BREWERS LEADERSHIP

MARK ATTANASIO CHAIRMAN AND PRINCIPAL OWNER

Mark Attanasio enters his 22nd season as chairman and principal owner of the Milwaukee Brewers.

Over the course of Attanasio's leadership, the Brewers have been one of the National League's most competitive teams, holding the fourth-highest winning percentage in the NL since the 2005 season (.523). In 2025, Milwaukee appeared in its third National League Championship Series of his tenure after posting the best record in Major League Baseball (97-65) and winning its fourth National League Central Division title in the past five years. The Brewers have the seventh-most wins in the majors since Attanasio became principal owner. Over the past nine seasons, Milwaukee has reached the postseason seven times, missing out in 2017 and 2022 by just a single game. The team holds the second-highest winning percentage in the National League since 2017 (.562), trailing only the Dodgers. The Brewers are one of only three teams to win at least 86 games in each of the past eight full seasons (not including 2020), joining the Astros and Dodgers.

Over the past 22 years, Attanasio has been committed to the Brewers fan experience, and through significant investments, American Family Field has been and continues to be consistently rated as one of the best venues in all of sports. His dedication to the ballpark led to a monumental bi-partisan legislative agreement in 2023 to keep the Brewers in Milwaukee through at least 2050, which included a \$150 million commitment from the organization.

Further, Attanasio has prioritized efforts to have a broad, positive impact on the Milwaukee-area community and throughout Wisconsin. Through the establishment of Brewers Community Foundation (BCF), the team's charitable arm, and through community relations efforts year-round, the Brewers are an integral part of the fabric of the community. As a result of Attanasio's steadfast dedication to invest in these efforts, BCF has generated more than \$66 million over the past decade to support local non-profits in the areas of health, education, recreation and basic needs. Approximately 200 non-profit organizations receive funding annually through Brewers Community Foundation's grant process.

Attanasio remains focused on his longstanding objective to establish the organization as a champion both on and off the field, and he continues to work diligently to uphold the four cornerstone pledges he made to the Brewers and to the community when the team was purchased in 2005:

1. FIELDING A PERENNIALY COMPETITIVE TEAM

Attanasio works closely with Matt Arnold, the baseball operations staff and Pat Murphy in their efforts to build a sustainable pipeline of young talent that fans can count on for years to come, supplementing the team's veteran players to field a perennially competitive roster.

The organization was well-represented in the league's end-of-season awards in 2024, including Arnold earning MLB Executive of the Year and Murphy being named National League Manager of the Year. For the second time in franchise history, the Brewers had a pair of Rawlings Gold Glove Award winners in the same season with Sal Frelick and Brice Turang earning the honor for the first time in their careers. Turang was also awarded a Platinum Glove as the top overall defender in the National League. At the plate, William Contreras earned his second straight Silver Slugger Award as the best offensive catcher in the National League.

Last offseason, Milwaukee signed outfielder Jackson Chourio to an eight-year contract through 2031 with club options for 2032 and 2033, an industry-record commitment for a player without any Major League experience. Chourio made his Major League debut in 2024 and became the youngest player in Major League history to produce a season with at least 20 home runs and 20 stolen bases when he hit his 20th homer on September 12 at San Francisco (20 years, 185 days).

The Brewers have been prolific in developing talent through their farm system. The team funded and opened a new academy in the Dominican Republic in 2024, a key hub in the organization's player development facilities. The academy joins recent club investments such as rebuilding American Family Fields of Phoenix in 2019 as well as the acquisition of the Carolina Mudcats in 2017 with a new state-of-the-art stadium on the horizon for that affiliate for the 2026 season in Wilson, NC and a relaunch as the Wilson Warbirds.

BREWERS LEADERSHIP

2. DELIVERING THE BEST FAN EXPERIENCE POSSIBLE

Attanasio greatly values and appreciates the unwavering support of Brewers fans. Since 2008, the team has ranked in the top 10 in total season attendance eight times, exemplifying the power and passion of the Brewers fan base.

