### Sacramento River Cats (21-15/57-54) vs. Sugar Land Space Cowboys (14-19/53-55)

RHP Hayden Birdsong (0-1, 5.40) vs. RHP JP France (MLR; 0-0, 18.00)

GAME 112 | HOME GAME 59 | FRIDAY, AUGUST 8, 2025 | 6:45 P.M. (PT) | SUTTER HEALTH PARK | WEST SACRAMENTO, CA

**LAST TIME OUT:** A solid starting outing from **LHP Seth Lonsway** and a four-run output in the fifth frame pushed the River Cats to a fourth straight win on Thursday, taking down the Sugar Land Space Cowboys by a 5-3 final...**0F Wade Meckler** went 2-for-3 with a double and a walk from the leadoff spot, scoring two runs while driving one in...**IF Bryce Eldridge** was 2-for-3 with an RBI and a walk, while **0F Luis Matos** recorded his first hit since rejoining the River Cats on Wednesday and drove in a pair with a double...Lonsway earned the win after going six shutout innings, striking out five with two walks...**RHP Miguel Díaz** picked up his third save of the season by working a clean ninth inning.

TODAY'S STARTER: RHP Hayden Birdsong takes the ball for his third outing of the Triple-A season, all starts...Last time out against Albuquerque, the Illinois native took the loss after he allowed four runs on seven hits in 4.1 innings, which is his new Triple-A career high (four career Triple-A contests)...He has struck out four in each of his two outings, though he cut his walks in half against Albuquerque by issuing only one free pass...Overall in four career Triple-A outings Birdsong has logged a 1-1 record in his four games to go with a 5.19 ERA (10 er, 17.1 ip) with 22 strikeouts to nine walks (eight strikeouts to three walks in 2025).

FOLLOW THE LEADER: There are a handful of Sacramento River Cats that find themselves amongst the league leaders in the Pacific Coast League...Offensively, OF Marco Luciano is tied for third in home runs (20; tied for seventh in Triple-A) and third in walks (66; tied for fifth in Triple-A)...OF Hunter Bishop is tied for fourth in triples (six; tied for fifth in Triple-A)...From the mound, the River Cats frequent much of the PCL leader-boards among pitchers who qualify...In ERA, RHP Mason Black is fourth (4.86) and RHP Trevor McDonald is fifth (5.55)...In innings pitched, McDonald is first (105.1; fourth in Triple-A) and Black is fourth (96.1)...In strikeouts, McDonald is first (109; tied for second in Triple-A) and Black is fourth (94)...In opposing average, Black is first (.221; second in Triple-A) and McDonald is fifth (.271)...In WHIP, Black is first (1.33) and McDonald is fifth (1.49)...McDonald's eight wins are tied for first (tied for fifth in Triple-A)...In games started, Black is third (19) while McDonald is tied for fourth (18)...RHP Ryan Watson is tied for fourth in saves with saven

LET IT FLY: Sacramento had been dialing up the long ball over the last two plus weeks until last night, homering in seven straight games (7/30 at ABO - 8/6 vs. SUG) and 14 of the previous 15 games overall (dating back to July 20)...That seven-game stretch was Sacramento's third of the season, and in each of those streaks they totaled 11 homers...The first of those stretches came from April 24 at El Paso through May 1 against Reno... Meanwhile, the second was the start of that recent 15-game stretch from July 20 against Oklahoma City through July 27 versus Las Vegas...During that span the River Cats hit two homers in three straight games (7/31-8/2), but lost all three games... The last time Sacramento went winless in three or more games while hitting two homers in each contest was from June 4-7, 2022...Over the larger 15-game span the River Cats went 9-6, crushing 22 total homers while batting .259 (129-for-498) with a .798 OPS...While the average ranked seventh and the OPS ranks sixth across the PCL, Sacramento's 22 dingers were tied for the most in the PCL with Tacoma during that time and tied for fourth in Triple-A...Since July 1, Sacramento's 43 homers are third in the PCL and are tied for sixth in all Triple-A...Overall this season the River Cats are 46-23 when leaving the yard (22-9 in such games at home), but only 11-31 when failing to hit a homer (3-14 in such

**CONNECT FOUR:** Sacramento's victory last night made it four in a row, their third winning streak of four or more games this season...The last time they did so was when they went a full week of games without a loss, racking up seven consecutive victories that started with a 6-2 win on June 29 at home against Oklahoma City and finished with a 15-13 win in 11 innings on July 6 against the Aces in Reno...Over this current four-game span the River Cats are batting .280 (37-for-132), and though it is 30 points higher than their overall season average of .250 (934-for-3732), ranks just seventh in the PCL during that time...However, Sacramento has the best team ERA in that time at 3.89 (16 er, 37.0 ip), the only sub-3.00 ERA in the PCL in that time (10th in Triple-A)...Sacramento's 50 strikeouts lead the PCL over those four games, and their 18 walks are tied for fourth.

