

Sacramento River Cats (23-15/59-54) vs. Sugar Land Space Cowboys (14-21/53-57)

RHP Landen Roupp (MLR; 0-0, ---) vs. RHP AJ Blubaugh (5-8, 5.76)

GAME 114 | HOME GAME 61 | SUNDAY, AUGUST 10, 2025 | 1:05 P.M. (PT) | SUTTER HEALTH PARK | WEST SACRAMENTO, CA

LAST TIME OUT: A two-run homer from **C Thomas Gavello** and a solo erased a 2-0 deficit while a **OF Luis Matos** solo blast gave Sacramento the lead, but it still took late game dramatics for the River Cats to win their sixth straight with a 4-3 win over the Sugar Land Space Cowboys on Saturday...Gavello was the hero with a walk-off bunt single, with **C Sam Huff** tripling to right center to set up the damage...Gavello finished 2-for-3 with three total RBI and his fourth homer of the year...Matos' blast was his fifth at Triple-A in 2025, finishing 1-for-4...Huff closed 2-for-3 with a double, walk and run scored in addition to the triple...**RHP Mason Black** took a no decision after lasting three innings and allowing two runs on four hits with three strikeouts and four walks...**RHP Sean Hjelte** went three full and allowed only one hit while striking out three...**RHP Ryan Watson** blew his fourth save but ended as the winning pitcher, allowing one run on two hits in the ninth inning despite otherwise striking out the side.

TODAY'S STARTER: **RHP Landen Roupp** begins a rehab assignment with Sacramento today, which will be his first Triple-A contest since he worked eight games with the River Cats in 2024... That season he was 0-1 with a 3.80 ERA (9 er, 21.1 ip), with his last outing coming on Aug. 4, 2024 against Reno when he threw one shutout relief frame...Prior to going down with injury, Roupp had worked 20 games with Sacramento (all starts), going 7-6 with a 3.11 ERA (35 er, 101.1 ip) and 95 strikeouts to just 42 walks...Four times this season he struck out eight or more, with a season best of nine coming on April 19 when the Giants faced the Los Angeles Angels on the road...Roupp is the second San Francisco hurler to go on rehab this season, joining **LHP Erik Miller** who worked one-third of an inning on Aug. 8.

FOLLOW THE LEADER: There are a handful of Sacramento River Cats that find themselves amongst the league leaders in the Pacific Coast League...Offensively, **OF Marco Luciano** is tied for third in home runs (20; tied for 10th in Triple-A)...and tied for third in walks (67; tied for fourth in Triple-A)...**OF Hunter Bishop** is tied for fourth in triples (six; tied for fifth in Triple-A)...From the mound, the River Cats frequent much of the PCL leaderboards among pitchers who qualify...In **ERA**, **RHP Mason Black** is third (4.89) and **RHP Trevor McDonald** is fourth (5.55)...In **innings pitched**, McDonald is first (105.1; tied for fifth in Triple-A) and Black is third (99.1)...In **strike-outs**, McDonald is first (109; tied for fifth in Triple-A) and Black is fourth (97)...In **opposing average**, Black is first (.225; fourth in Triple-A) and McDonald is fourth (.271)...In **WHIP**, Black is second (1.37) and McDonald is fourth (1.49)...McDonald's eight **wins** are tied for first (tied for sixth in Triple-A)...In **games started**, Black is tied for second (20) while McDonald is tied for sixth (18)...**RHP Ryan Watson** is tied for fourth in **saves** with seven.