Attanasio's commitment to the fan experience has included funding numerous enhancements at American Family Field over the years. Most recent upgrades include new scoreboards with an eight-millimeter LED digital display overlooking center field and measuring 12,077 square feet as well as LED digital displays behind home plate and along the base lines. Following last season's success of the 3rd Street Market Hall Annex on the right field Loge Level, this year, the Brewers have added The Alley, Food Truck Park on the left field Loge Level, partnering with local owners to feature fare unique to Milwaukee. Further, continued improvements have been made to ease fans entrance and departure from the ballpark. This season, fans will be able to utilize MLB Go-Ahead Entry and Express Lanes.

3. REMAINING A LEADER IN THE COMMUNITY

Throughout Attanasio's tenure with the Brewers, he has remained personally dedicated to and involved with Brewers Community Foundation (BCF).

In 2024, BCF provided more than \$4.5 million in grants and scholarships to approximately 200 local non-profits supporting healthcare, education, recreation and basic needs and 32 Wisconsin-based students. As part of Brewers Buddies Tickets, more than 91,000 game tickets were donated to 218 different organizations in 2024. In 2025, the Foundation held four Drive for Charity events with fans donating pet supplies, peanut butter, socks, hats and mittens and scarves.

Along with Brewers alumni Larry Hisle and CBS 58, BCF collected 558 turkeys, 22,000 pounds of food and more than \$3,900 in cash donations for Hunger Task Force as part of the 13th annual Drive Thru Food Drive at Thanksgiving.

In addition to the fan support of the Foundation, all players, their families, team executives and front office staff contributed their time and/or financial resources in 2024.

4. BEING AN ORGANIZATION WHERE PEOPLE WANT TO WORK, WHETHER ON THE FIELD OR BEHIND THE SCENES

Attanasio has continued to deliver on his commitment to ensure the Brewers are one of the best places to work, not only in Greater Milwaukee, but in all of sports. Throughout his tenure as principal owner, the organization has grown as a desirable destination for some of Major League Baseball's top players, front office personnel and business executives.

Under Attanasio's leadership, the organization has created a culture focused on best practices and achieving excellence across all areas and departments. This includes providing all employees, including game-day staff, training and leadership development with an emphasis on embracing diversity, innovation and service to the community.

BEYOND THE BREWERS

Attanasio has been an accomplished investment management executive for more than 35 years. In addition to his role as chairman and principal owner of the Brewers, he is a managing partner of Crescent Capital Group, LP, a Los Angeles-based alternative asset management firm that he co-founded in 1991.

Attanasio holds positions on several not-for-profit boards, including the Los Angeles County Museum of Art and Harvard-Westlake School. He also has a leadership role as chairman of Major League Baseball's Investment Committee, and he previously served on the Executive Council. Additionally, he is a member of LA2028, the bid committee that successfully secured the 2028 Summer Olympic Games in Los Angeles. Attanasio is also an investor in the Milwaukee Admirals of the American Hockey League and the Norwich City Football Club in the English Championship League.

He is a member of the Strategic Sports Group owners, who invested in the PGA Tour, and is on the board of Rawlings Sporting Goods, an American sports equipment manufacturing company.

Attanasio received his A.B. from Brown University and his J.D. from the Columbia University School of Law. He and his wife, Debbie, have two sons, Dan and Mike, and two grandchildren.

BREWERS LEADERSHIP

RICK SCHLESINGER **PRESIDENT - BUSINESS OPERATIONS**

Rick Schlesinger enters his 24th season with the Brewers and seventh in his current position after being promoted on January 23, 2019. He has previously held roles with the organization as executive vice president of business operations (2003-10) and chief operating officer (2011-18).

Schlesinger oversees the organization's business operations, including finance, human resources, information technology, legal, sponsorships, marketing, ticketing, business analytics, broadcasting, communications, stadium operations and non-baseball special events.

Schlesinger serves on the board of directors of the Metropolitan Milwaukee Association of Commerce, the board of trustees at Barton College (NC) and on the board of visitors of the University of Wisconsin-Madison History Department. He also is a member of Major League Baseball's Youth Baseball Committee.

Schlesinger was named the 2025 Executive of the Year by the Milwaukee Business Journal. The Brewers organization has continued to innovate and grow under Schlesinger's guidance, delivering memorable fan experiences while strengthening partnerships across the region.

Under Schlesinger's leadership, the Brewers have established records in nearly every aspect of the business. More than 2.5 million fans have passed through the gates of American Family Field in 15 of the past 17 seasons (excluding the 2020 and 2021 restricted capacity seasons). In that time, the organization has focused on the fan experience, developed new and enhanced partnerships and completed several major development projects that benefit various stakeholders. Recent major investments in the fan experience at American Family Field include a new main scoreboard and a second digital board in right field (2024), the J. Leinenkugel's Barrel Yard (2023) and X-Golf (2022).

New projects include the UW Credit Union Plaza located just beyond the outfield, adjacent to the pedestrian bridge spanning Wisconsin Highway 175/Brewers Boulevard and connecting to the parking lots. Designed as a free, open-access space for fans, the plaza will feature a beer garden, a performance stage for live entertainment, a mini golf course and a play area for families. Additionally, a premium club will be added outside the main ballpark entrance.

In 2023, Schlesinger joined elected officials in leading a successful effort to secure a generational lease extension for the Brewers at American Family Field. The new lease and associated funding to maintain and improve the ballpark ensures that American Family Field will be home to the Brewers through at least 2050.

Prior to joining the organization, Schlesinger spent five seasons (1998-2002) as vice president of business and legal affairs/assistant general manager for the Anaheim Angels. He previously worked for Walt Disney Pictures and Television in motion picture development and production (1993-1998) and at the Los Angeles law firm of Latham and Watkins (1986-1993).

A Phi Beta Kappa graduate from the University of Wisconsin-Madison in 1983, Schlesinger received his Juris Doctor from Harvard Law School (cum laude) in 1986. A native of Bayside, Wisconsin, he currently resides in Hartland, Wisconsin, with his wife, Kate. They have five children, Bradley, Sam, Caitlin, Molly and Mathieu.

Arnold joined the Brewers on October 14, 2015 as vice president and assistant general manager. He was promoted to senior vice president and assistant general manager on June 1, 2019 and was named the 10th general manager in franchise history on November 19, 2020. Arnold began leading baseball operations on October 27, 2022 after David Stearns stepped down as president of baseball operations.

In his 10 seasons in the organization (2016-25), Arnold has helped lead the Brewers to the fifth-best record in the Major Leagues and second-best record in the National League (836-683, .550). During his time in Milwaukee, the team has qualified for the postseason seven times (2018-21, 2023-25) and has won five National League Central Division championships (2018, 2021, 2023-25). The Brewers have won at least 92 games in each of Arnold's three seasons overseeing baseball operations, including a franchise-record 97 victories in 2025. Arnold was named 2025 MLB Executive of the Year, becoming the first executive to receive the honor twice. The award, which was introduced in 2018, is voted on by executives from all 30 clubs prior to the start of the postseason. In 2024, Arnold became the first Brewers executive to win the award. He has also been honored as MLB Executive of the Year by The Sporting News (2024-25) and Baseball America (2024).

Arnold constructed a roster in 2025 that produced a franchise-record 97 wins and posted the best record in baseball (97-65) as the team qualified for the postseason for the seventh time in the last eight seasons and won the National League Central for the third consecutive season. He made a series of transactions that contributed to the successful season, including acquiring key contributors pitcher Quinn Priester and first baseman Andrew Vaughn in trades.

