(40-33)

Saturday, September 19 (7:05) - Huntington Park

St. Paul Saints

(Minnesota Twins)

VS.

Columbus Clippers

(Cleveland Guardians)

RHP Jack Anderson (5-6, 5.00)

RHP Shawn Armstrong (0-0, 10.13)

(35-36)

LAST GAME

September 18	R	H	E	LOB
St. Paul	4	8	1	5
Columbus	3	7	0	9

W: Garrett Acton (5-0)

L: Rorik Maltrud (7-2)

S: Marco Raya (40)

HR: Huff (23); Morissette (17)

Highlights

Blake Perkins was 3x4 with a triple and scored a pair of runs, while Kody Huff launched a game-tying homer in the 8th.

Upcoming Probables

Sunday, September 20 vs. St. Paul (1:05): RHP German Marquez (0-3, 5.46) vs. RHP Ben Lively (0-1, 2.28)

End of the Regular Season

Tonight's Game

The Clippers will send RHP **Shawn Armstrong** to the mound tonight, looking to snap the losing streak at 3G (fifth 3G losing streak since the All-Star Break). The Saints will counter with RHP **Jack Anderson**. Columbus is 58-42 (.580) versus right handers this year. Anderson has pitched against Columbus four times in his career, going 1-0 with a 7.82ERA (12.2IP, 17H, 11R, 11ER, 4BB, 13K).

vs. the Saints

Columbus is 4-6 against the Saints in Ohio this year, producing a 9-13 series record, and has won 55 of the last 93 overall opposing the Saints (508-422 run differential; 17 of 38 losses by a single run, only 13 losses by more than two runs). Individually, **Kody Huff** has hit .294 (30x102) with 6HR and 21RBI in 30G against St. Paul in his career (**Kahlil Watson** has 6HR and 20RBI in 24G).

Two 800 Numbers

Giving up 16 Thursday night, the Clippers surpassed 800 runs allowed on the year (808), to go along with 819 scored. Despite being the only team in the IL scoring and allowing 800+ (first since four teams in 2023; once from 2000-22), Clipper games have seen only the 2nd most runs this year (1,627, Iowa has 1,637). If the Clippers score 13 over the last 2G, they will push the Saints into the 800-800 club.

Bombs Away

Despite hitting 2HR in the last 4G (**George Valera** and **Kody Huff**), Columbus still leads all of pro baseball in homers hit since 7/28 (85), entering today with the 2nd most in franchise history (202; club record is 213 in 2019). The 280 runs scored by Columbus in the last 44G (20 in last 6G) are 3rd most in pro ball (leads IL). The Clippers are 24-20 (.545) in those 44G, but 2-8 since the start of last week.

Always On

Cooper Ingle has lost 36 points on his average over his last 32G (.212, 25x118) and 84 points from his slugging, with only 9XBH (7XBH in last 11G), but his OBP has dipped only 17 points (33BB in 151PA) and he still leads the IL in OPS by 22 points (.942). Ingle has not been kept off the bases in consecutive games this year, but saw his 14G on base streak snapped on Wednesday (.394OBP, 8/27-9/15).

Power and Speed

Kahlil Watson is sitting at 19HR, as the Clippers have five batters with at least 19HR for the second time (2019). His next bomb will not only give them five players with at least 20HR for the first time ever, but will mark the third 20-20 season in franchise history (**Milan Tolentino** has done so twice, 2025-26). Unfortunately, he is homerless in his last 41AB (1RBI; hit 3HR with 8RBI in 12AB prior).

King Ralph

Dating to 7/28, **Ralph Velazquez** leads the IL in HR (18, +4), RBI (45, +8) and SLG (.794, +139) and, aside from going 0x21 at St. Paul (7/21-7/26), is hitting .333/.414/.671 since 6/18 (21HR, 59RBI). Those leads held up despite Velazquez missing 7G with a lower body injury (9/8-9/15) and a relative power slump (2HR in 55AB since 3HR game on 8/22 vs. St. Paul; 9BB in last 44PA, 9BB in prior 122PA).

