LAST GAME

The Bowie Baysox hit hard and often against the Binghamton Rumble Ponies on Friday night toward a 6-2 win. Bowie scored all of their runs in the first five innings of the game, highlighted by home runs by Toby Welk and J.D. Mundy. On the mound, Brandon Young hurled five innings of one-run ball, and Cameron Bishop followed with four innings of his own on the back end. Bowie kept Marcel Renteria working from behind all night, as the Baysox drew five walks against the starter, and seven walks overall. It was a stellar day at the plate for Mundy, as the left-hander collected the first four-hit day from a Baysox player this season, going 4-for-4 with his home run, a double, and two RBI.

TODAY'S OPPONENT

In the early goings of 2022, Binghamton has been hot on one end of the field, but not so hot on the other, leading to a 1-2 start. Starting this series, the Rumble Ponies .301 batting average is good for the second highest in the league, (Richmond hit .303 against Bowie in their Opening Weekend series) while their five home runs are tied for the most in the league. It was a slugfest for Binghamton against Hartford in their season-opening series, as the two teams exited the weekend ranked second and first in both slugging percentage and OPS, respectively. On the mound, Binghamton's 25 runs allowed is already the most in the league, but Bowie is not too far behind at 22. The two sides are having opposite issues with their pitching staffs, however, as Binghamton's starters have a 14.00 ERA, highest in the league, against Bowie's 3.18. From relievers, Bowie's 10.34 ERA is the highest in the league, nearly double Binghamton's 5.63.

TODAY'S OPPOSING STARTER

Right-handed Alex Valverde will make his second start of the season for the Rumble Ponies after a tough 2 1/3 innings in his season debut on Sunday. He gave up six earned runs in his first game in the Mets organization. Originally drafted by the Tampa Bay Rays, he spent his first four seasons in the organization, making 10 starts in 30 appearances for Double-A Montgomery last season. He pitched a strong August, encapsulating in a 2.84 ERA through five starts. Saturday will be the first time that he has ever pitched against an Oriole affiliate.

SOOTHING RELIEF

While the Baysox still suffer from the highest bullpen ERA in the Eastern League, at 7.96, it's still a sharp drop from just two days ago, when that number was 11.57. In their last three games, Baysox relievers have combined to throw 13 innings, allowing just four runs, striking out 18 batters and only walking two.

BRIGHT AND EARLY

Thanks in part to the work of their leadoff hitter Adam Hall and his .464 On-Base Percentage, the Baysox have been putting early pressure on pitchers lately. Bowie put the leadoff runner on base in each of the first five innings of their win yesterday, and six innings overall. On the season, Bowie's 1.119 OPS from the leadoff batter of an inning is the highest in all of Double-A. In the minors, only Aberdeen, the Orioles High-A affiliate, has a higher OPS at the start of an inning.

WELK PROVIDES THE WALLOP

Outfielder Toby Welk hammered his second home run in as many games last night. It is the third time in his career that Welk has homered on consecutive days, after doing it twice in 2021, including once on the road at Reading. Welk attended Penn State-Berks in Reading, and was drafted from the Division 3 school in the 21st round of the 2019 draft, the first player ever drafted from the school.

THE TOP STORY

For the first time, the Orioles have been selected as the best farm system in baseball by *MLB Pipeline*, including five players among the Top-100 Overall Prospects list. The publication cited how EVP Mike Elias, "revamped their Minor League operations, invested heavily in the Draft and began making splashes in the international market for the first time." during his current tenure to bring Baltimore on the cusp of contention again. In slight contrast to the top marks from *MLB Pipeline*, *Baseball America* has listed Baltimore as the fourth-best organization in baseball, trailing Seattle, Tampa Bay, and Pittsburgh. *Baseball America* lists a slightly lighter amount of depth in the Orioles system compared to its higher rankings, but still notes Baltimore as holding both the top pitching prospect in the game (Grayson Rodriguez) and the top overall prospect in the game. (Adley Rutschman) In 2017, prior to Mike Elias' tenure, *Baseball America* listed Baltimore as having the 27th-ranked organization in baseball.

