

★ High School Baseball Games ★

Play YOUR game at Neuroscience Group Field - home of the Timber Rattlers and the WIAA State Baseball Tournament! On select dates this season, we're giving High School, 14U, and Adult League teams the opportunity to play on the same field as the T-Rats and raise funds for their cause by selling Timber Rattlers game vouchers in your community.

Sell vouchers to your family, friends, and neighbors and use the fun of Timber Rattlers baseball as great fundraising opportunity for your team or cause!