**THE (LONS)WAY I AM: LHP Seth Lonsway** made his Sutter Health Park debut last night, and it was a memorable one as the No. 176 pick in the 2021 MLB Draft put up six shutout innings for a quality start...The southpaw scattered two hits and two walks with five punchout in what was his second Triple-A outing, matching his strikeout total from his debut against Albuquerque (8/1) while cutting his walk total in half...He is the seventh River Cat to toss a quality start this season, leaving Sacramento one shy of the eight who logged a quality start during the 2024 campaign (the most since the start of 2021).

BRYCE WATCH: IF Bryce Eldridge two hits in three trips last night, driving in one run while walking and striking out once... That RBI was the 40th of the season in just 34 games played... So far in this series with Sugar Land, the former first-round pick is 5-for-11 (.455) with two runs scored, one homer, five RBI and two walks...Eldridge is looking to keep up his recent hot stretch, as last week against Albquerque (7/29-8/3) he batted .417 (8-for-24) with six runs scored, three homers, nine RBI, and three walks...The week prior, he lit up the Aviators (7/22-7/27) by batting .261 (6-for-23) with five runs scored, one double, four homers (most in the PCL in that time), 11 RBI, and three walks.

THE SUMMER OF BRYCE: IF Bryce Eldridge has had quite the journey through this Triple-A season...The Virgina native logged a hit in each of his first three games, but followed with a cold spell in which he managed just three more hits in the next seven contests...Eldridge was starting to heat up prior to going down with injury on June 22, recording four multi-hit efforts while batting batting .375 (9-for-24) with three doubles, four RBI and one homer over his next six games...Since his return from the All-Star Break (7/18 vs. OKC), Eldridge is batting .299 (20-for-67) with 13 runs scored, one double, eight homers, 27 RBI, nine walks, and a 1.044 OPS in 18 games...The 27 RBI leads all Triple-A during that time (next: 21, two tied)...When looking at his total Triple-A season, Eldridge is batting .266 (34-for-128) with 18 runs scored, four doubles, 11 homers, 40 RBI, 14 walks and a .886 OPS...He's the fourth River Cat to reach the 40-RBI mark this year, but is the only to average more than one RBI per game (1.2 per game)...Overall in 2025 (combined with Double-A Richmond and the Rookie ACL Giants), San Francisco's No. 1 prospect (per MLB Pipeline, Baseball America, and ESPN) is batting .274 (71-for-259) with 33 runs scored, 12 doubles, 18 homers, 61 RBI, 28 walks, and a .871 OPS...The 61 total RBI this season and the sixthmost among Minor Leaguers in the San Francisco organization.

BRYCE BOMBS: IF Bryce Eldridge has swatted some impressive big flies in his short Triple-A career...Among the highlights so far: hit a grand slam for for his first Triple-A blast (6/5 at SUG); a 406-foot walk-off home run, the second of his professional career (7/23 vs. LV; first walk-off: 8/9/23 w/ ACL Giants); a two-homer game, the sixth River Cat to do so in 2025 (8/2 at ABQ; fifth of his professional career); homers in consecutive games twice this season (only River Cat to do so in 2025), including home runs in three straight from 8/2 at ABQ - 8/5 vs. SUG (second River Cat to do so in 2025)...All four of his most recent home runs have left the yard to the opposite field, giving him five on the season which is just one shy of the team lead by both OF Grant McCray and OF Marco Luciano...Eldridge now has a total of 11 homers in just 42 career Triple-A contests (including eight games in 2024), and has hit eight since the start of Sacramento's series with Las Vegas on July 22 which is the most in Triple-A during that time...On the whole for 2025, Eldridge has crushed 18 homers between Sacramento, Double-A Richmond and the ACL Giants (ROK), which is second-most of any San Francisco Minor Leaguer behind the 20 of OF Marco Luciano

**ALL THE WISELY: IF Brett Wisely** has hits in each of his first three games back with Sacramento (two multi-hit efforts), going a combined 6-for-12 (.500) with two runs scored, one double, one RBI, and one walk...When dating back to his last stint, Wisely has hits in seven straight Triple-A games and is batting .407 (11-for-27) with four runs scored, two doubles, three RBI, three walks and a .948 OPS.

MAN WITH THE YELLOW CLEATS: RHP Miguel Díaz has been on a solid run of late, allowing just one run in his last seven outings for a 0.93 ERA (1 er, 9.2 ip) and 0.71 WHIP...The only time in which he allowed a run was a single tally on four hits over two innings on Aug. 1 against Albuquerque...Over his last three games he has not allowed a single base runner (3.2 innings), converting both save opportunities while striking out three in the process.

# THIS DAY IN RIVER CATS HISTORY August 8, 2008

Six River Cats record multi—hit games while seven drove in a run for an impressive 9-5 win in Las Vegas...Donnie Murphy, Chris Denorfia, and Matt Murton combined to go 9-for-18 with seven runs scored, three doubles, one homer (Murphy), and three RBL...Of the group, Denorfia had four knocks in six trips...Along with Murphy, Aaron Cunningham had a double and homer...Dana Eveland earned the win in his Sacaramento debut after allowing four runs (two earned) in six innings.

