

Game Day Photography Internship **Northwest Arkansas Naturals Baseball**

The Northwest Arkansas Naturals are looking for an individual to participate as a photography intern during the 2026 season. In this role, you will capture dynamic photos during home games at Arvest Ballpark, including images of the ballpark, fan engagement, client activations, and action shots of players. You will work closely with the Senior Director of Marketing and the Marketing Coordinator, who will provide a list of specific photo requests for each game. The position requires availability from pre-game activities, through the conclusion of the game at agreed upon games. The photography intern can use these photos to build their own personal portfolio, but the team will request permission to use your photos for social media, website, and other marketing purposes.

Game Day Photography Intern Responsibilities:

- Responsible for taking photos at Naturals games at Arvest Ballpark
- Positively interact with fans and be creative with photos
 - Photographer will be given a list of photos to take, but can be creative with ideas and take additional photos during each game
- Work collaboratively with the Naturals staff, maintaining a high level of professionalism when photographing near the team and throughout the ballpark.
- Would have access to computer where intern can share and/or edit photos towards the end of each game
- Occasionally, you may be asked to photograph visiting teams during games, with the images being made available for their use as well.
- Photography interns will be asked to participate in Media Day during the first week of April, with the possibility of attending other non-game day events throughout the season (based on availability).

Requirements:

- Must be willing to work nights and weekends from April-September (TBD number of Naturals games)
- Must be willing to cooperate with all other areas of our organization
- Must have basic knowledge of baseball and be out-going with a willingness to help others
- Must have previous photography experience
- Must have personal equipment to utilize during games
- Must sign Major League Baseball media credential form prior to the season
- Videography experience is a plus, but not required
- Experience working with a sport team is a plus, but not required

This is an unpaid internship for college credit. Hours will rotate throughout the season but will be centered around home games at Arvest Ballpark so it will include nights, weekends, and the occasional holidays.

Those interested should email resumes to:
