PICNIC MENU

We are excited to be part of your special day at ShoreTown Ballpark. Below you will find food and beverage items you can add for your guests to enhance everyone's experience at the ballpark. Adding these additional items to your picnic means that neither your guests, nor you, have to leave the picnic area for additional food and beverage items. That means you have more time to sit back and enjoy the game! These items are also priced lower than what you would spend across the park! Again, we are excited to be part of your special day and look forward to working with you to create the best menu for your occasion! After you have had the opportunity to look through our offerings, please reach out to our Catering Manager, Payton Klein, at pklien@levyrestaurants.com to discuss details and confirm the details of your food and beverage experience.