Kentucky Blues

Kyle Manzardo has hit .158/.238/.184 with 0HR and only 3RBI in 9G since the start of last week's roadtrip to Louisville (went into trip on a 19G hit streak: .347/.412/.587 with 3HR and 23RBI). Since 8/30, Manzardo has advanced only one base on 13 of his last 15 hits (HR on 9/3 vs. Iowa, double on Wednesday), as his Columbus single total has crept up to 65 (70XBH, slugging has dipped from .562 to .529).

Finishing Strong

In his last 21G, **Kody Huff** is hitting .329 (26x79) with 4HR and 13RBI (.595SLG on 12XBH). Huff slumped heavily after leaving St. Paul with an 0x4 on 7/26 (.134, 9x67 in 19G), but he still managed 5HR in that time, as he enters tonight's contest with 23HR. He reached 80RBI last night (scored 80th run on 9/13), becoming the third IL player with at least 80 runs and 80RBI (14G fewer than other two).

Problems on the Back End

Over the last 54G the Clipper bullpen has registered an IL-worst 6.67ERA, nearly a full run more than any other team (Iowa is at 5.68). Clipper relievers have surrendered 43HR in that time, 2nd only to St. Paul (46), and have just 6G with 0ER. While they own 15 of the team's 28 losses since 7/12, they have only nine blown saves (last night snapped 80G win streak when leading after the 8th: 8/7/25).

Columbus Clippers Game Information

Saturday, September 19

This Date in Clipper History

9/19/2015

Fresh off a hitless Triple-A debut in game five of the IL semis vs. Norfolk (7.2IP, 2BB, 10K), **Mike Clevinger** shoved against Indy in game five of the GC Finals (7.2IP, 5H, 0R, 0ER, 1BB, 7K; extended no-hit streak to 31BF). **Adam Moore**'s RBI double in the 1st would prove to be all the Clippers needed on offense, as they coasted to a 3-0 win and their 10th Governors' Cup (Moore hit .471 with 3HR and 10RBI in the playoffs).

First Half Wrap

Despite being eliminated from playoff contention on the penultimate Sunday of the first half, the Clippers were 41-33 and finished with their first winning record in the front half since the season was split in 2023 (averaged 32 wins from 2023-25, topping out at 34-38, .472, last season). From 4/22-6/17, they spent every day between 3.0 and 6.0 games off the lead, while occupying anywhere between 4th and 13th in the standings. A late push (15-6 from 5/16-6/9) got them to within 2.5 before derailing with a 3G losing streak at Indy to seal their fate. On the back half, Columbus has posted just one winning record, clinching a playoff berth in 2024 with a mark of 48-26 (.649).

Huntington (Small) Park

In each of the first 11 seasons after the move downtown (2009-19), Huntington Park ranked among the top two in the IL in homers per game. With the arrival of six new parks to the IL in 2021, Huntington Park finished 4th, 6th and 10th from 2021-23, respectively. The 2024 season saw a return to the top (2.96; 108HR hit by the Clippers, most for the home team in HP's existence), but it dropped back to 7th last year (2.31). Including the postseason, the Clippers have been out-homered over the life of the park (1,499 to 1,452).

Challenging Times

The Clippers are 198-157 (.558) in pitch reviews, with batters going 100-92 (.521) and pitchers/catchers going 98-65 (.601). They have run out of challenges in 50G and have not challenged in 8G. Last season, they were correct 43.1% of the time (2nd worst in the IL).

Extras, Read All About Them

Columbus is 5-4 in extra innings this year, after having gone .500 in each of the last two seasons. Since the start of the 2018 season, when baserunners started appearing at second base, the Clippers are 55-37 when playing past regulation (.598, best in the IL; no other team above .570), including 27-17 at home (.614; 5-7 in last 12G). Of the 92G to require extra play, 73 have been resolved after one frame (including nine DH games) and only one has gone past the 12th (5-4 loss in 13 on 9/20/22 at Toledo).

