Testimonials

"The Fisher Cats team worked with us to plan the details for our event and contingency plans. When it came time to execute the plan - they made everything work and adapted to changes on the fly. They were quick to solve issues that arose and assured attendees were happy. We look forward to future events at Delta Dental Stadium!"
- Kristen Schmidt, NHHCA

"Since 2011, the Fisher Cats have been a fantastic partner as our host venue for Millennium Running's Thanksgiving 5k.

Beyond their first-class facility, from top to bottom within the organization, they understand the importance of community and make things seamless for Millennium Running to produce New Hampshire's largest "Turkey Trot" at Delta Dental Stadium."
- John Mortimer, Millennium Running