SIX SHOOTER: A dramatic 4-3 walk-off win last night over Sugar Land made it six victories in a row for Sacramento, their second such streak this season...Over this stretch the River Cats are batting .254 (50-for-197) which, despite sitting over their season mark of .249 (947-for-3797), ranks just eighth in Pacific Coast League int hat time while also sitting in the bottom half of all other offensive statistical categories (excluding triples)...Where the River Cats have excelled is the mound as Sacramento leads the PCL with a 3.60 ERA (22 er, 55.0 ip)...Their 76 strikeouts on the mound lead all Triple-A in this time, while their 30 walks are tied for sixth in the PCL...Should the River Cats win again today, it would match their season best winning streak of seven games from earlier this season when they went seven games without a loss...That stretch started with a 6-2 win on June 29 at home over Oklahoma City and concluded with a 15-13 win in 11 innings on July 6 against the Aces in Reno...The streak was Sacramento's longest winning streak since they captured a franchise record 13 straight from Aug. 9-22, 2015...In that time the River Cats batted .287 (68-for-237) with 65 runs (9.3 per game) and a PCL leading 13 homers, and also led the PCL with a 4.43 ERA (32 er, 65.0 ip) while totaling 68 strikeouts (second in PCL).

HIGH SOCIETY: The win for the River Cats last night moved them to five games above .500 at 59-54 (.522), the best winning percentage they've been held at any point this season...Sacramento has not been four games above .500 since they finished the 2024 campaign 10 games over at 80-70 (.533)...In the second half of the 2025 season the River Cats are eight games over the level mark at 23-15, currently three games back of Tacoma in the PCL standings...The River Cats were only above the .500 mark for three days in the second half of 2024, though they finished the first half at 44-31.

HOME COOKING: The River Cats have now moved to a season best four games above .500 when playing at home, as they have won each of their last seven and 10 of their past 11 contests at Sutter Health Park...Sacramento bottomed out with a 13-19 record at home after a 7-4 loss to Oklahoma City on June 28, but since June 29 the River Cats are a combined 14-4 when playing at home which is the most wins in the PCL and tied for second in all Triple-A...While Sacramento's batting average is just .240 (135-for-563) which ranks ninth in the PCL, the River Cats have scored the fourth-most runs (109) in that span while tying for the second-most homers (26)...From the mound Sacramento is the only team to have a sub-4.00 ERA, sitting at 3.75 (68 er, 163.0 ip) with a Triple-A-leading 191 strikeouts to just 82 walks (sixth in PCL).

BRYCE WATCH: **IF Bryce Eldridge** was hitless in four trips to the plate last night with two strikeouts...So far in this series with Sugar Land, the former first-round pick is 5-for-18 (.278) with three runs scored, one homer, five RBI and three walks...Eldridge is looking to keep up his recent hot stretch, as last week against Albuquerque (7/29-8/3) he batted .417 (8-for-24) with six runs scored, three homers, nine RBI, and three walks...The week prior, he lit up the Aviators (7/22-7/27) by batting .261 (6-for-23) with five runs scored, one double, four homers (most in the PCL in that time), 11 RBI, and three walks.

THE SUMMER OF BRYCE: **IF Bryce Eldridge** has had quite the journey through this Triple-A season...The Virginia native logged a hit in each of his first three games, but followed with a cold spell in which he managed just three more hits in the next seven contests...Eldridge was starting to heat up prior to going down with injury on June 22, recording four multi-hit efforts while batting .375 (9-for-24) with three doubles, four RBI and one homer over his next six games...*Since his return from the All-Star Break* (7/18 vs. OKC), Eldridge is batting .270 (20-for-74) with 14 runs scored, one double, eight homers, 27 RBI, 10 walks, and a .957 OPS in 20 games...The 27 RBI leads all Triple-A during that time (next: 23, Jhostynxon Garcia, WOR)...When looking at his total Triple-A season, Eldridge is batting .252 (34-for-135) with 19 runs scored, four doubles, 11 homers, 40 RBI, 15 walks and a .846 OPS in 36 games...He's the fourth River Cat to reach the 40-RBI mark this year, but is the only to average more than one RBI per game (1.1 per game)...Overall in 2025 (combined with Double-A Richmond and the Rookie ACL Giants), San Francisco's No. 1 prospect (per MLB Pipeline, Baseball America, and ESPN) is batting .267 (71-for-266) with 34 runs scored, 12 doubles, 18 homers, 61 RBI, 29 walks, and a .852 OPS in 72 games...The 61 total RBI this season is the sixth-most among Minor Leaguers in the San Francisco organization.