Prior to joining the Brewers, Arnold spent nine seasons with the Tampa Bay Rays, assisting then Executive Vice President of Baseball Operations Andrew Friedman and President of Baseball Operations Matt Silverman with player acquisitions, contract negotiations and player evaluations at all levels. His responsibilities also included strategic planning, foreign and domestic special assignments and coordinating advance scouting for the postseason.

Additionally, he worked to develop the process of integrating science, biomechanics and human movement analysis within all levels of baseball operations. During his time in Tampa Bay, the Rays won over 90 games in five of six years from 2008 to 2013 and qualified for the postseason four times (2008, 2010-11, 2013), including the team's first World Series appearance in 2008.

Arnold transitioned to Tampa Bay as a professional scout following the 2006 season after nearly five years in the Cincinnati Reds front office. During his tenure with the Rays, he was promoted to director of professional scouting in November 2009 and to director of player personnel in June 2015.

Arnold, who has 25 seasons of professional baseball experience, has also served roles with the Los Angeles Dodgers (2000), Texas Rangers (2002) and Cincinnati Reds (2003-06). In Cincinnati, Arnold served as assistant director of professional scouting with his duties including player analysis, financial planning and arbitration, and he was also involved in advance, amateur and professional scouting.

Originally from California, Arnold graduated from the University of California-Santa Barbara with a bachelor's degree in economics in 2001. He merited academic honors, including Sport Management Student of the Year.

WHAT'S IN
A WARBIRD

WHAT'S IN A WARBIRD

“Warbirds are retired military aircraft that have been restored, largely by civilian owners, almost always after the military has retired the model... Thousands of them are kept in flying condition, part of a commitment by aviation historians to keep the planes flying and not just part of a static display.”

--Plane and Pilot Magazine

Wilson Warbirds is a fusion of charm, attitude, and Wilson's whimsical essence. Inspired by vintage aircraft, the name conjures images of authentic, majestic military planes iconic to American history.

The Warbirds narrative connects to Wilson native Vollis Simpson, a WWII pilot-turned-artist whose Whirligig sculptures - several stories tall and powered by the wind - tower in Whirligig Park, located directly behind left field in the new downtown ballpark.

Designed to symbolize historical significance and unmatched speed, the logo celebrates community passions for baseball, aviation, and Americana.

Warbird restoration is a reverential process that parallels the active revitalization of Historic Downtown Wilson and echoes a commitment to preserving cultural legacy while embracing innovation.

The Wilson Warbirds brand identity spreads the community's wings through heritage and vision, welcoming all to the airshow and soaring to its rightful rank as the town's team.

INTRODUCING WILT

Long before he was racing kids on the concourse or leading the seventh inning stretch, Wilt ruled the skies. High above the fields and towns of North Carolina, Wilt was known as one of the fastest, bravest Warbirds around - soaring over the state's military bases, airfields, and hometowns with pride. He loved the roar of engines, the open sky, and representing the hardworking spirit of North Carolina. But every time Wilt flew low over the ballpark, he noticed something special.

The lights.
The cheers.
The crack of the bat.

Night after night, Wilt circled back, drawn to the energy of baseball and the community that filled the stands. He realized that while flying was thrilling, nothing matched the excitement of bringing people together. So Wilt made a bold decision. He landed. Permanently.

Trading the sky for the baselines, Wilt became the official Warbird of the team—ready to rally the crowd and make sure every fan leaves with a smile. Today, he may not fly at 30,000 feet, but he still brings the same speed, heart, and fearless attitude to the ballpark.

From the skies to the stands—Wilt the Warbird is here to stay.

BASEBALL IS BACK

PROFESSIONAL BASEBALL RETURNS TO WILSON

The 2026 season marks the first time in 53 years that a professional baseball team has called the city of Wilson home.

This season will add to the already deep legacy of baseball which dates back to the early 1900's.

