were not as exhaustive then as they are today (and many physical documents were lost during Hurricane Katrina in 2005), local historians have been able to piece together the story of Biloxi baseball through newspaper archives and eyewitness accounts.

**The Shuckers**

The history of baseball in the Biloxi area dates back to at least 1892, when amateur teams were first recorded to have played the sport. The first professional baseball team arrived in 1906 as the **Gulfport Crabs**, an entrant in the Class D Cotton States League. As the lowest level in the minor league system, Class D teams were limited to 14 players, including a player-manager, and required their pitchers to play other positions. The Crabs likely played on a large plot of land bound by 12th Street, 38th Avenue, 15th Street and 42nd Avenue in Gulfport, just south of the present-day Milner football stadium.

**Media Information**

After two years of low attendance in Gulfport, half of the team's stake was sold to a group from Biloxi. As a consequence, the team spent the 1908 season split between Gulfport and Biloxi as the **Gulfport-Biloxi Sand Crabs**. When in Biloxi, the team played at Point Comfort Park (bound by Oak and Maple Streets on the east and west, and 8th and 9th Streets on the south and north). Though the move helped increase attendance, the Cotton States League folded before the 1909 season and Biloxi was once again left without a team.

**Milwaukee Brewers**

While there was no permanent baseball in Biloxi for many years, several teams visited the area for Spring Training. The **Detroit Tigers** prepared for the season in Gulfport from 1913 to 1915, and the **Atlanta Crackers** of the Southern Association trained in nearby Bay St. Louis.

**2022 in Review**

By 1922, the Cotton States League had been revived and in 1926 the Brookhaven (MS) Truckers moved to the Coast area to become the **Gulfport Tarpons**. The new franchise played on the same grounds in Gulfport, which had by then been built up to a fairground that seated 2,500 spectators. Despite the improved accommodations, Gulfport's population was simply too small to support a team. Ownership once again proposed an agreement with Biloxi to split the team, but Biloxi instead devoted their baseball funds toward the creation of a new facility in the hopes of attracting Spring Training teams. The Tarpons moved to El Dorado, Arkansas to become the Lions before the 1929 season. Economic stress brought about by the Great Depression caused the Cotton States League to fold once again in 1932.

**Opponents**

After its final brush with full-time professional baseball, the coast area became a frequent Spring Training site for several Major and Minor league teams in the days before the Cactus and Grapefruit Leagues. The **Baltimore Orioles** and **Albany Senators** of the International League called Gulfport their southern home, as did the aforementioned Atlanta Crackers. The new stadium in Biloxi, built on Naval Reserve land populated with oak trees for ship construction, hosted the Casey Stengel-managed **Toledo Mud Hens** (American Association) for its first two springs. Joe Cronin and the major league **Washington Senators** (American League) occupied Biloxi Stadium for the next six springs, including their pennant-winning 1933 season (The last pennant for any D.C. baseball team until the 2019 Washington Nationals World Series Title). The **Milwaukee Brewers** of the American Association, market predecessors of the current Shuckers parent club, trained in Biloxi in 1937 before the **Philadelphia Phillies** (National League) closed out the Spring Training era in 1938. In 1941, the land surrounding Biloxi Stadium was claimed by the Department of War for the construction of Keesler Air Force Base.

**Shuckers History**

Several semi-pro teams kept baseball alive in Biloxi, Gulfport and D'Iberville in the years that followed, and Biloxi hosted the Southern Negro League's **Biloxi Dodgers** from the 1940s to the 1980s. After the turn of the 21st century, an effort spearheaded by Biloxi native and former MLB catcher Barry Lyons scheduled regular exhibition games between local teams in order to generate interest in a revival of professional baseball.

**Biloxi Pro Baseball**

Though preliminary efforts to move a Southern League franchise to Biloxi were put on hold after the devastation of Hurricane Katrina, allocation of funds from a BP response grant following an oil spill allowed for the construction of a state-of-the-art stadium in downtown Biloxi. With a home in place, the sale of the Huntsville Stars to food services executive Ken Young on December 18, 2014 brought a team to MGM Park and began a new era of Biloxi baseball. An exciting 2015 season saw the **Biloxi Shuckers** reach the Southern League championship and 2016 was highlighted by an exhibition game against the **Milwaukee Brewers**, the first visit by an MLB team since 1937. Moving forward, the Shuckers will honor their history while looking to make history of their own.

**ROBERT J. GILKS, 78,  
OLD BASEBALL STAR**

BRUNSWICK, Ga., Aug. 21 (AP)—Robert J. (Bobby) Gilks, former scout for the New York Yankees and a Southern Association manager, died at his home near here last night at the age of 78.