### NUMBER OF THE DAY

3

Last night's victory moved the River Cats to three games above .500, matching their overall high-water mark this season from when they were 8-5 after a 3-1 victory in Tacoma on April 11...Meanwhile, the River Cats are now 25-23 in games played at home, also matching their home high-water mark of 5-3 after beating Salt Lake by a 5-0 final on April 19.

PLAYER

### **NEXT GAME'S PROBABLE:** RHP Mason Black (1-7, 4.86)

- Selected 85th overall (Round 3, Pick 14) of the 2021 MLB Draft by the San Francisco Giants
- Made his MLB debut on May 6, 2024 at Philadelphia, striking out J.T. Realmuto and Bryce Harper for his first MLB punchouts
- Was 1-5 with a 6.44 ERA at MLB in 2024
- Finished the Triple-A season in 2024 with a 5-6 record and 4.59 ERA
- Named an MiLB.com Organization All-Star in 2022
- Named PCL Pitcher of the Week on 4/14/24
- Was named EAS Pitcher of the Month for June 2023 and the EAS Pitcher of the Week on July 2.
- Played baseball at Lehigh College, and was the Patriot League Pitcher of the Year in 2021
- Became the 15th Mountain Hawk drafted to the MLB, and is Lehigh's highest drafted pitcher in program history.

### \*ADVANCED PITCHING STATS GLOSSARY

### **TBF**: Total Batters Faced

Total Batters Faced measures the total number of plate appearances hitters have made against him.

HR/9: Home Run Rate
Home Rune Rate measures how many home runs a pitcher averages over nine innings. Of course, not many pitchers throw nine innings all at once anymore, but this is a way of standardizing the statistic so it's on an easy-to-understand scale like many other pitcher statistics which are scaled to 27 outs.

K% & BB%: Strikeout Rate and Walk Rate
Strikeout rate (K%) and walk rate (BB%) measure how often a pitcher walks or
strikes out a player per plate appearance. They're measured in percentage form, so
it's easy to compare between players and years.

AVG: Batting Average
Batting average is the rate of hits per at bat, calculated as hits/at bats.

BABIP: Batting Average on Balls in Play
Batting Average on Balls in Play (BABIP) measures how often a ball in play goes for
a hit. Typically around 30% of all balls in play fall for hits, but there are several variables that can affect BABIP rates for individual players, such as defense, luck, and
talent level. Hitters have more control over their BABIP than pitchers do.

LOB%: Left On Base Percentage
Left on Base Percentage (LOB%) measures the percentage of base runners that a pitcher strands on base over the course of a season. This stat does not use the left on base numbers reported in box soores, but instead is calculated using a pitcher's actual hits, walks, and runs allowed results.

**xFIP:** Expected Fielding Independent Pitching
Fielding Independent Pitching measures what a player's ERA would look like over a given period of time if the pitcher were to have experienced league average results on balls in play and league average timing. xFIP Normalizes a pitcher's home runs allowed based on their fly ball rate rather than simply using the raw number of home runs allowed (Due to percent in Minor League Resolvall, the VFIP statistics). home runs allowed. (Due to no constant in Minor League Baseball, the xFIP statistic is aproximate)

### \*ADVANCED HITTING STATS GLOSSARY

<u>PA:</u> Plate Appearances
Plate Appearances are the total number of times a hitter completes a turn batting.

### K% & BB%: Strikeout Rate and Walk Rate

Strikeout rate (K%) and walk rate (BB%) measure how often a position player walks or strikes out per plate appearance. They're measured in percentage form, so it's easy to compare between players and years.

### **ISO:** Isolated Power

Isolated Power (ISO) is a measure of a hitter's raw power. Or, to look at it another way, it measures how good a player is at hitting for extra bases. The simplest way to calculate ISO is to subtract a player's Batting Average from their Slugging Percentage, which leaves us with a measure of just a player's extra bases per at bat.

BABIP: Batting Average on Balls In Play
Batting Average on Balls In Play (BABIP) measures how many of a batter's balls in play
go for hits. Affected greatly by defense and luck, BABIP can dramatically affect a hitter's batting average. If a large number of a batter's balls in play go for hits, that can boost their batting average quite high. Similarly, if a large number of balls in play get caught, it can reduce a player's total offensive value.

wOBA: Weighted On-Base Average
Weighted On-Base Average combines all the different aspects of hitting into one metric, weighting each of them in proportion to their actual run value. While batting average, on-base percentage, and slugging percentage fall short in accuracy and scope, wOBA measures and captures offensive value more accurately and comprehensively. (Due to no constant in minor league baseball, the wOBA statistic is approximate).

wRC+: Weighted Runs Created Plus
Weighted Runs Created Plus measures the total number of runs a player contributes
to their team. The formula accounts for a player's ability to get on base, their total
number of bases, and their baserunning. The Plus version of the stat is park and league