ABOUT THE
CAROLINA LEAGUE

CAROLINA LEAGUE

Founded on October 29, 1944 following an organizational meeting in Durham, North Carolina. The Carolina League was the successor to the Class D Bi-State League that existed prior to World War II. The Carolina League began in 1945 playing their inaugural season with eight clubs based in Burlington, Durham, Greensboro, Leaksville, Raleigh, Winston-Salem along with Danville and Martinsville.

The league operated as a Class B League from 1949-62, Class A League from 1963-89, Class A-Advanced from 1990-2020 and, since 2021 have been a Class A affiliate.

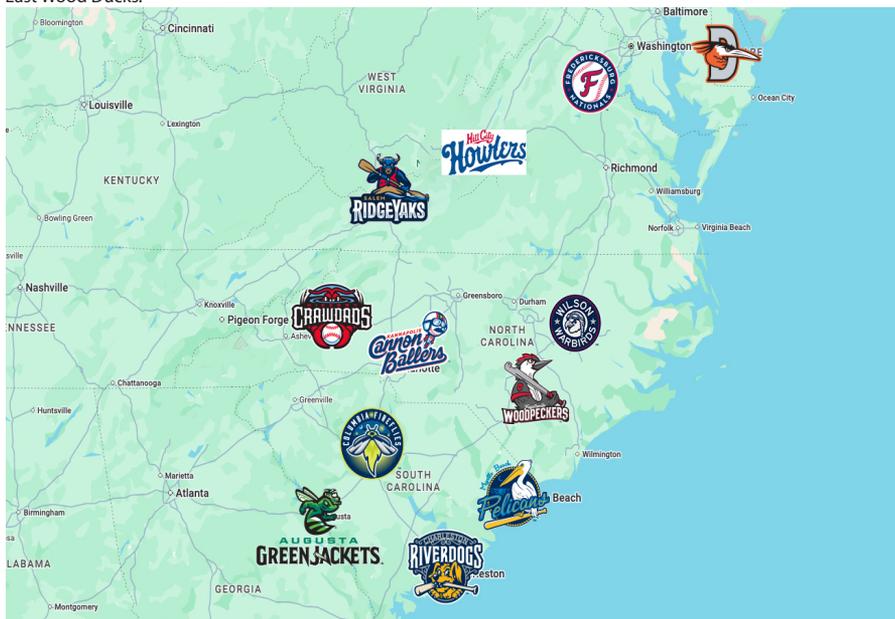

In 1988 the Carolina League saw its popularity rise when director and screenwriter, Ron Shelton's movie Bull Durham premiered, starring Kevin Costner, Tim Robbins and Susan Sarandon, which depicted a fictionalized account of the Durham Bulls, who at the time, were a Carolina League affiliate of the Atlanta Braves.

The Carolina League added two expansion teams in 2017 to fill vacant spots at the Class A-Advanced level that were previously occupied by Bakersfield and High Desert in the California League. Those additional teams were the Down East Wood Ducks in Kinston, North Carolina and the Buies Creek Astros in Buies Creek, North Carolina. Following the 2018 season, Buies Creek relocated to Fayetteville and became the Woodpeckers while Down East moved to Spartanburg, South Carolina prior to the 2025 campaign.

Additionally, the Potomac Nationals relocated within Northern Virginia to Fredericksburg and rebranded as the Nationals in 2019 and in 2026 the Salem Red Sox rebranded as the Salem RidgeYaks.

Finally, in July 2024 MiLB announced the Hickory Crawdads would join the Carolina League, replacing the Down East Wood Ducks.

The Shorebirds were originally affiliated with the Montreal Expos for the 1991-92 seasons and again from 1995-96 before their longstanding relationship with the Baltimore Orioles (1993-94, 1997-pres.)

By the way, a Shorebird is a diverse group of birds in the order of Charadriiformes which includes sandpipers, plovers, avocets, oystercatchers, and phalaropes. Approximately 235 species of Shorebirds are known, 87 of which occur regularly in the Americas for all or most of their lifecycle. As you might imagine, most Shorebirds can be found near water, seems like common knowledge.