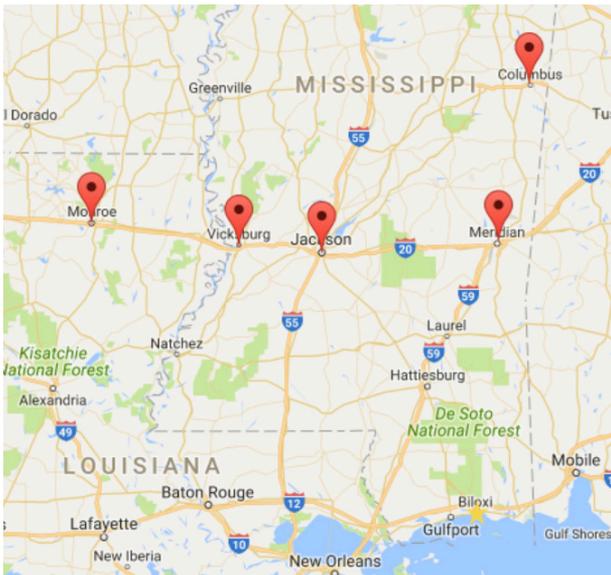

In 1903, 1904 and 1906 he piloted the Shreveport club of the Southern Association, and in 1914, the Montgomery team in the same league.

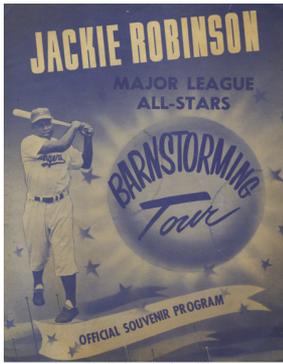

For many years Mr. Gilks was Southern section scout for the Yankees, being succeeded in 1923 by Johnny Nee, present scout. George Pipgras, noted Yankee pitcher and now an umpire in the American League, was one of the outstanding players signed by Mr. Gilks.

Mr. Gilks was one of the "Old Orioles," having played with Baltimore in the National League in 1892 and 1893 when John J. McGraw, Willie Keeler and Joe Kelley and Wilbert Robinson were breaking in as youngsters. One of his teammates was Bill Clarke, the veteran baseball coach at Princeton.

Before playing in Baltimore, however, Mr. Gilks had become famous as a pitcher and outfielder at Cleveland. He was the first outfielder to make the play—regarded then as most daring—of trapping a ball to gain a force play on the bases. He was so skillful at it that he figured in double plays on many occasions. He was also one of the first outfielders to make an unassisted double play.

Mr. Gilks was the first player to make two two-base hits with the bases full in one game, performing the feat on Aug. 5, 1890, at Cleveland. It has been equaled only three times in fifty-four years.

During the 1953 offseason, Jackie Robinson embarked on what would be his final barnstorming tour, and made a stop in Biloxi on November 2, 1953. The tour went through 32 cities across Virginia, North Carolina, Tennessee, Alabama, Mississippi, Louisiana and Florida.

On the tour, Robinson played against a team of Negro League All-Stars. His team featured plenty of Major Leaguers, including 2022 Hall of Fame inductee Gil Hodges, Luke Easter and Al Rosen of the Cleveland Indians, Bobby Young of the Baltimore Orioles and Ralph Branca of the Detroit Tigers.

Robinson and his All-Stars got underway at eight p.m. on November 2, 1953 at the Lee Street Diamond. It was estimated by the Sun Herald that over 9,000 fans turned out to see the contest. Luke Easter hit a two-run homer in the bottom of the first inning and Jackie Robinson drove in Gil Hodges in the bottom of the eighth inning to give his All-Stars a 6-5 victory.

Already a National League MVP and five-time All-Star by the time he passed through Biloxi, Robinson would help the Dodgers to their first World Series title two years later, defeating the New York Yankees in seven games in the 1955 World Series.

Along with being retired by every team in Major League Baseball, Robinson's number 42 is the only number retired for the Biloxi Shuckers.

**Robinson Stars  
Edge Negro Nine  
6 To 5 At Biloxi**

Big Luke Easter of the Cleveland Indians blasted a home run, Gil Hodges of the Brooklyn Dodgers rapped a double off the boards, and Jackie Robinson drove in the winning run with a sharp single through the box Monday night as Jackie Robinson's All-Stars edged past the Negro League All-Stars 6-5, at Biloxi.

One of the largest crowds ever to witness any sport activity on the Biloxi High School athletic field turned out to the Lee Street diamond to see the Big Leaguers in action. An announcement informed the fans that over 9,000 were in attendance.

Playing without the services of Al Rosen of the Cleveland Indians who had been listed on the roster, but who had not joined the team because of a back ailment, the Robinson Stars exploded for four runs in the first frame and added single tallies in the sixth and eighth to eke out their 6-5 verdict.

