WHIFFER'S FITNESS CLUB

"Get Fit with Whiff" was created in partnership with the YMCA of the Fox Cities to teach kids the importance of daily exercise and proper nutrition. Whiffer visits each YMCA location during the summer for a fun, short program to get kids moving. Activities include Zumba, kickball, and "Whifferball."

BALLPARK COMMUNITY GARDEN

A unique initiative with the purpose of beautifying the ballpark and strengthening community support is the Timber Rattlers Garden for the Community. The Timber Rattlers have teamed up with GreenStone Farm Credit Services and the Freedom High School FFA to "Grow a Row for St. Joe's." The donation of produce helps broaden the nutritional options for St. Joe's client families and offset their produce budget. The St. Joseph Food Program is a nonprofit that for over 35 years has made weekly distributions of fresh food and non-perishable items to the elderly, working poor and temporarily unemployed in the Fox Valley