BRYCE BOMBS: **IF Bryce Eldridge** has swatted some impressive big flies in his short Triple-A career...Among the highlights so far: hit a grand slam for his first Triple-A blast (6/5 at SUG); a 406-foot walk-off home run, the second of his professional career (7/23 vs. LV; first walk-off: 8/9/23 w/ ACL Giants); a two-homer game, the sixth River Cat to do so in 2025 (8/2 at ABQ; fifth of his professional career); homers in consecutive games twice this season (only River Cat to do so in 2025), including home runs in three straight from 8/2 at ABQ - 8/5 vs. SUG (second River Cat to do so in 2025); a game-tying three-run homer in the ninth inning of an eventual 10-9 win in 10 innings (8/5 vs. SUG)...All four of his most recent home runs have left the yard to the opposite field, giving him five on the season which is just one shy of the team lead by both **OF Grant McCray** and **OF Marco Luciano**...Eldridge now has a total of 11 homers in just 44 career Triple-A contests (including eight games in 2024), and has hit eight since the start of Sacramento's series with Las Vegas on July 22 which is the most in Triple-A during that time...On the whole for 2025, Eldridge has crushed 18 homers between Sacramento, Double-A Richmond and the ACL Giants (ROK), which is second-most of any San Francisco Minor Leaguer behind the 20 of **OF Marco Luciano**.

GET THE BROOMS: Sacramento has yet to lose this series against the Sugar Land Space Cowboys, and with a win can clinch a series sweep...Should they be successful, it would be Sacramento's first ever six-game sweep of an opponent, with the format first beginning in the 2021 season...While Sacramento won six straight games earlier this year over the Reno Aces, that was split into a pair of consecutive three-game sets between Sacramento (July 1-3) and Reno (4-6)...That first three-game set was Sacramento's first sweep in any location since they took three straight in Tacoma over the Rainiers from July 19-21, 2019, while this second gave Sacramento consecutive series sweeps for the first time since the 2015 campaign when they won consecutive four-game series against Round Rock (Aug. 15-18) and New Orleans (Aug. 19-22)...However, the River Cats have also been swept once this year, losing three in a row to Oklahoma City coming out of the All-Star Break from July 18-20...Overall the River Cats have swept a total of 69 series in franchise history while being swept only 39 times.

WALK IT (OFF) LIKE I TALK IT: Last night's walk-off win for the River Cats was their fifth of the season and second of the series against Sugar Land, as they also won game one of the series when OF Drew Gilbert ripped a single into the right-center gap for a 10-9 win in 10 innings...Last night's win saw **C Thomas Gavello** play the hero with a walk-off bunt, which is the first time that the River Cats have had a walk-off game decided by a bunt (either win or loss) since at least the 2018 season...Prior to this series, the last walk-off win came courtesy a **IF Bryce Eldridge** homer in a 3-2 win over the Las Vegas Aviators on July 23...All five of Sacramento's walk-off wins have come consecutively after dropping the first this season by a 10-9 final in Tacoma on April 12, moving to 5-1 in such games...Sacramento was 7-9 in walk-off games during the 2024 season, which included a total of four walk-off home runs from **IF Brett Wisely** (3/30 vs. SL; 4/30 vs. TAC), **OF Ismael Munguia** (5/14 vs. OKC), and **IF Cavan Biggio** (9/1 vs. LV).

THIS DAY IN RIVER CATS HISTORY

August 10, 2012

Sacramento blanked Oklahoma City by a 3-0 final in Oklahoma City, starting the game with a bang when Josh Donaldson ripped a homer with two outs in the first...Anthony Recker made sure to close on a high note, crushing his own homer in the ninth for his only hit of the day...Brett Anderson spun six shutout innings with four strikeouts for his first win of the season, while Jim Miller converted his third save with a clean ninth and two strikeouts.

