Heritage Financial Park was built in just 71 days in 1994. Crews bolted the last few seats into place when the gates were opening for the inaugural home opener on June 18, 1994 as the Renegades battled the Pittsfield Mets. The original Hudson Valley Renegades were an affiliate of the Texas Rangers before becoming a Rangers-Devil Rays co-op in 1996 and then a full-fledged affiliate of the Tampa Bay Devil Rays from 1997 through 2020.

A new affiliation with the New York Yankees took hold and the Hudson Valley Renegades opened a new era at the stadium in 2021.

The playing surface was natural grass from the stadium's opening until 2014, when the surface was replaced by Astro Turf. The playing surface was replaced with a new Field Turf surface after the 2023 season.

HERITAGE Financial Park™

On March 21, 2023, the Hudson Valley Renegades, the High-A affiliate of the New York Yankees, and Heritage Financial Credit Union, a local Credit Union serving communities in and around the Hudson Valley for over 80 years, announced an agreement on a long-term stadium naming rights partnership.

In addition to the renaming of the facility, Heritage Financial Credit Union is also sponsoring several new community engagement and fan experience initiatives at the ballpark that will have an immediate impact in making life-long memories for the entire community.

"We are so pleased to partner with the Renegades as this new partnership closely aligns with our mission and further supports our community development outreach initiatives," said Michael Ciriello, President and CEO of the Credit Union. "We are beyond excited about this new opportunity to work closely with the Renegades to help positively impact the lives of those in our communities."

The Hudson Valley Renegades and their parent company, Diamond Baseball Holdings and Dutchess County have recently completed a multi-year, multi-million private-public partnership renovation project of Heritage Financial Park. The project began in 2019 with the renovation of the seating bowl, with all-new seats being installed along with the resurfacing of the parking lots outside of the stadium. New, energy-efficient LED lighting was installed prior to the 2021 season.

Following the 2022 season, the most expansive phase of the renovation began. The original outfield wall was demolished and replaced with a new, padded fence. The old clubhouse building was completely gutted and refurbished to house one expanded clubhouse and weight room, for use by the Renegades in 2023 and visiting teams from 2024 on. Visiting teams used a temporary clubhouse structure for the 2023 season. Additionally, the outdoor batting cages were enclosed so they may be used in all weather.

The final, highest-impact phase of the construction was completed just before Opening Day 2024 -- a new, state-of-the-art home clubhouse building in left field with expanded seating options for fans and luxury club space. The clubhouse is also home to a brand-new kitchen, home weight room, athletic training facilities, and batting cages to provide a first-class experience at the park to both fans and players.

STADIUM GROUND RULES

1. Heritage Financial Park is an enclosed ballpark with fencing around its perimeter. Beyond the fencing is a dead ball area. Any signage extending over the top of the lower level of the outfield wall is recessed behind the wall and therefore not in play. On the outfield wall in fair territory there is a yellow line at the top of the wall. Any ball hit over this line at any point is a home run. Most of the yellow home run line is 8' high. In left field, the home run line is at 10' and drops down to the 8' mark as you head toward left-centerfield. While there is blue padding on the concrete wall above the yellow line for 16' where it first becomes 8' high, any ball that hits these pads in this area is a home run as these pads are recessed from the outfield wall, above and to the right of the yellow home run line.
2. A ball off the backstop netting or fan protective netting down each of the baselines is in play. If the ball gets lodged in the netting or is lodged behind the netting, the ball is dead.
3. Camera wells are clearly marked and any ball that enters a media area is a dead ball.
4. Dugout areas are treated as described in the rulebook. The front and sides of the dugout are in play.
5. Any ball that becomes lodged underneath the padding of the outfield wall is a dead ball.

RENEGADES BASEBALL NETWORK

Prior to the 2024 season, the Hudson Valley Renegades and Pamal Broadcasting announced a new multi-year deal for Pamal Broadcasting to be the official radio home of the Renegades Baseball Network. Through the 2028 season, The Beacon (WGHQ 92.5 FM & 920 AM, WBPM 96.5 FM, WBNR 1260 AM, and WLNA 1420 AM) will serve as the Renegades Radio Network. Joe Vasile returns for his fourth season as the "Voice of the Renegades." Joining him once again in the booth this season is Jordy Fee-Platt, who returns for his second season with the Renegades.

The Renegades Baseball Network will air all 132 regular season games and all postseason games on its airwaves. Coverage on the Renegades Baseball Network spans parts of eight counties throughout the Hudson Valley.

In addition to the over-the-air broadcast, all games will be streamed live over the internet with links available through hvrenegades.com and the MiLB App, free to download on all app stores.

When the Renegades are at home, follow along with all the action on MiLB.tv through a subscription to MLB At Bat and the Bally Live App.

JOE VASILE: Entering his fourth season with the Renegades, Joe came to the Hudson Valley after spending three seasons and four years with the Scranton/Wilkes-Barre RailRiders, the Triple-A affiliate of the New York Yankees. He began his career as the Broadcasting and Media Relations intern for the Fayetteville SwampDogs in 2014, where he was named the Coastal Plain League Broadcaster of the Year. He was promoted to Assistant General Manager and Broadcaster the next season, making him the youngest AGM in the industry.

A native of Paramus, New Jersey, in 2016, Joe was the Media Relations and Broadcasting Assistant for the Salem Red Sox, and held the same role with the Long Island Ducks in 2017 before starting with SWB. During the offseason Joe broadcasts a variety of college sports. He hosts the baseball history podcast "Secondary Lead," and is a 2013 graduate of The College of New Jersey with a B.A. in Communication Studies: Radio/TV/Film.

JORDY FEE-PLATT: Jordy begins his second season as a member of the Renegades broadcast crew in 2025 as the Broadcasting and PR Associate. In addition to broadcasting 100 games last season, Jordy conducted player interviews, hosted the "BP Show" for all home games as well as the radio postgame show, and assisted in media relations duties. This offseason, he served as a freelance college play-by-play broadcaster. He also was a writer and editor for Hoops HQ, a college basketball online publication, where he covered March Madness.

He is a graduate of the master's program at Arizona State University's Cronkite School in sports journalism. Jordy covered the 2023 Diamondbacks World Series run, which included working as a freelance writer for the Dallas Morning News during the Fall Classic. In the summer of 2023, Jordy was the broadcaster for the Duluth Huskies, a collegiate summer baseball team in the Northwoods League.
