Services Engineer:	Fellenzer Engineering, LLP
Playing Surface:	Astro Turf
Pitcher's Mound:	Gumbo Clay
Batter's Circle:	Gumbo Clay
Suites:	8 Suites
Video Boards:	Daktronics

Heritage Financial Park was built in just 71 days in 1994. Crews bolted the last few seats into place when the gates were opening for the inaugural home opener on June 18, 1994 as the Renegades battled the Pittsfield Mets. The original Hudson Valley Renegades were an affiliate of the Texas Rangers before becoming a Rangers-Devil Rays co-op in 1996 and then a full-fledged affiliate of the Tampa Bay Devil Rays from 1997 through 2020.

A new affiliation with the New York Yankees took hold and the Hudson Valley Renegades opened a new era at the stadium in 2021.

The playing surface was natural grass from the stadium's opening until 2014, when the surface was replaced by Astro Turf.

HERITAGE Financial Park™

On March 21, 2023, the Hudson Valley Renegades, the High-A affiliate of the New York Yankees, and Heritage Financial Credit Union, a local Credit Union serving communities in and around the Hudson Valley for over 80 years, announced an agreement on a long-term stadium naming rights partnership.

In addition to the renaming of the facility, Heritage Financial Credit Union is also sponsoring several new community engagement and fan experience initiatives at the ballpark that will have an immediate impact in making life-long memories for the entire community.

"We are so pleased to partner with the Renegades as this new partnership closely aligns with our mission and further supports our community development outreach initiatives," said Michael Ciriello, President and CEO of the Credit Union. "We are beyond excited about this new opportunity to work closely with the Renegades to help positively impact the lives of those in our communities."

The Hudson Valley Renegades and their parent company, Diamond Baseball Holdings and Dutchess County are in the midst of a multi-year, \$25 million renovation project of Heritage Financial Credit Union Park. The project began in 2019 with the renovation of the seating bowl, with all-new seats being installed along with the re-surfacing of the parking lots outside of the stadium. New, energy-efficient LED lighting was installed prior to the 2021 season.

Following the 2022 season, the most expansive phase of the renovation began. The original outfield wall was demolished and replaced with a new, padded fence. The old clubhouse building was completely gutted and refurbished to house one expanded clubhouse and weight room, for use by the Renegades in 2023 and visiting teams from 2024 on. Visiting teams will use a temporary clubhouse structure for the 2023 season. Additionally, the outdoor batting cages will be enclosed so they may be used in all weather.

The final, highest-impact phase of the construction is slated to be completed by Opening Day 2024 -- a new, state-of-the-art home clubhouse building in left field with expanded seating options for fans and luxury club space. The clubhouse will also be home to a brand-new kitchen, home weight room, athletic training facilities, and batting cages to provide a first-class experience at the park to both fans and players.

The 2023 Hudson Valley Renegades Media Guide was produced by the Hudson Valley Renegades Public Relations Department. Research, writing, editing was done by Joe Vasile and Thomas Zinzarella. Design by Joe Vasile, Adam Baycora, Adam Marco and Adam Giardino. Photographs courtesy Dave Janosz, Adam Baycora, Anthony Sorbellini, Hannah Ally, and the Hudson Valley Renegades Photo Archive. Player headshots courtesy of the New York Yankees. Some research conducted with the help of the New York Yankees Media Relations Department, Major League Baseball, and Steve Gliner.

STADIUM GROUND RULES

1. Heritage Financial Park is an enclosed ballpark with fencing around its perimeter. Beyond the fencing is a dead ball area. Any signage extending over the top of the lower level of the outfield wall is recessed behind the wall and therefore not in play.
2. A ball off the backstop netting is in play. If the ball gets lodged in the netting or is lodged behind the netting, the ball is dead.
3. Camera wells are clearly marked and any ball that enters a media area is a dead ball.
4. Dugout areas are treated as described in the rulebook. The front and sides of the dugout are in play.
5. Pitchers and catchers are allowed to warm up in their respective bullpen areas. They must be protected by another player with a glove, stationed between the batter and a person of the warmup crew nearest the batter.
6. If a live ball goes near the bullpen area, members of the warmup crew must vacate the area and not interfere with any player or live ball.
7. Benches in the bullpen area are in play. Balls under the benches in the bullpen are therefore in play as well.
8. Any ball that enters the area behind / past the picnic pavilion in LF is out of play.
9. Any ball that becomes lodged underneath the padding of the outfield wall is a dead ball.

MEDIA POLICIES & INFORMATION

PRESS CREDENTIALS

If eschewing the online credential request form found on the Renegades Virtual Press Box, requests on official company letterhead should be:

-E-Mailed to jvasile@hvrenegades.com

-Mailed to: Hudson Valley Renegades Media Relations, Heritage Financial Park
1500 Rt. 9D, Wappingers Falls, NY 12590

HEALTH AND SAFETY PROTOCOLS

By receiving a media credential, a media member agrees to observe all MLB, MiLB and Club rules; any applicable government orders in a local market; and other precautionary steps that are in place to preserve health and safety. Failure to comply with any health and safety initiatives will result in a loss of access to the ballpark.