The Fayetteville Woodpeckers first started playing in Buies Creek, N.C. at Jim Perry Stadium on the campus of Campbell University while construction was completed on SEGRA Stadium.

Fayetteville captured the Carolina League championship in 2018 and have won division titles in both 2018 and 2019.

Also, you probably need to know that a Woodpecker is a bird with a hard beak used for pecking inot wood to find insects and make nests, but it also has symbolic meaning related to persistence, resilience and communication.

DID YOU KNOW?

Rebranded from the Lynchburg Hillcats to the Hill City Howlers prior to the 2026 season.

Professional Baseball has been a staple in Lynchburg since the 1800's with the first recorded team in Lynchburg taking the field in the Virginia League in 1886 when they won the State League Championship.

The first affiliated team in Lynchburg did not arrive until 1943 when the St. Louis Cardinals came to town and stayed through the 1955 campaign. Other affiliates in Lynchburg have been: Chicago White Sox (1963-69), Minnesota Twins (1970-74), Texas Rangers (1975), New York Mets (1976-87), Boston Red Sox (1988-1994), Pittsburgh Pirates (1995-2009), Cincinnati Reds (2010), Atlanta Braves (2011-14) and the Cleveland Indians/Guardians (2015-pres.)

Last season, the Hillcats captured their first Carolina League Championship since 2017 when they defeated the Columbia Fireflies two games to one in the title series. The 2025 title marked the ninth League title in franchise history.

The organization rebranded in November 2025 after being known as the Salem Red Sox in 2009 when they became an affiliate of the Red Sox. Previously, the club was known as the Salem Avalanche from 1995 through 2008 when they were affiliated with the Colorado Rockies (1995-2002) and Houston Astros (2003-08). Prior to 1995, the franchise played under several other names and affiliations.

The franchise debuted in 1955 as the Salem Rebels, an affiliate of the Pittsburgh Pirates (1955, 1957-59). Following the initial affiliation with the Pirates, the organization has been partners with the following clubs: San Francisco Giants (1960-63), Pirates (1964-80), San Diego Padres (1981-83), Texas Rangers (1987-86), Pirates (1987-1994), Colorado Rockies (1995-2002), Houston Astros (2003-08) and the Boston Red Sox (2009-pres.).

They rebranded again prior to the 2026 season going from the Red Sox to the Ridge Yaks.

DID YOU KNOW?

The current Milwaukee Brewers franchise was initially founded as the Seattle Pilots, an expansion team that joined the American League in time for the 1969 season. The organization then moved to Milwaukee and played games at County Stadium and continued on as an American League club until realignment occurred prior to the 1998 season.

In 2025 the Brewers set a franchise record with 97 and captured their third consecutive and sixth overall National League Central Championship. The Brewers also defeated the Chicago Cubs in the Division Series before falling to the Los Angeles Dodgers in the National League Championship Series.

The team now known as the Biloxi Shuckers were established in 2015 after the Southern League's Huntsville Stars relocated to Biloxi following the 2014 season. However, before the arrival of the Shuckers, the only other professional team from Biloxi, Mississippi was the Gulfport-Biloxi Sand Crabs, who played in the Class C Cotton States League in 1907.

When the franchise relocated to Biloxi, they continued the relationship with the Milwaukee Brewers, a relationship that had been in place dating back to 1999.

Since becoming the Shuckers in 2015, the club has posted a record of 710-641 (.526) through the 2025 season and have won their division six times but has never captured a Southern League Championship.

The Arizona Complex League first started in 1988 and was known as the Arizona League. The Arizona Complex League (ACL) and the Florida Complex League (FCL) form the lowest run on the North American minor league system.

