

2023 SEASON

SEASON SEAT MEMBER MANUAL

TICKET EXCHANGE PROGRAM

All Full, Half, and Quarter Season Seat Members have access to the Ticket Exchange Program. As a Season Seat Member, you can exchange your paid season seat tickets to specific games up to 48 business hours in advance of the game(s) you cannot attend. Tickets exchanged at least 48 business hours in advance of the original game date can be used towards additional tickets to 2023 El Paso Chihuahuas regular season home games. The value of new ticket(s) that you receive from tickets exchanged in advance of the game will be equal to the value you paid for the tickets you exchange. Ticket exchanges are based on availability.

Please see the policies and procedures below to exchange tickets for the 2023 Season. All ticket exchanges are based on availability and there is no guarantee that you will receive your normal Season Seat location for games that you exchange into. Ticket exchange access expires on September 10, 2023, and advanced exchanges are highly recommended.

IN ADVANCE OF THE GAME (48 BUSINESS HOURS OR MORE)

If you know you are going to miss a game included in your Season Seat Membership plan, get the full value you paid for your tickets by exchanging them in advance of the game. This will allow you to more freely “reschedule” the tickets, based on availability. Please see the process below:

Online Exchanges:

1. Log on to your Online Ticket Account Manager through EPChihuahuas.com. If you do not have your account login information, please contact your Account Executive.
2. From your Online Ticket Account Manager, you will be able to exchange all valid and exchangeable future tickets (paid tickets for games that have yet to occur as a part of your Season Seat Membership).
3. If your 2023 Season Seat Membership account is not paid in full, exchange capability will be limited to the paid tickets in your account, and you will not have access to exchange the unpaid tickets in your account.
4. Online exchanges are limited to exchange into tickets of equal or greater value than the original tickets being exchanged. If a ticket exchange results in an upgrade, you will be required to pay the difference in ticket cost during the online exchange process. Ticket exchanges resulting in a downgrade are not able to be completed online.
5. All direct ticket for ticket exchanges and seat locations are based on availability and limited to paid tickets in your Season Seat Membership account.
6. Please note that for online exchanges, all online fees apply.
7. Tickets from your Season Seat Membership can only be exchanged once and are limited to 10 tickets exchanged into per game.

In-Person Exchanges:

1. Visit the Southwest University Park Box Office during Box Office business hours at least 48 business hours in advance of the game you are exchanging, and a Box Office Attendant will assist you. Please be prepared with photo identification to access your account at the Box Office.
2. Identify the paid ticket(s) from your Season Seat Membership that you would like to exchange and select the future 2023 regular season home game into which you would like to “reschedule” your tickets. All seat selections and ticket exchanges are based on availability.

3. The original paid tickets you exchange out of will be released from your Season Seat Membership account and will be made available for sale to the public.
4. If your 2023 Season Seat Membership account is not paid in full, exchange capability will be limited to the paid tickets in your account, and you will not have access to exchange the unpaid tickets in your account.
5. In-person exchanges are limited to exchange into tickets of equal or greater value than the original ticket being exchanged. If a ticket exchange results in an upgrade, you will be required to pay the difference in ticket cost during the online exchange process.
6. All direct ticket for ticket exchanges, ticket credit redemption, and seat locations are based on availability and limited to paid tickets in your Season Seat Membership account.
7. Tickets from your Season Seat Membership can only be exchanged once and are limited to 10 tickets exchanged into per game.

UNUSED TICKETS (WITHIN 48 BUSINESS HOURS/AFTER THE GAME)

If you miss a game, we want to make sure that you receive the full value of your paid investment.
