PAPILLION, NEB. – The Omaha Storm Chasers used a six-run 7th inning surge ahead of the Columbus Clippers for a 10-3 win Thursday at Werner Park.

Five pitches into the opening frame, the Clippers plated the first runs of the game with a two-run homer to left field off Omaha starter Chandler Champlain ... in the 4th inning, Columbus added another run to increase the lead to 3-0.

While his Triple-A debut started rough with three straight hits, Champlain's final line on the night saw him put up a quality start, with just the 3 runs over 6.0 innings pitched with 5 strikeouts and 2 walks. ... from the point of a double play that got the first two outs of the 1st inning, the right-hander faced three over the minimum to end his start, retiring his final 7 hitters in a row and 9 of his last 10.

After three quiet innings, the Chasers scored their first runs in the bottom of the 4th inning as Tyler Gentry doubled to open the inning, then Ryan Fitzgerald bunted for a single to score Gentry an get Omaha on the board ... Omaha inched closer to the Columbus lead as Logan Porter crushed a home run to left center field in the bottom of the sixth inning to move the deficit to one run and a 3-2 Clippers lead.

With Omaha down by one, Colin Selby entered the mound for Omaha in the top of the 7th inning and worked around a leadoff walk to strand a potential run of insurance for the Clippers on third base.

Down by one run entering the bottom of the 7th, Fitzgerald, John Rave and Drew Waters all singled to load the bases for Nick Loftin, who drilled a grand slam to left field and lifted the Chasers ahead for the first time in the game ... After Porter singled, Nate Eaton then connected on a two-run home run to left field that increased the lead to 8-3 in favor of Omaha.

The scoring continued for the Omaha Storm chasers in the 8th inning, as Brian O'Keedefe opened the inning with a single and Fitzgerald connected on his sixth home run of the yea, a two-run shot to extend

the final two batters of the game.

NOTES AND NUGGETS

IN GOOD STANDINGS

Omaha's enters today's game in 1st place in the 20-team International League, with a 30-15 record (.667 winning percentage).

Scranton/Wilkes-Barre RailRiders (NYY Triple-A) sits a half game behind Omaha in the International League standings, at 31-17 and a .646 winning percentage.

Last year, Omaha did not win its 30th game until June 14, what was a 6-1 win over Columbus in the team's 62nd game of the year and the 7th game of an 11-game winning streak ... this year, Omaha's 30th win came in its 45th game, 17 games earlier.

TOO CLOSE FOR COMFORT

Omaha has won 4 straight series and 16 of its last 20 games... 14 of those 20 games have been decided by 3 runs or less, including 11 of the team's 16 wins in this stretch.

After Omaha's relievers had just 4 saves in the first 26 games, 9 of the last 14 wins have had a save awarded ... Will Klein has 3 saves in that span, while Walter Pennington and Sam Long have 2 saves each.

In total, 31 of Omaha's 45 games this year have been decided by 3 runs or fewer (69%), including 12 of 15 losses this season.

7TH INNING SLUGGERS

This week, the 7th inning has been Omaha's magic inning, with 13 of this week's 26 runs scored (50%) in that specific half inning over the first 3 games of the series.

On Tuesday, a 3-run 7th brought the Storm Chasers within a run ... on Wednesday, a 4-run 7th inning tied the score with Columbus and yesterday's 6-run 7th pushed Omaha ahead of the Clippers for the rest of the night.

Prior to this week, the 7th inning was one of the team's slower innings, with just 20 of Omaha's 250 runs (8%) scored in that inning, with 6 of the other 9 regulation innings being higher scoring frames prior to Tuesday.

I'M DIFFERENT, YEAH, I'M (RUN) DIFFERENT(IAL)

Omaha has outscored its opponents 276 to 210 this season, a +66 run differential.

A +66 run differential ranks as not just best in the International League, but the top mark at the Triple-A level and 3rd in Minor League Baseball ... Modesto leads all Minor League teams at +104 (277 to 173).

Omaha has had a positive run differential after 38 of 45 games this year, including 36 straight games, since April 9 ... last year, the Chasers only had a positive differential after 28 of the team's 145 games and never more than 15 days in a row.

YOU CAN COUNT ON ME

Two factors contributing to Omaha's success this season include the starting pitchers going deep into games and the offense providing their starters run support.

When Omaha's starter can get through at least 5.0 innings this year, the team has a 16-3 record, compared to 14-12 when starters don't make it through the 5th inning. When the offense can provide 3+ runs of support, the Storm Chasers are 20-4, while the team is just 10-12 when the offense offers 2 runs of support or less to the