When it was formed, the ACL played a 60 game schedule with the Milwaukee Brewers, Oakland Athletics, San Diego Padres and a cooperative between the Boston Red Sox and Seattle Mariners.

Prior to the 2021 season, as part of MLB's reorganization of the Minor Leagues, the two US-based complex leagues were renamed with the Arizona League becoming the ACL. The latest version of the league consisted of 17 teams .

The Brewers first fielded a team in the Dominican Summer League for the 1989 season as part of a co-op team shared with the Boston Red Sox and Baltimore Orioles before partnering with the Toronto Blue Jays in 1990 and running their own team for three seasons from 1991-93. Milwaukee reverted to the co-op approach working with the Houston Astros (1994-95) and the Chicago White Sox (1996).

Beginning with the 1997 season and going through the 2003 campaign the Brewers ran their own club, winning the DSL Championship 2001. The Brewers left the DSL after 2003 season and did not return until 2009 in a partnership with the Orioles before fielding their own squad from 2010 through 2016. Milwaukee partnered with Cleveland beginning in 2017-2019.

After the COVID-19 pandemic canceled the 2020 the Brewers began operating their own clubs in 2021, fielding two teams in the league and building a 30-acre Dominican Republic Academy in Santo Domingo which opened in 2024.

MEET THE BROADCAST TEAM

CHRIS EDWARDS: Enters his first season as the "Voice of the Warbirds" after spending the previous two seasons calling games for the Carolina Mudcats. Edwards began his broadcasting career with the Mudcats as an intern during the 2010 season before taking a role with the Thomasville HiToms and the Wilson Tobs (Coastal Plain League) in 2011 and 2012. In addition to his work in professional baseball, Edwards has spent more than a decade as the radio broadcaster for Duke Women's Basketball and has worked as the primary digital television broadcaster for Duke Athletics Olympic Sport broadcasts.

A native of Garner, North Carolina, in 2011, Chris was named the Coastal Plain League Broadcaster of the Year and has also served as the Sports Editor of the Garner Citizen News and Times and worked for nearly two years as the anchor of the WPTF Morning News in Raleigh, North Carolina.

BEN MIHAILOVICH: Ben begins his first season as a member of the Warbirds in 2026 as the Broadcasting and Media Relations intern. Ben has already spent three months this spring as part of the University of North Carolina baseball radio broadcast along with Dave Nathan. In addition to calling games at Carolina, Ben spent three seasons in the New England Collegiate Baseball League as a play-by-play broadcaster for the Bristol Blues, calling games and conducting a pre and postgame show. Ben spent last summer in the Cape Cod Baseball League as a producer for the league, filming and editing all Cape League TV content.

Ben graduated this spring from the University of North Carolina with a bachelor's degree in Media and Journalism. While at UNC, Ben worked in the athletic communications department as an intern, assisting with gameday operations such as keeping official statistics, writing game notes, and transcribing press conferences. Through the Hussman school of Media and Journalism, Ben was also able to cover the 2024 Olympics in Paris, filming and writing for WRAL about North Carolina athletes. Ben is the broadcaster for the Duluth Huskies, a collegiate summer baseball team in the Northwoods League.

WARBIRDS ON THE AIR

Prior to the season, the Warbirds and First Media Radio Group announced a three-year partnership which made The Beach (WZAK, 99.3 FM) the official radio flagship of the Warbirds Baseball Network. Chris Edwards is set to begin his first season as the "Voice of the Warbirds." Joining him will be Ben Mihailovich.

The Warbirds Baseball Network will air all 66 regular season home-games and all postseason games on its airwaves. Coverage on the Warbirds Baseball Network spans parts of six counties throughout Eastern North Carolina.

In addition to the over-the-air broadcast, all games will be streamed live over the internet with links available through wilsonwarbirds.com and the MiLB App, free to download on all app stores. When the Warbirds are at home, follow along with all the action on MiLB.tv through a subscription to MLB At Bat and the Bally Live App.