The Negro stars opened the scoring in the top half of the hello frame when they pushed across two runs with the aid of only one hit. A hit batsman, a single, a fielders choice and two walks accounted for the runs.

But in the bottom half of the initial frame the crowd got its moneys worth when Luke Easter uncorked on a two-one pitch to send it sailing over the right field fence for a home run, the only four ply blast of the game.

Bobby Young, Baltimore Oriole (formerly St. Louis Browns) second baseman, had walked just prior to Easter's four master, so when Big Luke uncorked his powerful drive, the score was knotted at 2-2.

The Robinson squad went on to add two more runs in the first frame. Gil Hodges reached first on an error and scored on McNeil's double to right. McNeil later scored on Glenn's sharp single over second.

However, the Negro League stars caught up in the second frame when they pushed across two markers, and later took a brief lead in the sixth inning when they scored one more run.

Robinson's stars knotted the count in their half of the sixth with a single tally and scored the winning run in the eighth.

A fitting climax to the game came in the eighth when Hodges walked to open the inning, stole second, and scored on Robinson's sharp single through the box.

Entertainment was provided fans by King Tut, the Clown Prince of Baseball, who works with the Indianapolis Clowns during the regular season, and his sidekick, BeBop, a pocket size dwarf. Their antics provided the crowd with laughs when the game was progressing slowly.

Sidney Wasserman, road manager for the troupe, said that the Stars would probably make Biloxi a regular stop on the winter circuit in the future. He said that he was well pleased with the turnout and that Biloxi's ball diamond was as good as he had seen in the south.

The Negro Southern League, sometimes known as the Gulf Coast Negro League, operated as a semi-professional league from 1936 to 1986, with league entrants from Mobile, Alabama to Jackson, Mississippi. The Biloxi Dodgers, Pascagoula Merchants, Moss Point Monarchs and Gulfport Angels represented the Coast area in the league.

**The Shuckers**

The Biloxi Dodgers played their home games at Lee Street Diamond on the land currently occupied by the southern end of the Ray and Joan Kroc Corps and Community Center, generally playing doubleheaders on Sunday's between 2 pm and 8 pm. The Dodgers were owned by Roselle Horne, who ran and owned the Streamline Barber Shop. According to Roselle's daughter, Kay, "My dad ate and slept baseball. The barbershop was a hub to come and talk baseball."

**Media Information**

Roselle had a color TV in the barber shop partially to bring in business but also so people could watch baseball on TV. Horne was a massive Los Angeles Dodgers fan, hence the reason for choosing the name for the Biloxi franchise. More than owning the team, Horne loved mentoring young men in the community and used the Dodgers to help do that.

**Milwaukee Brewers**

Many former Dodgers' players went on to professional success. Lionel Antoine played for the Dodgers before going on to play tight end at Southern Illinois. He was drafted third overall by the Chicago Bears in the 1972 Draft and was converted to offensive tackle. He played for the Bears from 1972 to 1978, appearing in 68 games, including 39 starts. Nathaniel Puryear, a right-handed pitcher, went to Stillman College after playing with the Dodgers and was selected in the second round of the 1976 draft by Cleveland. Puryear would pitch in the Southern League on two occasions, starting 20 games for the Chattanooga Lookouts in 1978 before returning to Chattanooga in 1982. The righty actually concluded his career in the Brewers' organization, pitching for Class-A Stockton in the California League in 1983.

**2022 in Review**

The Dodgers also featured Johnny Thompson, Randolph 'Kitty Kat' Peyton, Shelby Barnes, Ephron Lee, Stanley Buckley, Gary Dronet and Kevin Burdine and were led for most of their time by manager William Windham.

**Opponents**

The Negro Southern League holds the unique distinction of being integrated in reverse. Some white baseball players, like former Braves and Cardinals scout Lefty O'Neal, played on teams that were predominantly black in a transition period after Jackie Robinson broke the color barrier. O'Neal detailed his experience with the Biloxi Dodgers in his book "Dreaming of the Majors – Living in the Bush," in which he said "I will forever be grateful to Mr. Horne the barber, who was willing to break the color barrier and allow us to play for his team. He saw talent and didn't worry about color... A part of me will always be at Main Street and Lee Street, in Biloxi, Mississippi, and the players and fans will always have a special place in my heart."

Thousands came from across the region and neighboring Louisiana and Alabama to watch professional baseball at the Gulfport grass diamond created on the county Fair Grounds to lure the national teams. This circa-1915 postcard shows the entrance.

This was the old ball park in Old Biloxi. Its outfield fences were so far back as ball was never hit as a fair ball out of the park.