QUICK HITS

TODAY'S STARTING PITCHER- Antonio Velez fired four scoreless innings in his Orioles organizational debut on Sunday. **See Page 2 for more.**

GROUND BALL HALL - Among qualified hitters in the Eastern League, Adam Hall has the highest rate of GB/FB, hitting 10x as many ground balls.

WHAT'S OLD IS NEW AGAIN - After a one-year pause, Minor League Baseball has reinstated the well-known league names across the country, putting Bowie back in the Eastern League

NEW RULES FOR ALL - In 2022, Double-A will feature larger bases (15 in. > 18 in.) and new limits on pick off attempts (Two step-offs per PA).

Player Notes

After the first weekend of the season, Haskin led all of Minor League Baseball with a slugging percentage of 1.583, thanks to an career-high three doubles on Opening Day, and a historic three home run day on the third day of the season. // Haskin's three home runs were just the sixth time in franchise history that a Baysox player collected three home runs in a game, and the first since Tucker Nathans on 5/13/17. // Haskin joked that the meal he had with infielder Gunnar Henderson at Olive Garden the night before was the lone difference in his usual routine, mentioning they shared a cheesecake. // Ranked as the Orioles #16 prospect entering the 2022 season according to MLB Pipeline, #22 according to Baseball America. // Named the Orioles Organization All-Star in the outfield by MiLB.com for his 2021 season. // Did not get to see the full season due to a thumb fracture in late August. // Played 26 games at Aberdeen, 57 at Delmarva. // Despite only playing 83 games, his 22 steals were good for fifth-most in the organization while his .381 OBP was fourth-best among qualified hitters. // Split his power over the two halves of his season. He hit all five of his home runs in his first 41 games of the season, and none in the remaining 42 games, including his entire stint with Aberdeen. // Previously drafted by Oakland in the 2018 draft out of high school, but elected not to sign. // Graduated from Avon Old Farms School, a notable all-male boarding school in Connecticut with many notable alumni, including 2017 World Series MVP George Springer, World Series-winning pitching coach Juan Nieves, and Hockey Hall of Famer and Stanley Cup Champion Brian Leetch. // Broke Springer's school record for stolen bases at Avon Old Farms. // Swing draws comparisons to Hunter Pence, but eliminated a leg kick from his swing that was used throughout his time at Tulane.

Baysox Manager Kyle Moore in 2021: "He's way more just mature and physical....this guy here has a chance to be an everyday shortstop in big leagues." // Orioles Manager David Hyde: "He's a really good defender. I've watched him here for up until major league camp the last few weeks. Love the way he plays defense, got great feet, great arm. It's accurate. Super active defensively. He's got really good instincts."

Coaching Staff

Manager: Kyle Moore

The 2022 season will be the 13th season for Moore in the Orioles organization. He played 29 games over two seasons (2010-11) before becoming a coach. He spent three seasons as a player/coach (2013 Frederick Keys, 2014 Bowie Baysox, 2015 Delmarva Shorebirds) before being named as the Shorebirds hitting coach in 2016 and the Keys hitting coach in 2017. Moore signed as a non-drafted free agent with the Orioles in 2010 after playing collegiately at the University of Alabama. As a high schooler, he starred at Edgewood Academy (AL), where he won three AISA state baseball championships. Kyle, his wife Whitney and their daughter Madilyn reside in Sarasota, FL.

Hitting Coach: Branden Becker

Becker was drafted by the Orioles in the 17th round of the Major League Baseball First-Year Player Draft in 2015 and played parts of four seasons in the organization before retiring in May, 2019. He rejoined the Orioles as the Fundamentals Coach for the IronBirds for the 2020 season before it was canceled. He served as the Hitting Coach for the Complex League Orioles in 2021.

Pitching Coach: Josh Conway

Conway was selected in the fourth round of the 2012 Major League Baseball First-Year Player Draft by the Chicago Cubs out of Coastal Carolina. He played three seasons with the Cubs organization, making it to Double-A in 2016. The Smithburg, Md native returned to the Chanticleers to complete his undergraduate degree and served as a student assistant and assistant pitching coach before joining the Orioles.
