### MINOR LEAGUE BASEBALL EXTRA INNINGS RULE

At all levels of Minor League Baseball, extra innings will begin with a runner on second base. The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player). By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under the Official Baseball Rules.

For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player.

### DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

## CARDINALS MAJOR LEAGUE DEBUTS

Beginning with Josh Kinney on July 3, 2006, the Springfield Cardinals have seen 117 alumni move through Hammons Field to make their Major League debut with the St. Louis Cardinals. In 2021, three names were added to that list. The 2019 season saw the 100th alumni debut when Ryan Helsley got the call on April 16, 2019. Additionally, 30 alumni have debuted with 17 other Major League organizations over Springfield's 16 seasons.