On the Runs

Starting with the embiggened 150G schedule in 2022, the Clippers scored over 800 runs in three consecutive seasons from 2022-2024 (855, 808 and 805 runs, respectively; accounting for the 3rd, 4th and 5th best totals in team history). Following a steep decline last season (670, fewest scored in a full season since 2018), Columbus has topped 800 again this year (on pace for 830, would rank as 4th most all-time; record is 898 scored in 1983).

On the Run

On the basepaths, the Clippers are making a run at the franchise mark in stolen bases, with 174 through 145G (on pace for 176SB). The team record was set in 2024 when Columbus swiped an even 200, but the team speed was throttled last year (129SB; still, the 2nd highest total since the Cleveland affiliation started in 2009). However, with 52CS so far, the Clippers have the most times caught stealing of the Cleveland affiliation (2024; on pace for 53CS).

Crazy Eighths

From the 8th inning on, the Clippers have scored an IL-best 196 runs while crafting a .874OPS (over 60 points better than all other teams). On the flipside, Columbus has given up 140 runs from the 8th on, resulting in a +56 run differential (Clippers are getting outscored 327-213 from innings 5-7).

Juiced is Loose

In the Huntington Park Era (since 2009), Columbus leads the IL with 81 grand slams and 2,005RBI (led IL in RBI in 2010, '11, '12, '17, '18 and '22). Collecting an IL-best 10 grand slams last season, it marked their fifth straight season with at least four (118RBI last year; had only 97RBI in 2024, worst in a 140+G season since 2016).

In Big Trouble

The Clipper pitching staff is trending toward the worst ERA in club history, sitting at 5.38 through 145G. Since the reorganization of the minor leagues in 2021, Columbus has twice finished the season with a 5+ ERA (current record is 5.32, set in 2023), after having done so just once in the first 43 seasons (5.08 in 1983). Additionally, the staff is pacing to give up 195HR (would be 4th most in franchise history; 214HR allowed in 2023).

Department of Defense

The Columbus defense is sitting at 6th in the IL this year (.981), following a 2025 that saw a franchise record (.985, led the IL). On 4/10 at Worcester, the defense collapsed for the first 5E game since 8/27/24 (topped out at 3E in a game twice last year and had fewer than 5E in 21 of 26 series). The Clippers have played flawlessly in 81G this season (45-36, .556), after doing so in nearly 60% of games last year (44-42, .512), including 16 straight from 6/20-7/8/25 (longest streak in the IL over the last 20 years).

Good Baseball

CJ Kayfus bunted a runner into scoring position with a single on 7/5 vs. Louisville, with that runner kicking off a 5-run inning that led the Clippers to victory. Since the start of the 2018 season, Columbus is 90-23 (.796) in games in which a run is scored after a good bunt attempt, including a 7-2 mark this season (.778, blew 7-run lead in one of the losses; went 23-2 in 2018).

To the End

The Clippers have the 11th most last at bat wins this year (15, six off the lead) while playing in the 14th most games decided in the last at bat (29, Norfolk has 42). Since the start of the 2024 season, Columbus has played in 104G decided in the last at bat (3rd most in the IL), going 49-55 (.471, 18th best winning percentage; 6th most wins, 3rd most losses).

Manager Profile

Andy Tracy made his Clippers debut in 2021, following **Tony Mansolino**'s championship rookie year in 2019 (sixth Clipper skipper to win Governors' Cup in first season; **Gene Michael**-'79, **Joe Altobelli**-'80, **Frank Verdi**-'81, **Bucky Dent**-'87 and **Mike Sarbaugh**-'10). This season marks Tracy's seventh year as a manager (first was with Williamsport in the Philadelphia system), as he holds a career record of 462-475 (.493), 432-429 with Columbus (.502).
