Dutchess Stadium was built in just 71 days in 1994. Crews bolted the last few seats into place when the gates were opening for the inaugural home opener on June 18, 1994 as the Renegades battled the Pittsfield Mets. The original Hudson Valley Renegades were an affiliate of the Texas Rangers before becoming a Rangers-Devil Rays co-op in 1997 and then a full-fledged affiliate of the Tampa Bay Devil Rays from 1998 through 2020.

A new affiliation with the New York Yankees took hold and the Hudson Valley Renegades opened a new era at the stadium in 2021.

The playing surface was natural grass from the stadium's opening until 2014, when the surface was replaced by Astro Turf.

Media members must wear face coverings at all times, covering their nose and mouth, and practice physical distancing while possible in the presence on player, coaches and field staff. Media members should bring their own face coverings to the ballpark, but Clubs are permitted to use a Club-provided face covering if the Club determines that the media member's personal face covering is inappropriate for any reason. SOUTH ATLANTIC LEAGUE

HIGH-A INFORMATION

On February 12, 2021, Major League Baseball announced its new plan for affiliated baseball, with 120 Minor League clubs officially agreeing to join the new Professional Development League (PDL).

In total, the new player development system includes 179 teams across 17 leagues in 43 states and four provinces. Including the ACL and FCL, there are 209 teams across 19 leagues in 44 states and four provinces. That includes the 150 teams in the PDL and ACL/FCL along with the four partner leagues: the American Association, Atlantic League, Frontier League and Pioneer League. After the MLB Draft in July, that number will increase to 215 teams as the MLB Draft League will transition from amateur to professional players, a new twist implemented for the 2022 season.

The long-time High-A structure of the California, Carolina and Florida State Leagues was replaced by High-A East, High-A Central and High-A West for one year in 2021 before reverting to more historical Minor League names in 2022. The new South Atlantic League consists of 12 teams -- three from the former Short Season-A New York-Penn League (Aberdeen, Brooklyn and Hudson Valley), two from the old Carolina League (Wilmington and Winston-Salem), six from the old Single-A South Atlantic League (Asheville, Greensboro, Greenville, Hickory, Jersey Shore and Rome) and one from the old Single-A Midwest League (Bowling Green). The new Midwest League (High-A Central) is comprised of 12 former Midwest League clubs, while the new Northwest League (High-A West) is a six-team circuit of former Northwest League teams.

These changes were made to help reduce travel and allow Major League teams to have their affiliates, in most cases, within 200 miles of the parent club (or play at their Spring Training facilities).

DID YOU KNOW?

The 2013 and 2014 Aberdeen IronBirds seasons were the subject of a 2021 book written by Greg Larson, the former home clubhouse attendant at Ripken Stadium. "Clubbie: A Minor League Baseball Memoir" chronicles the struggles of the many minor league players Larson came in contact with in his time in Aberdeen -- from adjusting to playing professional baseball, to the simpler struggle of finding housing. Larson tries to bring attention to the hot-button issues of minor league pay and living conditions through telling the stories of the players in his book.

The IronBirds were one of three former New York-Penn League franchises added to the new High-A East during the re-organization of the minor leagues in 2020. They joined their McNamara Division rival Brooklyn Cyclones and the Renegades in the new league.

DID YOU KNOW?

The field at Frawley Stadium is named Judy Johnson Field, in honor of Baseball Hall of Fame third baseman Judy Johnson. Elected in 1975, Johnson played 17 seasons for the Atlantic City Bacharach Giants, Hilldale Daisies, Homestead Grays, Pittsburgh Crawfords and New York Cubans in the Negro Major Leagues and in Cuba. Following his retirement as a ballplayer, Johnson served as a scout for several MLB teams and was hired as an assistant coach for the 1954 Philadelphia Athletics, becoming one of the first African-American coaches in the American or National Leagues.

SAL RULES & UMPIRES

HIGH-A EXPERIMENTAL PLAYING RULES

On March 14, 2022, Major League Baseball announced a variety of experimental playing rules that were approved by the Competition Committee and the Playing Rules Committee for use during the 2022 Minor League season. Many experimental rules were first tested on a limited basis in 2021. The use of the most promising rules has been expanded to additional levels of play, providing more players and fans with exposure to the rules and allowing the Competition Committee to better evaluate the impact of each on game play. Here is a summary of the experimental rules that will be tested in High-A East during the 2022 Minor League season:

- **PITCH TIMER:** On-field timers will be used at all full-season affiliates to enforce regulations designed to create a crisp pace of play, with batters required to be ready to hit and pitchers required to deliver the pitch within allotted periods of time. With runners on base, pitchers will have additional allotted time for each pitch but will risk automatic baserunner advancement if a third pick-off attempt or step-off within the same plate appearance is made without recording an out. These rules were used in tandem in the Low-A West and the Arizona Fall League in 2021 and led to a significant improvement in pace of play and a reduction in average game time of more than 20 minutes.
- **LARGER BASES:** The size of first, second and third base will be increased from 15 inches square to 18 inches square at all full-season affiliates to reduce player injuries. Bigger bases were used in 2021 at the Triple-A level and in the Arizona Fall League, and were associated with a decrease in the severity of base-related injuries. In addition, the reduction in distance between bases led to a modest increase in the rate of successful stolen base attempts.
- **DEFENSIVE POSITIONING:** In Double-A, High-A and Low-A, the defensive team must have a minimum of four players on the infield, with at least two infielders completely on either side of second base. These restrictions on defensive positioning are intended to allow infielders to better showcase their athleticism, to increase batting average on balls in play, and to restore a more traditional set of aesthetics and outcomes on batted balls.

