

2024 Education Program Presented by Heritage Financial Credit Union

The Hudson Valley Renegades and Heritage Financial Credit Union continue the Education Program to bring the enjoyment of education and baseball to local elementary schools in the Hudson Valley! This program has been crafted to promote core values such as honesty, integrity, and teamwork, while conveying the excitement of baseball.

During the 2024 school year, the Hudson Valley Renegades and Heritage Financial Credit Union staff and team mascots will visit local elementary schools each month, from January to June. Representatives in attendance will share their experiences while stressing the importance of teamwork and financial literacy.

The Education Program is designed for elementary students in grades K through 6. Schools will be allotted a two-hour time block for educational programming. Programming for each visit will be predetermined, wherein instruction will be distinguishable according to grade level and classroom environment. Teachers are strongly encouraged to provide recommended content to be shared.

Each student in the participating classroom receives an Education Program branded Hudson Valley Renegades folder and bookmark!

Teachers can register their classroom via the form below. Each participating classroom/grade level should complete their own application. Applications should be submitted in pdf form via email to mcostello@hvrenegades.com. Please include "**2024 Education Program Application**" in the subject line of the email. You will be notified on the status of your application upon review.

Questions regarding the Education Program can be directed to Marcella, Community Relations Manager, via email or by phone at (845) 838-0094.

Thank you for your support to the Hudson Valley Renegades. We look forward to collaborating with you to educate on the importance of teamwork and financial literacy!
