WIN: Jonathan Bowlan (6-2) | LOSS: Nick Dombkowski (1-1) | SAVE: Carlos Hernández (2)

### NOTES AND NUGGETS

#### IN GOOD STANDINGS

Omaha enters today's game in 1st place in the 20-team International League, a remarkable 22 games over .500 at 38-16 (.704).

- 38 wins are the most of any team in Minor League Baseball this season, 3 ahead of the next winningest team ... of 120 full season Minor League teams, Omaha's .704 winning percentage is the 2nd-best, just behind the MiLB-best Modesto Nuts (34-14 / .708 / Mariners Single-A).
- 23 wins in May were the most of any Minor League Baseball team ... 23 wins were also the most in a single month for an MiLB team since the Ogden Raptors went 24-4 in July 2019 ... Omaha is first team to win 22 or more since the July 2021 Bowling Green Hot Rods went 22-7.

#### TOO CLOSE FOR COMFORT

Omaha has won 6 straight series including this week and 24 of its last 29 games... 20 of those 29 games have been decided by 3 runs or less, including 17 of the team's 24 wins in this stretch.

- Omaha's relievers had just 4 saves in the first 26 games, but 15 of 28 games since have had a save awarded (from 7 pitchers), the most saves of any team in the Minors since May 1 ... **Will Klein** has 5 saves in that span, while **Dan Altavilla**, **Carlos Hernández**, **Walter Pennington**, **Sam Long** each have 2 ... **Steven Cruz** and **Evan Sisk** each have 1 save in the last 28 games.
- In total, 37 of Omaha's 54 games this year have been decided by 3 runs or fewer (68%), including 12 of 16 losses this season.

#### I'M DIFFERENT, YEAH, I'M (RUN) DIFFERENT (IAL)

Omaha has outscored its opponents 322 to 242 this season, a +80 run differential.

- A +80 run differential ranks as the best in the International League and is the second-highest mark at the Triple-A level trailing Oklahoma City (Dodgers Triple-A) at +52 ... Omaha ranks 5th in Minor League Baseball in run differential ... Modesto leads all Minor League teams at +141 (351 to 210).

#### YOU CAN COUNT ON ME

Two factors contributing to Omaha's success this season include the starting pitchers going deep into games and the offense providing their starters run support.

- When Omaha's starter can get through at least 5.0 innings this year, the team has a 19-3 record, compared to 19-13 when starters don't make it through the 5th inning.
- When the offense can provide 3+ runs of support, the Storm Chasers are 25-4, while the team is just 13-12 when the offense offers 2 runs of support or less to the starting pitcher.

#### RELIEF AID

Omaha's bullpen remains one of the best in the International League and even across the entire Triple-A level.

- The Storm Chasers bullpen has combined to hold opposing hitters to a Triple-A best .198 average (2nd in MiLB), while the .656 opposing OPS ranks 2nd-best and a 3.60 ERA against the Omaha bullpen is 3rd-best in Triple-A.
- Friday's win was the 13th time this season Omaha's bullpen has combined to not allow a run ... that is an average of once every 4.15 games this year of the relievers combining for a shutout.
- The two longest scoreless streaks (by games pitched) at the Triple-A level in 2024 are active streaks from Omaha pitchers ... **Dan Altavilla** and **Evan Sisk** have each not allowed a run over their last 13 games, 13.2 innings since April 23 for Altavilla and 13.0 innings since April 20 for Sisk.
- LHP **Walter Pennington** has 60 strikeouts in 37.1 innings this season, largely pitching in relief (20 relief appearances/2 opener starts) ... his 60 strikeouts are tied 3rd-most in the International League, while 48 strikeouts as a reliever rank 2nd in MiLB ... his 40.8% strikeout rate is 2nd in MiLB (min. 35.0 IP).
- Altavilla, Sisk and Pennington aren't the only Omaha relievers dominating right now ... **John McMillon** has offered 5 straight scoreless outings and retired 11 straight hitters while **Colin Selby** has 4 straight scoreless outings.

#### IT'S GONNA BE MAY

The month of May the Storm Chasers produced this year is arguably one of the greatest single months in the modern era of the club.

- 23 wins in May 2024 marks the most wins the team has had in a single month in the modern era (2005-present), passing the August 2005 Omaha Royals who went 21-9.
- A .793 winning percentage this month (23-6 record) is the best the team has had in a month in the modern era (min. 20 games) and the 4th time with a winning % above .700 in a month ... the next closest winning percentage is the June 2012 Storm Chasers that went 20-8 (.714).
- A .214 opponents' average against Omaha in May 2024 is the best in a single month since 2005 (min. 20 games played), while a 25.36% strikeout rate is 3rd-best, with the May 2021 Storm Chasers leading the way at a 27.14% K%.
- Offensively, the 6.21 runs/game the team has scored this month is tied for the 6th-best in a single month since 2005 (min. 20 games) and the team's .472 slugging percentage in May ranks as the 7th-best in a month.