NUMBER OF THE DAY

20

Last night marked Sacramento's 20th win when their pitchers do not make it through five full innings, sitting with an overall mark of 20-34 in such games this season...As expected, the River Cats fare better when starters work deeper into the game, logging a mark of 40-19 when Sacramento starters toss five or more innings.

*ADVANCED PITCHING STATS GLOSSARY
TBF: Total Batters Faced Total Batters Faced measures the total number of plate appearances hitters have made against him.
HR/9: Home Run Rate Home Rune Rate measures how many home runs a pitcher averages over nine innings. Of course, not many pitchers throw nine innings all at once anymore, but this is a way of standardizing the statistic so it's on an easy-to-understand scale like many other pitcher statistics which are scaled to 27 outs.
K% & BB%: Strikeout Rate and Walk Rate Strikeout rate (K%) and walk rate (BB%) measure how often a pitcher walks or strikes out a player per plate appearance. They're measured in percentage form, so it's easy to compare between players and years.
AVG: Batting Average Batting average is the rate of hits per at bat, calculated as hits/at bats.
BABIP: Batting Average on Balls In Play Batting Average on Balls In Play (BABIP) measures how often a ball in play goes for a hit. Typically around 30% of all balls in play fall for hits, but there are several variables that can affect BABIP rates for individual players, such as defense, luck, and talent level. Hitters have more control over their BABIP than pitchers do.
LOB%: Left On Base Percentage Left on Base Percentage (LOB%) measures the percentage of base runners that a pitcher strands on base over the course of a season. This stat does not use the left on base numbers reported in box scores, but instead is calculated using a pitcher's actual hits, walks, and runs allowed results.
xFIP: Expected Fielding Independent Pitching Fielding Independent Pitching measures what a player's ERA would look like over a given period of time if the pitcher were to have experienced league average results on balls in play and league average timing. xFIP Normalizes a pitcher's home runs allowed based on their fly ball rate rather than simply using the raw number of home runs allowed. (Due to no constant in Minor League Baseball, the xFIP statistic is aproximate)

*ADVANCED HITTING STATS GLOSSARY

PA: Plate Appearances
Plate Appearances are the total number of times a hitter completes a turn batting.

K% & BB%: Strikeout Rate and Walk Rate
Strikeout rate (K%) and walk rate (BB%) measure how often a position player walks or strikes out per plate appearance. They're measured in percentage form, so it's easy to compare between players and years.

ISO: Isolated Power
Isolated Power (ISO) is a measure of a hitter's raw power. Or, to look at it another way, it measures how good a player is at hitting for extra bases. The simplest way to calculate ISO is to subtract a player's Batting Average from their Slugging Percentage, which leaves us with a measure of just a player's extra bases per at bat.

BABIP: Batting Average on Balls In Play
Batting Average on Balls In Play (BABIP) measures how many of a batter's balls in play go for hits. Affected greatly by defense and luck, BABIP can dramatically affect a hit-ter's batting average. If a large number of a batter's balls in play go for hits, that can boost their batting average quite high. Similarly, if a large number of balls in play get caught, it can reduce a player's total offensive value.

wOBA: Weighted On-Base Average
Weighted On-Base Average combines all the different aspects of hitting into one metric, weighting each of them in proportion to their actual run value. While batting average, on-base percentage, and slugging percentage fall short in accuracy and scope, wOBA measures and captures offensive value more accurately and comprehensively. (Due to no constant in minor league baseball, the wOBA statistic is approximate).

wRC+: Weighted Runs Created Plus
Weighted Runs Created Plus measures the total number of runs a player contributes to their team. The formula accounts for a player's ability to get on base, their total number of bases, and their baserunning. The Plus version of the stat is park and league adjusted.