RESTRICTED AREAS

Approved media members will not be permitted in Restricted Areas or in close proximity to player, coaches and field staff. The Restricted Areas include clubhouses, locker rooms, dugouts, training rooms, weight rooms, interview rooms and any route inside the ballpark/facility utilized by players, coaches and field staff. This is subject to change pending guidance from Major League Baseball and/or the New York Yankees.

VIRTUAL INTERVIEWS

Approved media members may arrange for interviews with players, coaches and field staff by video conference or telephone call, and all shall be coordinated by Club Media Relations/Communications personnel. Pre-game interviews should be arranged prior to and following Renegades batting practice on game and practice days. Any one media member who cannot show proof of full vaccination must conduct all interviews virtually. This policy is subject to ongoing review by Major League Baseball and its Clubs, based on the advice of medical experts and the applicable local guidance in the host city.

PHOTOGRAPHERS

Photographers are allowed in the camera wells on the field during games provided they have on display a proper field photo pass issued by the Hudson Valley Renegades. Field access is restricted to the warning tracks only at all times. Any secondary use of any picture, audio description, film/tape or drawing of an event at Heritage Financial Park (including, but not limited to: the use in delayed editorial or non-editorial, advertising, sales promotion or merchandising) by a holder of a media pass is prohibited without prior specific written approval of the Hudson Valley Renegades.

PRESS BOX

The press box is located behind home plate on the upper suite level of Heritage Financial Park. Game information and statistics are available in the Press Box for media. Due to extremely limited space, there is no seating for media in the press box. Seating will be assigned to auxiliary areas, and a media member's credential entitles them to sit in any unoccupied seat in the ballpark. You are required to have an official credential on your person at all times.

INTERVIEWS

Pre-game interviews should be arranged prior to and following Renegades batting practice on game and practice days. For one-on-one interview requests, a 24-hour notice is required. Post-game interviews are available starting 10 minutes after every game. Pre-game media availability ends one hour before that game's scheduled first pitch.

MEDIA NOTES

Game information and statistics are available in the press box approximately two hours before game time. Anyone needing information earlier should contact the media relations department. Box scores and play-by-play sheets are available in the press box after the game. Additionally, game information will be available online via the Renegades Virtual Press Box (<https://www.milb.com/hudson-valley/team/pressbox>).

MEDIA GUIDES

The 2023 Hudson Valley Renegades Media Guide will be provided by a media relations representative upon request in addition to being posted on the official HV Renegades website (www.hvrenegades.com).

PERSONAL USE OF CREDENTIALS

Media credentials are for working media only. Any credential bearer found to be using their credential for personal reasons will immediately and permanently have their credential revoked by a member of the Renegades staff and be banned from receiving credentials from the Renegades in the future.

RENEGADES BASEBALL NETWORK

Prior to the 2023 season, the Hudson Valley Renegades and iHeartMedia announced that Z93 would be returning as the radio home of Renegades Baseball. Joe Vasile will be returning for his second season as the "Voice of the Renegades." Joining him in the booth this season is Thomas Zinzarella, who begins his first season with the team.

Z93 will air all 132 regular season games and all postseason games on its airwaves. Fans can catch the Renegades Baseball Network over the air at 93.3 FM, with coverage spanning parts of nine counties in New York and three states.

In addition to the over-the-air broadcast, all games will be streamed live over the internet with links available through hvrenegades.com and on z93hv.iheart.com. The games will also be streamed through the iHeartRadio App, available for free on all app stores.

When the Renegades are at home, follow along with all the action on MiLB.tv through a subscription to MLB At Bat and the Bally Live App.

JOE VASILE: Entering his second season with the Renegades, Joe came to the Hudson Valley after spending three seasons and four years with the Scranton/Wilkes-Barre RailRiders, the Triple-A affiliate of the New York Yankees. He began his career as the Broadcasting and Media Relations intern for the Fayetteville SwampDogs in 2014, where he was named the Coastal Plain League Broadcaster of the Year. He was promoted to Assistant General Manager and Broadcaster the next season, making him the youngest AGM in the industry.

A native of Paramus, New Jersey, in 2016, Joe was the Media Relations and Broadcasting Assistant for the Salem Red Sox, and held the same role with the Long Island Ducks in 2017 before starting with SVB. During the offseason Joe broadcasts a variety of college sports. He hosts the baseball history podcast "Secondary Lead," and is a 2013 graduate of The College of New Jersey with a B.A. in Communication Studies: Radio/TV/Film.

THOMAS ZINZARELLA: Joining the Renegades this season, Thomas arrives in Hudson Valley after spending last season as a Broadcast/Media Relations Assistant with the Biloxi Shuckers, the Double-A affiliate of the Milwaukee Brewers. He spent the previous season as the Voice of the Billings Mustangs of the Pioneer League.

In the offseason, Thomas is the Voice of the Bryant University Bulldogs Women's Basketball team and also broadcasts a wide range of sports across the New England area. A 2021 graduate of Providence College, he spent two summers broadcasting baseball with the Harwich Mariners and the Orleans Firebirds of the prestigious Cape Cod Baseball League.
