

Columbus Clippers Media Relations and Broadcast Internship

The Columbus Clippers are hiring for the following position: Media Relations and Broadcast Intern.

The successful candidate will have a strong interest in Media Relations and sports and an interest in on-air radio/TV broadcasting.

This internship will report to both the Director of Media Relation and the Director of Broadcasting.

Responsibilities may include: assisting the Director of Media Relations with daily management of press box staff, supporting media members on site, and coordinating photography needs (working with all departments to meet requests and archive photos). Hosting of pregame and postgame show for all radio broadcasts (in-stadium for home games, from local studio for road games), assisting in recording interviews for broadcast and/or website, writing game recaps for team website and other duties as assigned. Internship will provide the opportunity to record full game play-by-play several times per week.

The intern must be eligible to receive college credit and will be paid an hourly wage.
