Food and Beverage service

Hot food will be delivered upon group arrival and confirmation with your designated suite attendant. Any non-hot food will be in the suite prior to arrival. Once food is delivered, it will be removed from the suite after two hours due to local food safety regulations. Beverages will remain in the suite throughout the event; however, alcohol service ends at the start of the 7th inning. During your event, if you need to place an additional food order or need the assistance of a suite attendant, please pick up the phone located next to the door in your suite. You can visit milb.com/Nashville/tickets/mobiletickets for additional help on how to access your tickets and how to transfer them to guests. Each guest will need their own ticket on their device. Screenshots of tickets will not work, so please make sure you transfer tickets to each guest in advance of the game

Guest Arrival

Guests will show their ticket upon arrival to the group location. Each guest will receive a wristband to come and go from the area throughout the game. Anyone without a wristband will not be permitted at the group areas.

Rain Policy

If the game is rained out prior to gates opening, the entire group event can be rescheduled for another date (based on availability). If the game is rained out after gates are open, and the game becomes official, there are no refunds or exchanges. In the case that gates open, but the game does not become official, the tickets can be moved to an equal or lesser value ticket for a new game, but food and beverage is not refundable or exchangeable, since food and beverage is served. All weather updates can be found on our social media.

Each suite purchased includes two parking passes located in the surface lot across from the Right Field Gate. Pricing around First Horizon Park can vary from \$15.00 per vehicle to higher. We recommend that fans park in the parking garage located on the corner of Rep. John Lewis Way & Harrison Street. To purchase garage passes in advance please contact your Nashville Sounds Representative.

Small, single compartment clutches no larger than 5" x 9" are allowed into the ballpark. Any bag exceeding that size will need to be a clear bag. Exceptions include medical bags and diaper bags for guests accompanied by infant(s). This policy applies to goodie bags for birthdays and corporate outings.