MISCELLANEOUS INFORMATION

COPA DE LA DIVERSION

In November 2019, the Hudson Valley Renegades announced their participation in Minor League Baseball's popular Copa de la Diversión program, and unveiled the team's alternate identity: the Fenómenos Enmascarados del Valle de Hudson (Hudson Valley Masked Phenoms).

"Fenómenos Enmascarados," which directly translates to "Masked Phenoms," celebrates the rich blend of Latin cultures throughout the Hudson Valley. In celebration of Lucha Libre, the Renegades staff are striving to provide our fans a blend of fighting spirit and showmanship at the ballpark.

The Renegades ReTail Stores both online and at Dutchess Stadium feature an entire Fenómenos Enmascarados collection. In 2022, the Renegades are hosting four Copa de la Diversión throughout the season:

May 27 - Carnaval

June 12 - National Puerto Rican Day

July 31 - Día de los Muertos

August 31 - Caribbean Night

REHABBING MAJOR LEAGUERS

Since the team's founding in 1994, the Hudson Valley Renegades have hosted three players on a Major League rehab assignment. The first two MLB rehabbers took place during the Tampa Bay Devil Rays/Rays affiliation, while the most recent was during the Renegades' affiliation with the New York Yankees.

2018: Tommy Pham (OF)

MAJOR MLB AWARDS

ANTHONY VOLPE *2021 MLB Pipeline Hitting Prospect of the Year*

In the inaugural season of Hudson Valley's affiliation with the New York Yankees, **Anthony Volpe** was named *MLB Pipeline Hitting Prospect of the Year* after a monster season with the Renegades and the Low-A Tampa Tarpons.

The 20-year-old hit .286/.391/.581 in 55 games with Hudson Valley, while clubbing 17 doubles and 15 home runs. Including his time in Tampa, Volpe collected 121 hits, 35 doubles, 6 triples, 27 HRs, 86 RBIs, and was 33-for-42 on stolen base attempts.

"He stays on the ball for a really long time, but his attacking ability is great," said Hudson Valley manager Dan Fiorito to Sam Dykstra of MLB.com. "He finds a way to get the ball in the air and drive line drives to all fields. He has a great ability to keep the ball off the ground."

The Yankees drafted Volpe with the 30th pick in the 1st round of the 2019 MLB Draft out of the Delbarton School in New Jersey. He was originally committed to play alongside high school teammate Jack Leiter at Vanderbilt, but opted to sign and begin his professional career.

HUDSON VALLEY RENEGADES *1998 & 2019 Bob Freitas Award*

The Hudson Valley Renegades have been honored by *Baseball America* with the Bob Freitas Award two times in their history -- in 1998 and again in 2019. The prestigious award has been presented every year since 1989, and recognizes the top overall operation at each classification of the minor leagues. The Renegades received the honor both times as the best Short Season-A organization.

"The Freitas Award is the gold standard in the industry, and we are humbled and honored that *Baseball America* has chosen to recognize the

Renegades as this year's recipient" said Jeff Goldklang, President of the Goldklang Group, after receiving the 2019 award. "Steve Gliner and our staff work tirelessly to provide a first-class fan experience on a nightly basis, and this award is a testament to the success of that effort."

The award is named after Bob Freitas, a longtime ambassador of minor league baseball who helped teams and minor league owners around the country.

"We are proud of what we accomplished this year" said Steve Gliner, President and General Manager of the Renegades. "We polled our fans on what areas of our operation were most important to them, and responded by tailoring our operation specifically to those desires. Coupled with another talented roster from our long-time and wonderful parent club, the Tampa Bay Rays, a night at the ballpark in 2019 was always a heart-racing experience!"

They have been affiliated with nine MLB franchises and have operated as both an unaffiliated team within the structure of organized baseball (1990-91), and as a co-op franchise, accepting players from multiple MLB affiliates (1978-80, 97) in its past.

D3 DAY: DISABILITY, DREAM AND DO

D3DAY: DISABILITY DREAM AND DO

The Disability Dream and Do (D3Day) sports camps were created by Dave Clark, the only pitcher in professional sports history to pitch on crutches, and Doug Cornfield, a former NCAA medal winning runner at Georgia, who himself had a child born with no arms. These camps are presented completely free to campers through generous donations and sponsorships.

These camps allow professional players to interact with children with special needs in various drills and compete in sports with no limitations. In 2016, Dave Stevens, who was born without legs but played college football and minor league baseball, came on board as the D3Day camps expanded to other cities in the US. Dave, Dave and Doug now put on camps all over the country and share their amazing stories as well as inspire others to look past a disability and turn it into an ability.

The Renegades have been proud to host D3Day camps at The Dutch since 2017.
